DEPARTMENT OF EDUCATION

Notice of Proposed Information Collection Requests

AGENCY: Department of Education.

SUMMARY: The Leader, Regulatory Information Management Group, Office of the Chief Information Officer, invites comments on the proposed information collection requests as required by the Paperwork Reduction Act of 1995.

DATES: Interested persons are invited to submit comments on or before June 14, 2002.

SUPPLEMENTARY INFORMATION: Section 3506 of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35) requires that the Office of Management and Budget (OMB) provide interested Federal agencies and the public an early opportunity to comment on information collection requests. OMB may amend or waive the requirement for public consultation to the extent that public participation in the approval process would defeat the purpose of the information collection, violate State or Federal law, or substantially interfere with any agency's ability to perform its statutory obligations. The Leader, Regulatory Information Management Group, Office of the Chief Information Officer, publishes that notice containing proposed information collection requests prior to submission of these requests to OMB. Each proposed information collection, grouped by office, contains the following: (1) Type of review requested, e.g. new, revision, extension, existing or reinstatement; (2) Title; (3) Summary of the collection; (4) Description of the need for, and proposed use of, the information; (5) Respondents and frequency of collection; and (6) Reporting and/or Recordkeeping burden. OMB invites public comment.

The Department of Education is especially interested in public comment addressing the following issues: (1) Is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate

of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology.

Dated: April 9, 2002.

John D. Tressler,

*Leader, Regulatory Information Management,
Office of the Chief Information Officer.*

Type of Review: Reinstatement.
Title: 2004 National Survey of Postsecondary Faculty (NSOPF:04): List Collection Procedures and Institution Questionnaire.

Frequency: One time.
Affected Public: Not-for-profit institutions.

Reporting and Recordkeeping Hour Burden:

Responses: 300.
Burden Hours: 448.

Abstract: The fourth cycle of the NSOPF is being conducted in response to a continuing need for data on faculty and instructors. The study will provide information about faculty in postsecondary institutions, which is key to learning about the quality of education and research in these institutions. This study will expand the information about faculty and instructional staff in two ways: allowing comparisons to be made over time and examining critical issues surrounding faculty that have developed since the first three studies. This clearance request covers field test and full scale activities for the first phase of the study—collection of lists of current faculty and instructors from sampled postsecondary institutions and a questionnaire to be completed by institution administrative officials to provide information about the context of the institution, such as hiring and promotion practices, policies on benefits, tenure, workload, etc. A second clearance request will be submitted shortly covering the faculty survey materials.

Requests for copies of the proposed information collection request may be accessed from <http://edicsweb.ed.gov>, or should be addressed to Vivian Reese, Department of Education, 400 Maryland Avenue, SW, Room 4050, Regional Office Building 3, Washington, DC 20202-4651.
