FINANCIAL ADMINISTRATION MEMORANDUM NO. 2006- 019 (II.H.)

To: Bureau Assistant Directors, Administration
Bureau Finance Officers
Chief Executive Officer, National Business Center
Director, Office of Acquisition and Property Management

From: 
Mona Williams
Focus Leader, Asset and Debt Management
Office of Financial Management

Subject: Unemployment Compensation (UC) Charges

Attached are the prorated share of UC charges for each bureau and a copy of the pertinent Department of Labor (DOL) bill. The DOL billing for July, August, and September (FY 2006) was allocated to each bureau based on percentages obtained from the contractor's match of actual state charges with Department of the Interior payroll records for the period October 1, 2002 through September 30, 2005. Additional DOL bills may be forthcoming for those states that have not reported charges.

The Division of Financial Management Services, National Business Center, will use IPAC (Intra-Government Payment and Collection) System to bill each bureau for these UC charges. If you have any questions concerning this subject, please contact Michael Anthony on (202) 208-6824.
