

provisions standardize the type and print options which must be used when filing pleadings and other papers with the Court. Minor conforming amendments will be required to change existing titles of Rules 24 and 37 and to change the existing reference to current Rule 24(c) in Rule 21(b). A new reference has been added to Rule 24(a) to alert a practitioner to the consolidated provisions of Rule 37.

2. Use of Classified Information

The purpose of the proposal to move subsection (d) ("Classified Information") from Rule 24 to new Rule 35A ("Use of Classified Information") is to place this unique rule provision in a separate rule and locate it in a section of the Court's Rules of Practice and Procedure to which it more logically relates, namely, "PRACTICE BEFORE THE COURT." The substance of this rule remains unchanged. Minor conforming amendments will be required to change the existing title of Rule 24 and to change existing references to current Rule 24(d) in Rules 9(c), 12(b), and 21(b).

3. Petition for Reconsideration

The purpose of this amendment to Rule 31(d) is to make it clear that reconsideration may only be granted if a majority of those judges who participated in the original decision vote to grant reconsideration. For this purpose, all judges who voted, including those who dissented or concurred, shall be deemed to have participated in the original decision.

Type of Review: Revision.

Title: Infants and Toddlers with Disabilities Program (Part C) of the Individuals with Disabilities Education Act (IDEA).

Abstract: States are required to submit an application to receive funds. An approved application remains in effect until modifications are needed resulting from a change in policy, procedures, or assurances. The Secretary may require a change if: amendments to the Act or regulations; new interpretations to the Act by Federal court or State's highest court; or an official finding of noncompliance with Federal law or regulations is made.

Additional Information: The emergency clearance is necessary in order to comply with 34 CFR 76.703 which requires that the Department allow States as much time to complete the application as the Department takes to review and approve the document, prior to the date funds are available for obligation, which is July 1, 1998. If this Office obtains approval for this application package on February 18, 1998, we can forward the approved application to States by March 1, 1998. States must prepare the application, and make it available to the public for the required 60-day public comment period. This Office then has 60 days to review, seek any necessary revisions, and approve the applications. Following this general time line, we will be able to have approved applications by July 1, 1998. However, if this emergency request is not approved, we will not be able to make program funds available to States on July 1.

Frequency: Annually.

Affected Public: Federal Government; State, Local or Tribal Gov't, SEAs or LEAs.

Annual Reporting and Recordkeeping Hour Burden:

Responses: 56.

Burden Hours: 840.
