(3) Quality of the Project Evaluation (30 Points)

In determining the quality of the evaluation, the following factor is considered: The extent to which the methods of evaluation include the use of objective performance measures that are clearly related to the intended outcomes of the project and will produce quantitative and qualitative data to the extent possible.

Waiver of Proposed Rulemaking

Under the Administrative Procedure Act (5 U.S.C. 553), the Department generally offers interested parties the opportunity to comment on a proposed priority and selection criteria. Section 437(d)(1) of the General Education Provision Act, however, exempts from this requirement rules that apply to the first competition under a new or substantially revised program. This is the first competition under the Grants to Reduce Alcohol Abuse program. These requirements will apply to the FY 2002 grant competition only.

Pilot Project for Electronic Submission of Applications

In FY 2002, the U.S. Department of Education is continuing to expand its pilot project of electronic submission of applications to include additional formula grant programs and additional discretionary grant competitions. The Grants to Reduce Alcohol Abuse

program is one of the programs included in the pilot project. If you are an applicant under this grant competition, you may submit your application in either electronic or paper format.

The pilot project involves the use of the Electronic Grant Application System (e-APPLICATION, formerly e-GAPS) portion of the Grant Administration and Payment System (GAPS). We request your participation in this pilot project. We will continue to evaluate its success and solicit suggestions for improvement.

If you participate in this e-APPLICATION pilot, please note the following:

- Your participation is voluntary.
- You will not receive any additional point value or penalty because you submit a grant application in electronic or paper format.
- You can submit all documents electronically, including the Application for Federal Assistance (ED 424), Budget Information—Non-Construction Programs, (ED 524), and all necessary assurances and certifications.
- Within three working days of submitting your electronic application, fax a signed copy of the Application for Federal Assistance (ED 424) to the Application Control Center after following these steps:

1. Print ED 424 from the e-Application system.
2. Make sure that the institution's Authorized Representative signs this form.
3. Before faxing this form, submit your electronic application via the e-APPLICATION system. You will receive an automatic acknowledgement, which will include a PR/Award number (an identifying number unique to your application).

4. Place the PR/Award number in the upper right corner of the ED 424.

5. Fax ED 424 to the Application Control Center at (202) 260-1349.

We may request that you give us original signatures on all other forms at a later date.

You may access the electronic application for Grants to Reduce Alcohol Abuse Program at: <http://e-grants.ed.gov>.

We have included additional information about the e-APPLICATION pilot project (see Parity Guidelines between Paper and Electronic Applications) in the application package.
