--------------------------------	----------------------	-------------------------------------------------	-------------------------------------------------------

¹ **NOTE TO TRUST COUNSEL:** No Pooling REMIC Subaccount is created for the Pooling REMIC Residual Interest.

To the extent possible, a separate Pooling REMIC Subaccount should be created for each Class of Regular Securities. In that case, the initial principal balance and interest rate of the Pooling REMIC Subaccount will equal the Original Class Principal Balance and Interest Rate of the corresponding Class.

Do not create, however, a separate Subaccount for a Class that receives a strip from certain other Classes (as opposed to a strip from the entire pool of collateral). Instead, list the stripped Class as a second “corresponding Class” to the Subaccount for each of those other Classes. For example, assume that Class J, a Notional Class, receives interest otherwise allocable to Classes A and B. You will need to create a Pooling REMIC Subaccount to correspond to Classes A and J, and a second Pooling REMIC Subaccount to correspond to Classes B and J.

There is no need to lump together an Accrual Class and the related Accretion Directed Classes into one Pooling REMIC Subaccount. Create a separate Pooling REMIC Subaccount for each Accrual Class and

FORM OF WAIVER AGREEMENT FOR MULTIFAMILY TRANSACTIONS WITH TRUST ASSETS THAT INCLUDE CONSTRUCTION LOAN CERTIFICATES

[Sponsor Letterhead]

[], 20[]

To the Ginnie Mae Issuer identified on
Schedule I hereto (the "Ginnie Mae CLC Issuer")

With respect to Ginnie Mae Construction Loan Certificates issued on or prior to December 31, 2002, Chapter 32 of the Ginnie Mae Mortgage-Backed Securities Guide 5500.3, as amended (the "MBS Guide") requires that the record holders of all related Ginnie Mae Construction Loan Certificates consent to any request of the related Ginnie Mae Issuer to extend the applicable Maturity Date. With respect to Ginnie Mae Construction Loan Certificates issued after December 31, 2002, the MBS Guide requires that the contracted security purchaser, the entity bound under contract with the related Ginnie Mae Issuer to purchase all of the Ginnie Mae Construction Loan Certificates related to a specific property, consent to any request of the related Ginnie Mae Issuer to extend the applicable Maturity Date. These consent requirements restrict the use of Ginnie Mae Construction Loan Certificates as Trust Assets in Government National Mortgage Association ("Ginnie Mae") multiclass securities transactions. For the purpose of ensuring the efficient commencement and continued operation of the Ginnie Mae Multiclass Securities Program as it relates to Ginnie Mae Construction Loan Certificates and in consideration of Ginnie Mae's guaranty of the Ginnie Mae REMIC Securities to be issued pursuant to the trust agreement relating to the Ginnie Mae REMIC Trust []-[] dated as of [], 20[] (such trust, the "Trust" and such trust agreement, the "Trust Agreement"), [] ("[]"), in its capacity as record holder or contracted security purchaser, as applicable, of (x) the Ginnie Mae Construction Loan Certificates identified on Schedule I hereto and each related Ginnie Mae Construction Loan Certificate, if any, outstanding as of the date hereof (the "Outstanding CLCs") and (y) any Ginnie Mae Construction Loan Certificate related to any Outstanding CLC that may be issued in the future (the "Future CLCs," together with the Outstanding CLCs, the "Ginnie Mae CLCs"), waives its right and the right of all future holders of each Ginnie Mae CLC, including [] as Trustee, (the "REMIC Trustee") and the assignee of [] right in certain of the Outstanding CLCs, to withhold consent to any request that may be made by the Ginnie Mae CLC Issuer, in its capacity as the issuer of the related Ginnie Mae CLCs, to extend the applicable Maturity Date of any such Ginnie Mae CLCs (provided that, the length of any such extension, together with all previously granted extensions in respect of the applicable Ginnie Mae CLCs, may not exceed the term of the underlying Mortgage Loan insured by the Federal Housing Administration). The waiver and the agreements contained herein shall bind and inure to the benefit of [] and the REMIC Trustee, as an assignee of [], and their successors and assigns, and shall inure to the benefit of Ginnie Mae and the Trust.

[] hereby agrees to notify the REMIC Trustee of the foregoing waiver and to take any further action as may be reasonably requested by the Ginnie Mae CLC Issuer or Ginnie Mae to give effect to the foregoing waiver.

Nothing contained herein shall be deemed or construed to constrain or otherwise limit any rights Ginnie Mae may have to deny a request for the extension of the Maturity Date of any Ginnie Mae CLC for any reason (other than the failure of the Ginnie Mae CLC Issuer to obtain the consent of the contracted security purchaser or the record holders, as the case may be, of the applicable Ginnie Mae CLCs for any extension within the scope of this waiver).

Nothing contained herein shall be deemed or construed to relieve the Ginnie Mae CLC Issuer of its obligation to pay [] any extension fee that may become payable under the Trade Confirmation between the Ginnie Mae CLC Issuer and [] with respect to the related Outstanding CLCs (and any Future CLCs) set forth on Schedule I.

In the event the Ginnie Mae CLC Issuer requests an extension of the Maturity Date of any related Ginnie Mae CLCs, the Ginnie Mae CLC Issuer may submit this waiver to Ginnie Mae in lieu of any document evidencing the consent of the contracted security purchaser or the record holders, as the case may be, of the Ginnie Mae CLCs to any such extension request.

This agreement shall be governed by and construed in accordance with the laws of the United States of America. Insofar as there may be no applicable law of the United States, the internal laws of the State of New York (without giving regard to conflict of laws principles) shall be deemed reflective of the laws of the United States of America, insofar as to do so would not frustrate the purposes of any provision of the Trust Agreement or the transactions governed thereby.

Capitalized terms used herein and not otherwise defined shall have the meaning assigned thereto in Appendix II to the Ginnie Mae Multifamily Base Offering Circular dated as of [].

Please do not hesitate to contact [] at [] at [] if you have any questions regarding this matter.

Respectfully yours,

[]

STANDARD TRUST PROVISIONS FOR REMIC TRUSTS

THESE STANDARD TRUST PROVISIONS FOR REMIC TRUSTS are to be incorporated by reference in each Trust Agreement entered into by and between a Sponsor and a Trustee in connection with each Series of Ginnie Mae REMIC Securities and shall apply to each Series of Ginnie Mae REMIC Securities except as otherwise provided in such Trust Agreement. Capitalized terms used and not otherwise defined herein shall have the meanings set forth in the related Trust Agreement and the Glossary of the Ginnie Mae Multiclass Securities Guide in effect as of the date of the Trust Agreement.

ARTICLE I

ESTABLISHMENT OF TRUST

Section 1.01. Establishment of Trust.

As of the Closing Date, the Sponsor will establish the Trust by depositing the Trust Assets identified in the related Trust Agreement with the Trust, and the Trust will issue the Securities, representing the entire beneficial ownership interest in the Trust, to the Sponsor as consideration for the Trust Assets.

Section 1.02. Sale of Trust Assets.

The deposit of Trust Assets by a Sponsor to a Trust pursuant to the related Trust Agreement shall occur upon the Closing Date for such Series and shall constitute a sale, assignment, transfer and conveyance by the Sponsor to the Trust of all right, title and interest in such Trust Assets as of the first day of the month of the Closing Date, notwithstanding any provision of federal or state law to the contrary.

Section 1.03. Designation of REMIC Assets.

(a) **Single REMIC Series.** In the case of a Single REMIC Series (other than a Single REMIC Series issued in conjunction with a Double REMIC Series) in respect of a single Trust REMIC, the assets of the Trust REMIC will consist of the Trust Assets acquired from the Sponsor, the Segregated Portion of each Trust REMIC Account corresponding to the related Trust REMIC, and amounts held in such Segregated Portion of such Trust REMIC Accounts from time to time in accordance with Article 3 hereof. In the case of a Single REMIC Series consisting of two or more side-by-side Trust REMICs or a Single REMIC Series issued in conjunction with a Double REMIC Series, the assets of each Trust REMIC (having the numerical or other designation specified in the Trust Agreement) shall consist of a portion of the Trust Assets corresponding to the Trust Asset Groups specified in the Trust Agreement as assets of such Trust REMIC, the Segregated Portion of each of the Trust REMIC Accounts established in accordance with the Trust Agreement and corresponding to the related Trust REMIC, and amounts held in such Segregated Portions of such Trust REMIC Accounts from time to time in accordance with Article 3 hereof.

(b) Double REMIC Series. In the case of a Double REMIC Series in respect of a single Pooling REMIC, the assets of the Pooling REMIC will consist of the Trust Assets acquired from the Sponsor (or, in the case of a Double REMIC Series in respect of a single Pooling REMIC issued in conjunction with a Single REMIC Series, a portion of the Trust Assets corresponding to the Trust Asset Groups specified in the Trust Agreement as assets of the Pooling REMIC), the Pooling Portion of each Trust REMIC Account relating to such Pooling REMIC (such Pooling Portions thereof, the “Pooling REMIC Trust Accounts”), and amounts held in such Pooling REMIC Trust Accounts from time to time in accordance with Article 3 hereof. In the case of a Double REMIC Series in respect of two or more Pooling REMICs (whether in respect of one or more Issuing REMICs, each such Pooling REMIC and Issuing REMIC having a numerical or other designation as specified in the Trust Agreement), the assets of each such Pooling REMIC (having a numerical or other designation as specified in the Trust Agreement) shall consist of a portion of the Trust Assets corresponding to the Trust Asset Groups specified in the Trust Agreement as assets of such Pooling REMIC, the Pooling REMIC Trust Accounts relating to such Pooling REMIC and amounts held in such Pooling REMIC Trust Accounts from time to time in accordance with Article 3 hereof. The assets of each Issuing REMIC (having a numerical or other designation as specified in the Trust Agreement) will consist of the Pooling REMIC Subaccounts that represent regular interests in each Pooling REMIC related to such Issuing REMIC, as specified in the Trust Agreement, the Issuing Portion of each Trust REMIC Account relating to such Issuing REMIC (such Issuing Portions of such Trust REMIC Accounts, the “Issuing REMIC Trust Accounts”), and amounts held in such Issuing REMIC Trust Accounts and Pooling REMIC Subaccounts from time to time in accordance with Article 3 hereof.

Section 1.04. Registration of Trust Assets.

Each Trust Asset included in each Trust will be registered in the name of the Book-Entry Depository or the applicable Trust Asset Depository, as the case may be, or the applicable Depository’s nominee(s), for the benefit of the Trustee. The books and records of each Depository will reflect the Trustee as registered holder of the related Trust Assets, and the books and records of the Trustee will reflect that it holds the Trust Assets as Trustee of the related Trust for the benefit of the Holders of the Securities of that Trust.

Section 1.05. Delivery of Securities.

Simultaneously with the execution and delivery of the Trust Agreement, the Trustee shall deliver to the Sponsor the Securities.

Section 1.06. Board Approval of Trust Agreement.

Prior to the execution of the Trust Agreement and the establishment of the Trust, the Trustee’s board of directors, its duly appointed loan committee, duly authorized officers, or duly appointed trust committee, as the case may be, shall approve the Trust Agreement in accordance with the Trustee’s organizational documents and any applicable state or federal regulation, including, to the extent applicable, and without limitation 12 C.F.R. §§ 9.7 and 550.5, each as

amended from time to time, and such approval shall be reflected in the minutes of the Trustee's board or committee. The Trustee shall maintain the Trust Agreement as an official record of the Trustee from the time the Trust Agreement is executed.

ARTICLE II

THE SECURITIES

Section 2.01. The Securities.

(a) Securities. The Securities shall be designated in the Trust Agreement. The Securities, in the aggregate, represent the entire beneficial ownership in the Trust. The Certificated Securities shall be issued substantially in the forms of Exhibits 2 through 6 hereto and shall be executed and authenticated by the Trustee on behalf of the Trust. The terms of the Uncertificated Securities and the Book-Entry Securities are set forth herein and in the related Trust Agreement. The Book-Entry Securities to be issued as of the Closing Date are set forth on the Issuance Statement attached as Exhibit 1 to the Trust Agreement.

(b) Forms and Denominations of Securities.

(i) Unless otherwise specified in the Trust Agreement, all Regular Securities (other than Uncertificated Securities) shall be Book-Entry Securities, registered in the name of the Book-Entry Depository or its nominee. Regular Securities (except Uncertificated Securities and Securities that represent interests in Increased Minimum Denomination Classes) shall be issuable in minimum denominations representing initial principal balances or initial notional balances of \$1,000 and integral multiples of \$1 in excess of \$1,000. Increased Minimum Denomination Classes, if any, shall be issuable in minimum denominations as provided in the related Trust Agreement. Uncertificated Securities of any Class shall be issued as a single interest representing the entire Original Class Principal Balance (or original Class Notional Balance) of such Class. Notwithstanding the foregoing, for each Class of Book-Entry Securities, one Security may be issued in a different name and denomination, as the Sponsor shall instruct in writing, as necessary to represent the remainder of the Original Class Principal Balance of such Class.

(ii) After the initial issuance to the Book-Entry Depository or its nominee of a Book-Entry Security backed by Trust Assets, any Beneficial Owner may request a Certificated Security registered in its name for a fee of \$25,000 (which fee, less the Trustee's expenses in complying with the request, will be payable to Ginnie Mae) per physical certificate requested. Any such request for a Certificated Security shall be made through the standard procedures of the Book-Entry Depository and any other financial intermediary through which the Beneficial Owner holds its Book-Entry Security. Any such Certificated Security shall be issued substantially in the form attached hereto as Exhibit 2.

(iii) At any time and in accordance with the procedures of the Book-Entry Depository, the Holder of a Certificated Security (other than a Residual Security) may surrender such Certificated Security to the Trustee and become the Beneficial Owner of a Book-Entry Security of like tenor and denomination.

(iv) Unless otherwise specified in the Trust Agreement, the Residual Securities shall be issuable in minimum Percentage Interests of ten percent and integral multiples thereof in accordance with the Sponsor's written instruction and upon the furnishing to the Trustee of completed Internal Revenue Service Forms W-8ECI or W-9 (or applicable successor forms) with respect thereto.

(c) Method of Distribution. Distributions on the Securities shall be made by the Trustee on each Distribution Date (or, with respect to Certificated Securities, the Business Day following each Distribution Date) to each Holder as of the related Record Date. Subject to Section 8.04, distributions on the Book-Entry Securities shall be made through the facilities of the Book-Entry Depository pursuant to instructions provided by the Trustee and/or the Information Agent. Distributions on any Certificated Security shall be made (i) by check mailed to the Holder thereof at its address reflected in the Register as of the related Record Date or (ii) upon receipt by the Trustee of a written request of a Holder accompanied by the appropriate wiring instructions at least five Business Days prior to a Record Date, by wire transfer of immediately available funds on the Business Day following the related and each subsequent Distribution Date, to the account of such Holder, if such Holder holds Regular Securities having aggregate initial principal balances of at least \$5,000,000. Notwithstanding the foregoing, the final distribution in retirement of any Certificated Security will be made only upon presentation and surrender of the certificate at the Corporate Trust Office. In the event of a principal or interest payment error, the Trustee shall, pursuant to Ginnie Mae's instructions, effect corrections by the adjustment of payments to be made on future Distribution Dates.

(d) Authorization, Execution, Authentication and Delivery of Securities. Certificated Securities shall be executed by manual or facsimile signature by an authorized officer of the Trustee, on behalf of the Trust, under the Trustee's seal imprinted thereon (which may be a facsimile). Securities bearing the manual or facsimile signatures of individuals who were at any time authorized officers of the Trustee shall bind the Trustee, notwithstanding that such individuals or any of them have ceased to hold such offices prior to the authentication and delivery of such Securities or did not hold such offices at the date of such Securities. No Certificated Security shall represent entitlement to any benefit under the related Trust Agreement, or be valid for any purpose, unless there appears on such Security a certificate of authentication substantially in the form provided for herein, executed by the Trustee by manual signature, and such certificate of authentication upon any Security shall be conclusive evidence, and the only evidence, that such Security has been duly authenticated and delivered hereunder. All Certificated Securities shall be dated the date of their authentication, except that Securities issued on the Closing Date shall be dated as of the Closing Date. Uncertificated Securities and Book-Entry Securities shall be dated as of the date of their issuance.

The manual execution of the Trust Agreement by an authorized officer of each of the Trustee and the Sponsor shall be conclusive evidence that the Book-Entry Securities and the Uncertificated Securities have been duly and validly authorized and validly issued by the Trustee and are entitled to the benefits of the Trust Agreement.

Delivery of Book-Entry Securities and Uncertificated Securities occurs when the Registrar registers the transferee as the registered owner of such Security. The Book-Entry Securities to be issued at closing shall be identified on an Issuance Statement attached as Exhibit 1 to the Trust Agreement prepared by the Sponsor and delivered to the Trustee. On the Closing Date, the Registrar shall register the Book-Entry Depository as the registered owner of the Book-Entry Securities.

Upon execution and delivery of the Guaranty Agreement with respect to each Trust, Ginnie Mae authorizes the issuance of the Securities, each of which is entitled to the benefits of the following Ginnie Mae Guaranty. Each Certificated Security shall bear language substantially to the following effect:

GUARANTY: THE GOVERNMENT NATIONAL MORTGAGE ASSOCIATION, PURSUANT TO SECTION 306(g) OF THE NATIONAL HOUSING ACT, GUARANTEES THE TIMELY PAYMENT OF PRINCIPAL AND INTEREST ON THIS SECURITY IN ACCORDANCE WITH THE TERMS AND CONDITIONS SET FORTH HEREIN AND IN THE RELATED TRUST AGREEMENT. THE FULL FAITH AND CREDIT OF THE UNITED STATES OF AMERICA IS PLEDGED TO THE PAYMENT OF ALL AMOUNTS THAT MAY BE REQUIRED TO BE PAID UNDER THIS GUARANTY.

If the Trust Assets related to a Security consist of Ginnie Mae Multifamily Certificates, then the following sentence shall be added to the foregoing legend on such Certificated Security:

THE GOVERNMENT NATIONAL MORTGAGE ASSOCIATION DOES NOT GUARANTEE PAYMENTS OF PREPAYMENT PENALTIES ON THIS SECURITY.

Section 2.02. Registration of Transfer and Exchange of Securities.

The Trustee shall keep one or more offices or agencies at which, subject to such reasonable regulations as it may prescribe, the Trustee or another Person designated by the Trustee and approved by Ginnie Mae shall be the Registrar and shall maintain a Register and provide for the registration, transfer and exchange of Securities as herein provided.

Unless otherwise provided in the related Trust Agreement, the Trustee agrees that it shall hold any Pooling REMIC Regular Interests on behalf of the related Issuing REMIC, as provided in the Trust Agreement.

Upon surrender for registration of transfer of any Certificated Security at the office of the Trustee maintained for such purpose and upon satisfaction of the conditions set forth below in this Section 2.02 and, in the case of a Residual Security, Section 2.04, the Trustee shall promptly execute, authenticate and deliver, in the name of the designated transferee or transferees, one or more new Securities of a like Class, tenor and aggregate Percentage Interest.

At the option of the Holders, Certificated Securities may be exchanged for other Securities of authorized denominations or Percentage Interests of like tenor and of a like aggregate denomination or Percentage Interest, upon surrender of the Securities to be exchanged at the office maintained for such purpose. Whenever any Certificated Securities are surrendered for exchange the Trustee shall execute, authenticate and deliver the Securities that the Holder making the exchange is entitled to receive. Every Certificated Security presented or surrendered for transfer or exchange shall be duly endorsed (if so required by the Trustee) by, or be accompanied by a written instrument of transfer in form satisfactory to the Trustee duly executed by, the holder thereof or his attorney duly authorized in writing.

The Trustee may assess an appropriate service charge for any exchange or transfer of any Certificated Security. No service charge shall be made for any transfer or exchange of any Residual Securities. The Trustee may require payment of a sum sufficient to cover any tax or governmental charge that may be imposed in connection with any transfer or exchange of any Certificated Security. The Trustee shall cancel and destroy all Certificated Securities surrendered for transfer and exchange according to its standard procedures.

Section 2.03. Mutilated, Destroyed, Lost or Stolen Securities.

If (a) any mutilated Certificated Security is surrendered to the Trustee, or the Trustee receives evidence to its satisfaction of the destruction, loss or theft of any Certificated Security, and (b) there is delivered to the Trustee such security or indemnity as may be required by it to save it harmless, then, in the absence of notice to the Trustee that such security has been acquired by a *bona fide* purchaser, the Trustee shall promptly execute, authenticate and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost or stolen Certificated Security, a new Certificated Security of like tenor, Class and Percentage Interest. Upon the issuance of any new Certificated Security under this Section, the Trustee may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee and its counsel) connected therewith. Any duplicate Certificated Security issued pursuant to this Section shall constitute complete and indefeasible evidence of ownership in the Trust and the related Trust REMIC, as if originally issued, regardless of whether the lost, stolen or destroyed Certificated Security shall be found at any time.

Section 2.04. Special Transfer Restrictions Relating to Residual Interests.

(a) No Ownership Interest may be transferred without the express written consent of the Trustee. As a condition to that consent, any transferee (including the initial purchaser) of an Ownership Interest must provide the Trustee with a properly completed Transfer Affidavit,

substantially in the form attached as Exhibit 1, in which the proposed transferee must represent and warrant, among other things, that (i) it agrees that the Trustee can execute all instruments of transfer and do all other things necessary in connection with any transfer of an Ownership Interest, (ii) it is a U.S. Person, (iii) it is not a Disqualified Organization, (iv) it is not acquiring the Ownership Interest as a nominee, trustee or agent for any Person that is not a U.S. Person or that is a Disqualified Organization, (v) it is not a Plan Investor, (vi) it agrees to immediately notify the Trustee if it becomes aware that any representation and warranty made by it in the Transfer Affidavit will or has become false, (vii) it agrees to be bound by, and that its rights as owner of a Residual Interest are expressly subject to, the special transfer restrictions relating to Residual Interests in this Section 2.04, and (viii) it agrees to not transfer or cause the transfer of its Ownership Interest to any Person if such Person does not supply the Trustee with a properly completed Transfer Affidavit or if it has actual knowledge that the Transfer Affidavit supplied by such Person is false. In the case of a transfer of an Ownership Interest on the Closing Date, the Trustee's signature on the Trust Agreement shall constitute consent to such transfer.

(b) Notwithstanding the provision of a Transfer Affidavit by a proposed Transferee, the Trustee may withhold its consent to a transfer under the following circumstances: (i) to avoid a risk of disqualification of a Trust REMIC as a REMIC or the imposition of a tax upon a Trust REMIC, (ii) if less than all of the Transferor's Ownership Interest would be transferred and the transferred interest can not be expressed as a single constant percentage of the Transferor's Ownership Interest or (iii) if the Trustee knows or has reason to believe that a Transfer Affidavit is false.

(c) Any attempted or purported Transfer in violation of the provisions of this Section 2.04 shall be absolutely null and void, shall vest no rights in the Nonpermitted Transferee, and shall not be recognized by the Trustee. Upon receipt of written notice by a Responsible Officer of the Trustee of registration of Transfer of an Ownership Interest to a Nonpermitted Transferee, such Transfer shall be considered absolutely null and void, and the Trustee shall restore the last preceding Permitted Transferee of such Ownership Interest to all rights as owner thereof retroactive to the date of registration of the Transfer to the Nonpermitted Transferee.

(d) The Trustee shall be under no liability to any Person for (i) registration of a Transfer of an Ownership Interest to a Nonpermitted Transferee that the Trustee did not know was a Nonpermitted Transferee, (ii) making any distributions due on an Ownership Interest to such a Nonpermitted Transferee, or (iii) taking any other action with respect to a Nonpermitted Transferee under the provisions of the related Trust Agreement. The Trustee shall be entitled but not obligated to recover from a Nonpermitted Transferee of an Ownership Interest all distributions made on such Interest at or after the time of the Transfer of such Interest to such Nonpermitted Transferee. Any such payments so recovered by the Trustee shall be paid and delivered by the Trustee to the last preceding Permitted Transferee of such Ownership Interest, subject to the Trustee's right to withhold any amounts from such payments.

(e) If a tax or a reporting cost is borne by any Trust REMIC as a result of the transfer of an Ownership Interest to a Nonpermitted Transferee, the Trustee may pay such tax or

reporting cost with amounts that otherwise would have been paid to such Nonpermitted Transferee. In that event, neither the Nonpermitted Transferee nor the transferor shall have any right to seek repayment of such amounts from the Trustee, Ginnie Mae, the Sponsor, the Tax Administrator, or the other Holders.

(f) The Trustee as Tax Administrator, or its designated agent, shall make available to the Internal Revenue Service and to the persons specified in Section 860E(e)(3) of the Code the information necessary for the application of Section 860E(e) of the Code. The Trustee as Tax Administrator, or its designated agent, may charge such persons a reasonable amount for doing so, but must do so whether or not actually paid.

Section 2.05. Residual Interest Securities.

(a) Single REMIC Series. With respect to a Single REMIC Series in respect of a single Trust REMIC, the Trust will issue a single Class of Residual Securities that will represent the Residual Interest in such Trust REMIC (substantially in the form of Exhibit 3 hereto) or with respect to a Trust that establishes two or more single-tiered Trust REMICs, the Trust will issue either (i) a single Class of Residual Securities that will represent the Residual Interest in each such Trust REMIC, which will be issued substantially in the form of Exhibit 4 hereto or (ii) two or more Classes of Securities (corresponding to the number of Trust REMICs), each representing the Residual Interest in a separate Trust REMIC, which will be issued substantially in the form of Exhibit 3 hereto.

(b) Double REMIC Series. With respect to a Double REMIC Series in respect of one or more Issuing REMICs, the Trust will issue either (i) a single Class of Residual Securities for each Issuing REMIC and its related Pooling REMICs, which Class of Residual Securities will represent the Residual Interest in such Issuing REMIC and its related Pooling REMICs, which will be issued substantially in the form of Exhibit 4 hereto, or (ii) two or more Classes of Securities (corresponding to the number of Trust REMICs for such Trust), each representing the Residual Interest in a separate Trust REMIC, which will be issued, in the case of a Residual Interest in a Pooling REMIC, substantially in the form of Exhibit 5 hereto, and in the case of a Residual Interest in an Issuing REMIC, substantially in the form of Exhibit 6 hereto.

(c) Each Holder of a Class RR Security (whether or not having a numerical or other designation as specified in the Trust Agreement) will be entitled to separate such Security into its component parts. Upon receipt of a Class RR Security and a written request from the Holder thereof to separate such Security into its component parts, the Trustee shall (i) in the case of single-tiered side-by-side Trust REMICs, issue to such registered Holder in exchange for such Class RR Security, separately transferable, certificated and fully registered securities substantially in the form of Exhibit 3 hereto (each, a “Class R Security”) that will, from the date of issuance, represent the Holder’s Percentage Interest in the Residual Interest in each Trust REMIC, (ii) in the case of a Double REMIC Series, issue to such registered Holder in exchange for such Class RR Security (a) separately transferable, certificated and fully registered securities substantially in the form of Exhibit 5 hereto (each, a “Class RP Security”) that will, from the date of issuance, represent the Holder’s Percentage Interest in the Residual Interest in each related

Pooling REMIC and (b) a separately transferable, certificated and fully registered security substantially in the form of Exhibit 6 hereto (a “Class RI Security”) that will, from the date of its issuance, represent the Holder’s Percentage Interest in the Residual Interest in the related Issuing REMIC, (iii) if requested by and at the expense of the Holder, obtain CUSIP Numbers for the Class R, Class RP and Class RI Securities and (iv) make any allocations and distributions with respect to such newly issued Securities as set forth in the related Trust Agreement.

Section 2.06. Voting Rights.

With respect to each Series, unless otherwise provided in the related Trust Agreement, if any Class of Securities in the Series does not have a Class Principal Balance or has an Original Class Principal Balance that is less than or equal to 1% of the aggregate Original Class Principal Balance of all the Securities, then 1% of the Voting Rights for that Series shall be allocated to such Class, and the balance of the Voting Rights shall be allocated among the remaining Classes of Securities in that Series in proportion to their respective Class Principal Balances following the most recent Distribution Date. Voting Rights allocated to each Class of Securities shall be allocated in proportion to the respective Percentage Interests of the Holders thereof.

ARTICLE III

DISTRIBUTIONS ON THE SECURITIES

Section 3.01. Establishment of Accounts.

(a) Depository Accounts. The Trustee shall maintain a Book-Entry Depository Account with the Book-Entry Depository and, if any Underlying Certificates are held through book-entry facilities other than the Book-Entry Depository, a Trust Asset Depository Account at each applicable Trust Asset Depository. With respect to each Trust, the Trustee shall account for all funds in, all deposits to and all withdrawals from the Book-Entry Depository Account separately and on a Trust-by-Trust basis and, further, on a Trust REMIC-by-Trust REMIC basis, clearly identifying the Segregated Portions thereof. The Depository Accounts shall be credited with amounts as provided in Sections 3.03 and 3.04 hereof.

(b) Trustee ABA Account. The Trustee shall maintain a Trustee ABA Account, which account shall include subaccounts consisting of the Trustee Limited Purpose Account and the Trustee Issuer’s Account. With respect to each Trust, the Trustee shall account for all funds in, all deposits to and all withdrawals from the Trustee ABA Account separately and on a Trust-by-Trust basis, and further, on a Trust REMIC-by-Trust REMIC basis, clearly identifying the Segregated Portions thereof. The Trustee ABA Account shall be credited with amounts as provided in Section 3.03 hereof.

(c) Variance Account. With respect to each Trust, the Trustee shall establish and maintain a separate Variance Account, which will be an Eligible Account. Amounts will be credited to the Variance Account and withdrawals will be made from the Variance Account as specified herein. The Variance Account shall be an Outside Reserve Fund, the owner of which

solely for federal tax purposes (and not for any other purpose) will be Ginnie Mae. The depository records of the Trustee, or, as the case may be, the depository institution or trust company at which the Variance Account is to be established, shall reflect in respect of the Variance Account (i) that the Trustee, as depositor, is acting in a fiduciary capacity on behalf of the Holders of Securities in respect of the Trust, (ii) the names and respective interests of such Holders, and (iii) that such Holders may be acting in a fiduciary capacity for others. If the amounts on deposit in the Variance Account exceed \$100, the Trustee shall invest such amounts in Eligible Investments approved by Ginnie Mae; any investment earnings shall be for the account of and distributable to Ginnie Mae, unless otherwise allocated to make up for shortfalls as provided in Section 3.04(b) hereof.

(d) Collection Account. The Trustee will maintain an Eligible Account (the “Collection Account”) for the purposes provided in Section 3.03(a). With respect to each Trust, the Trustee shall account for all funds in, all deposits to and all withdrawals from the Collection Account separately and on a Trust-by-Trust basis and, further, on a Trust REMIC-by-Trust REMIC basis, clearly identifying the Segregated Portions thereof. Amounts on deposit from time to time in the Collection Account may be invested in Eligible Investments. Any investment earnings on the Collection Account shall be retained by, and be for the account of, the Trustee as part of the Trustee Fee. Regardless whether the amounts deposited in the Collection Account are invested, to the extent amounts required to be deposited into the Trustee ABA Account pursuant to Section 3.03(a) are so deposited on each Ginnie Mae Certificate Payment Date, the Trustee shall pay to Ginnie Mae from its own funds the Ginnie Mae Interest Amount as of each Distribution Date. The depository records of the Trustee, or, as the case may be, the depository institution or trust company at which the Collection Account is to be established, shall reflect in respect of the Collection Account (i) that the Trustee, as depositor, is acting in a fiduciary capacity on behalf of the Holders of Securities in respect of the Trust and Ginnie Mae, (ii) the names and respective interests of such Holders and Ginnie Mae, and (iii) that such Holders may be acting in a fiduciary capacity for others.

(e) Board Approval. Prior to the establishment of any Trust Account, the Trustee’s board of directors, its duly appointed loan committee, duly appointed trust committee or duly authorized officers, as the case may be, or, as the case may be, the Trustee’s board of directors, its duly appointed loan committee, duly authorized officers, or duly appointed trust committee, as the case may be, of the depository institution or trust company at which such Trust Account is to be established, shall approve the establishment of such Trust Account in accordance with the organizational documents of such institution and any applicable state or federal regulation, including, to the extent applicable, and without limitation 12 C.F.R. §§ 9.7 and 550.5, each as amended from time to time, and such approval shall be reflected in the minutes of such board or committee, as applicable. The Trustee, or, as the case may be, the depository institution or trust company at which any Trust Account is to be established, shall maintain the Trust Agreement as an official record from the time of its execution.

(f) Segregated Portions. Each Trust REMIC Account required to be maintained in accordance with this Section 3.01 shall include, and where applicable a reference to such Trust

REMIC Account herein or in the related Trust Agreement shall be understood to be a reference to, a Segregated Portion of such Trust REMIC Account corresponding to each such Trust REMIC.

Section 3.02. Certificate and Class Factors.

(a) Certificate Factors for Trust Assets other than Ginnie Mae Multifamily Certificates. The Trustee shall use its reasonable best efforts to obtain the Certificate Factors for Trust MBS (other than any Ginnie Mae Multifamily Certificates) and Underlying Callable Securities (and the Underlying Certificate Factors for Underlying Certificates and Underlying SMBS Securities) on or before 11:00 a.m. Eastern time on the second Business Day preceding a Distribution Date (or, in the case of Ginnie Mae II Certificates, the third preceding Business Day), or such other date set forth in the related Trust Agreement. In the event any Underlying Certificate Factors for Underlying Certificates or Underlying SMBS Securities or Certificate Factors for Underlying Callable Securities and Ginnie Mae Platinum Certificates are not published or otherwise available as specified in the preceding sentence, the Trustee shall immediately notify the Information Agent and Ginnie Mae and follow the procedures set forth in Section 3.02(d).

(b) Calculated Certificate Factors for Trust Assets other than Ginnie Mae Multifamily and Ginnie Mae Platinum Certificates. With respect to any Trust MBS (other than Ginnie Mae Multifamily Certificates and Ginnie Mae Platinum Certificates) for which a Certificate Factor is not available by 1:00 p.m. Eastern time on the Certificate Factor Date, the Trustee shall determine the Calculated Certificate Factor for such Trust MBS.

(c) Certificate Factors, Calculated Certificate Factors and Corrected Certificate Factors for Ginnie Mae Multifamily Certificates. With respect to each Ginnie Mae Multifamily Certificate:

(i) The Trustee, in accordance with operational guidelines established by Ginnie Mae, will use its reasonable best efforts to do the following on or before 12:00 noon on the second Business Day preceding a Distribution Date: determine the related Certificate Factor, determine whether the Certificate Factor is correct in the case where the Certificate Factor indicates a significant payoff, determine the Corrected Certificate Factor if the Certificate Factor is incorrect and advise the Book-Entry Depository if the Trustee plans to use the Corrected Certificate Factor in following the procedures set forth in Section 3.02(e). If the Certificate Factor is correct, it will use the Certificate Factor in following the procedures for determining Class Factors set forth in Section 3.02(e).

(ii) If the Trustee cannot determine by 12:00 noon Eastern time on the second Business Day preceding a Distribution Date whether the related Certificate Factor is correct, the Trustee shall determine the Calculated Certificate Factor for such Ginnie Mae Multifamily Certificate and use the Calculated Certificate Factor in following the procedures for determining Class Factors set forth in Section 3.02(e).

(d) Unavailability of Certificate Factors for Underlying Certificate Factors. In the event that the Underlying Certificate Factor for any Underlying Certificate or Underlying SMBS Security (or Certificate Factor for any Ginnie Mae Platinum Certificate or Underlying Callable Security) has not been made available to the Trustee by 11:00 a.m. Eastern time on the second Business Day preceding a Distribution Date (or in the case of Ginnie Mae Platinum Certificates backed by Ginnie Mae II MBS Certificates, the third preceding Business Day), the Trustee shall assume for purposes hereof that such factors have not changed from the preceding Underlying Certificate Payment Date or Underlying SMBS Security Payment Date (or Certificate Factor Date). As a result, the Principal Distribution Amount in respect of any Underlying Certificate or Underlying SMBS Security (or Trust Asset constituting a Ginnie Mae Platinum Certificate or Underlying Callable Security) described in the preceding sentence shall be calculated on the basis of such assumed (i.e., unchanged) factors, with the effect that no amounts in respect of principal attributable to such Underlying Certificate or Underlying SMBS Security (or Ginnie Mae Platinum Certificate or Underlying Callable Security) shall be distributable on the related Securities on the related Distribution Date.

(e) Class Factors. Based on, as appropriate, Certificate Factors, Corrected Certificate Factors, if any, and Calculated Certificate Factors, if any, determined in accordance with Sections 3.02(a), (b), (c) and (d) above, the Trustee shall calculate the Class Factors, the Principal Distribution Amount, the Interest Distribution Amount and the Accrual Amount, if any, for the Distribution Date. In addition, based on the provisions of the Trust Agreement, the Trustee shall calculate the Interest Rate for each Class and the amount of principal and interest to be distributed to each Class on that Distribution Date. The Trustee shall report the Interest Rate and the Class Factor for each Class and any Calculated Certificate Factors and Corrected Certificate Factors (and other information as requested by Ginnie Mae from time to time) to the Information Agent no later than 6:00 p.m. Eastern time on the second Business Day preceding the Distribution Date; except that, in the case of Security Groups for which the related Trust Assets consist of Ginnie Mae II Certificates, the information described above shall be reported no later than 6:00 p.m. Eastern time on the third Business Day preceding the Distribution Date.

Section 3.03. Payments on the Trust Assets.

(a) Application of Payments. On each Ginnie Mae Certificate Payment Date, Underlying Certificate Payment Date and Underlying SMBS Security Payment Date, as applicable, (i) the Book-Entry Depository shall be entitled to all payments in respect of Trust Assets held through the facilities of the Book-Entry Depository and shall credit the Trustee ABA Account with all such amounts; and (ii) each Trust Asset Depository shall be entitled to all payments in respect of the remaining Trust Assets held through the facilities of such Trust Asset Depository and shall credit the related Trust Asset Depository Account with all such amounts. In each case, such amounts shall be held by the applicable depository in trust for the exclusive benefit of the Trustee as the holder of the Trust Assets. All amounts received in respect of Trust Assets and credited to the Trustee ABA Account and the Trust Asset Depository Account, if applicable, shall be withdrawn therefrom by the close of business on the date of receipt in such account and deposited into the Collection Account for retention until the next Distribution Date

for the related Securities; provided, however, if the Ginnie Mae Certificate Payment Date, Underlying Callable Security Payment Date, Underlying Certificate Payment Date or Underlying SMBS Security Payment Date coincides with the Distribution Date for the related Securities (i.e., such amounts will be received and distributed on the same day), then such amounts shall be immediately deposited into the Collection Account from the Trustee ABA Account and the Trust Asset Depository Account, if applicable, upon the receipt of such funds by the Trustee ABA Account and the Trust Asset Depository Account, if applicable, and the Trustee shall immediately wire transfer such amounts to the Book-Entry Depository Account for distribution pursuant to Sections 3.04(d) and (f) hereof. Except as otherwise provided in the proviso to the immediately preceding sentence, by no later than 9:00 a.m. Eastern time (or such other time that may be approved by Ginnie Mae) on such next Distribution Date for the related Securities, all amounts on deposit in the Collection Account that are identified as (i) distributable as principal, interest and related Prepayment Penalties, if any, in respect of Book-Entry Securities in respect of such Distribution Date shall be withdrawn therefrom and deposited into the Book-Entry Depository Account for distribution pursuant to Section 3.04(d) and (f); and (ii) distributable as principal, interest and related Prepayment Penalties, if any, in respect of Uncertificated Securities that are registered to the Trustee of the related MX Trust, if any, shall be withdrawn therefrom and deposited into the Book-Entry Depository Account for distribution pursuant to Sections 3.04(c) and 3.04(d) hereof. All remaining amounts on deposit in the Collection Account distributable as (a) principal, interest and related Prepayment Penalties, if any, in respect of Certificated Securities in respect of such Distribution Date, (b) Structural Excess and (c) Trustee Fee amounts and investment earnings, shall be withdrawn therefrom for application pursuant to Section 3.04(e), (f) and (i) and Section 3.06(c) hereof. In addition, no later than 10:00 a.m. Eastern time on such Distribution Date, amounts on deposit in the Collection Account in excess of the amounts set forth in the preceding sentence (“Collection Excess Amounts”) shall be withdrawn therefrom and shall be deposited in the Variance Account.

(b) [Reserved].

(c) Separate Application of Payments. The application of payments pursuant to Section 3.03(a) shall be made separately in respect of each Trust REMIC other than an Issuing REMIC. In the case of a Single REMIC Series in respect of a single Trust REMIC, each reference to a Trust REMIC Account shall be understood to refer to the Segregated Portion of such account corresponding to such Trust REMIC. In the case of a Series including side by side Trust REMICs or one or more Pooling REMICs or one or more Issuing REMICs, each reference to a Trust Account or Trust REMIC Account shall be understood to refer to the Segregated Portion of such account corresponding to each such Trust REMIC.

Section 3.04. Distributions on the Securities.

(a) Distribution Date Statement. No later than 2:00 p.m. Eastern time on the first Business Day following each Distribution Date, the Trustee shall provide to the Information Agent a Distribution Date Statement in such form as is approved by the Trustee and Ginnie Mae. Each Distribution Date Statement will specify (i) the Trustee Fee paid to the Trustee and the amounts of investment earnings or amounts held in the Collection Account, (ii) amounts

distributed on such Distribution Date as principal and interest on the Book-Entry Securities from amounts on deposit in the Book-Entry Depository Account, (iii) amounts distributed on such Distribution Date as Prepayment Penalties on the Book-Entry Securities from the Book-Entry Depository Account, such amounts to be determined pursuant to the receipt of a notice from the Ginnie Mae Issuer as to the Mortgagor's payment of any Prepayment Penalties, (iv) amounts distributed on such Distribution Date as principal and interest on the Certificated Securities from amounts on deposit in the Collection Account, (v) amounts distributed on such Distribution Date as Prepayment Penalties on the Certificated Securities from the Collection Account, such amounts to be determined pursuant to the receipt of a notice from the Ginnie Mae Issuer as to the Mortgagor's payment of any Prepayment Penalties, and (vi) the Ginnie Mae Interest Amount for the Distribution Date from the immediately preceding calendar month.

(b) Distribution Shortfall and Deposits from Ginnie Mae in respect of Guaranty. No later than 10:00 a.m. Eastern time on the Distribution Date, the Book-Entry Depository shall determine the amount, if any, by which (A) the amounts distributable as principal and interest on the Book-Entry Securities on such Distribution Date, exceed (B) the amounts on deposit in the Book-Entry Depository Account with respect to such Distribution Date (the "Depository Shortfall Amount"). The Book-Entry Depository immediately shall notify Ginnie Mae of the amount of such deficiency, and the account or accounts to which Ginnie Mae should transfer such amounts. In the event that there are sufficient amounts in the Variance Account to cover the Depository Shortfall Amount, the Trustee shall withdraw the Depository Shortfall Amount from the Variance Account and wire transfer such amount to the Book-Entry Depository Account no later than 10:01 a.m., and shall immediately inform Ginnie Mae of any such transfer. Not later than 10:00 a.m. Eastern time on the Business Day preceding each Distribution Date the Trustee shall determine the amount, if any, by which (A) the sum of (1) the amounts distributable as principal and interest on the Certificated Securities on such Distribution Date and (2) the Trustee Fee payable on such Distribution Date exceeds (B) the positive amount, if any, by which (1) the amounts received on the Trust Assets on the related Ginnie Mae Certificate Payment Date, Underlying Certificate Payment Date and Underlying SMBS Security Payment Date and excluding Prepayment Penalties exceed (2) the amounts distributable as principal and interest on the Book-Entry Securities on such Distribution Date (the "Certificated Shortfall Amount" and, together with the Depository Shortfall Amount, the "Distribution Shortfall Amount"). If the Certificated Shortfall Amount is greater than the amounts remaining on deposit in the Variance Account as of such Distribution Date, the Trustee immediately shall notify Ginnie Mae of the amount of such deficiency, and the account or accounts to which Ginnie Mae should transfer such amounts. In the event that there are sufficient funds in the Variance Account to cover the Certificated Shortfall Amount, the Trustee shall withdraw the Certificated Shortfall Amount from the Variance Account and transfer such amount to the Collection Account and shall notify Ginnie Mae of any such transfer.

(c) Uncertificated Securities. On each Distribution Date the Trustee shall distribute all amounts held in the Book-Entry Depository Account to the extent distributable as principal and interest and related prepayment penalties, if any, on the Uncertificated Securities on each

Distribution Date. The Book-Entry Depository will credit the accounts of its record owners of such Uncertificated Securities in accordance with the standard procedures.

(d) Book-Entry Securities. The Trustee hereby directs the Book-Entry Depository to withdraw from the Book-Entry Depository Account on each Distribution Date all amounts held in such account, to the extent distributable as principal and interest and related Prepayment Penalties, if any, on the Book-Entry Securities on that Distribution Date. On each Distribution Date, the Book-Entry Depository will credit the accounts of its record owners of such Book-Entry Securities in accordance with the standard procedures of the Book-Entry Depository.

(e) Certificated Securities. On the Business Day following each Distribution Date, the Trustee shall distribute from the Collection Account all amounts distributable on the Certificated Securities to the Holders thereof.

(f) Distributions. On each Distribution Date (or, with respect to Certificated Securities, on the Business Day following each Distribution Date), the Trustee (and/or the Book-Entry Depository on behalf of and pursuant to the instructions of the Trustee) shall make such distributions on (and in the case of any Accrual Security, shall record such additions to the principal amount of) the Securities issued in respect of any Trust as shall be provided in the related Trust Agreement. Any distributions or accruals of interest made on a Distribution Date on the Securities issued in respect of a particular Trust shall be at the Interest Rate set forth in or as otherwise described in the related Trust Agreement and in respect of the related Accrual Period.

(g) Allocations of Distributions. The Holders of any Class entitled to receive distributions on any Distribution Date shall receive such distributions on a pro rata basis among the Securities of such Class based on the principal balance, notional balance or percentage interest of such Securities. All distributions of principal on the Securities issued in respect of a particular Trust shall be made as provided in the related Trust Agreement. Unless otherwise indicated in the Trust Agreement, all distributions made on any Security on any Distribution Date (other than distributions in respect of Prepayment Penalties) shall be applied first to any interest payable thereon on such Distribution Date and then to any principal thereof.

(h) Interest Accrual. Unless otherwise provided in the related Trust Agreement, the amount of interest accrued on each Class during an Accrual Period and to be distributed thereon (or, to the extent applicable in the case of an Accrual Security, added to the principal amount thereof) on the related Distribution Date shall be 1/12th of the applicable Interest Rate multiplied by the Class Principal Balance (or Class Notional Balance) of such Class prior to the distribution of principal (or, in the case of an Accrual Security, the addition of accrued interest to principal) on such Distribution Date. Interest on the Securities will be computed on the basis of a 360-day year consisting of twelve 30-day months.

(i) Distributions on Residual Securities. In addition to such other distributions on a Class of Residual Securities as may be provided in the related Trust Agreement for the related Series, on each Distribution Date the Trustee shall distribute (i) to the Holders of the Residual

Interest in each Trust REMIC, in the case of a Single REMIC Series, or in each Pooling REMIC, in the case of a Double REMIC Series, any amounts remaining in the related Segregated Portion of any Trust REMIC Account on such date (after the payment of all amounts distributable on such date on the Regular Interests in such Trust REMIC or Pooling REMIC) that are attributable to Structural Excess for such Trust REMIC or Pooling REMIC and (ii) to the Holders of the Residual Interest in each Issuing REMIC in the case of a Double REMIC Series, any amounts remaining in the related Pooling REMIC Subaccounts after the payment of all amounts distributable therefrom on the related Regular Securities.

(j) Ginnie Mae Interest Amounts. The Trustee shall distribute to Ginnie Mae the Ginnie Mae Interest Amount with respect to that Distribution Date as soon as practicable but no later than the first Business Day of the next succeeding calendar month following such Distribution Date, as instructed by Ginnie Mae.

Section 3.05. Conversion of Deposited Ginnie Mae Construction Loan Certificates.

Each Deposited Ginnie Mae Construction Loan Certificate may be redeemed prior to its stated maturity date by the issuance of a *pro rata* interest in a Ginnie Mae Project Loan Certificate. Upon issuance thereof, each *pro rata* interest in a Ginnie Mae Project Loan Certificate will constitute a Trust Asset and shall be registered in accordance with Section 1.04 hereof. Subject to Section 7.03(v) hereof, the Trustee shall take all actions that it deems necessary or advisable to facilitate the conversion of each Deposited Ginnie Mae Construction Loan Certificate into a Ginnie Mae Project Loan Certificate (*provided*, that the conversion of a Deposited Ginnie Mae Construction Loan Certificate into a Ginnie Mae Project Loan Certificate shall not itself constitute or be considered to be a modification of the Trust MBS).

Section 3.06. Ginnie Mae Guaranties and Guaranty Fee; Trustee Fee.

(a) Ginnie Mae Guaranty. With respect to each Series, pursuant to the Guaranty Agreement, Ginnie Mae, in exchange for the Ginnie Mae Guaranty Fee, has guaranteed to each Holder of a Security the timely payment of principal and interest on the Holder's Security in accordance with the terms of the applicable Trust Agreement.

(b) Ginnie Mae Guaranty Payments. If the Book-Entry Depository and/or the Trustee, as the case may be, discovers that payments on the Trust Assets underlying a Series together with any funds available in the Variance Account will be inadequate to distribute principal and interest to the Securities of such Series on any Distribution Date in accordance with the terms of the Trust Agreement, the Book-Entry Depository and/or the Trustee, as the case may be, promptly shall inform Ginnie Mae that a Ginnie Mae Guaranty Payment must be made. In that event, Ginnie Mae (or its agent) will transfer the amount of the shortfall to the Book-Entry Depository Account or Collection Account, as applicable, in immediately available funds in accordance with Section 3.04(b) hereof. At Ginnie Mae's option, Ginnie Mae may instruct the Person designated by the Trustee and acceptable to Ginnie Mae as the Person to hold funds on behalf of the Trustee (which Person initially shall be The Bank of New York) to transfer such amount. In addition, if on the Final Distribution Date of any Class, the funds available to be

distributed on such Class are insufficient to reduce the Class Principal Balance of such Class to zero, Ginnie Mae shall make a Ginnie Mae Guaranty Payment in the amount of such insufficiency. In the event that Ginnie Mae makes any Ginnie Mae Guaranty Payment to reduce the Class Principal Balance of any Class to zero on its Final Distribution Date, such Class shall continue to be treated as outstanding for all purposes, and Ginnie Mae shall be deemed to have purchased the related Class and will be entitled to all subsequent distributions on such Class.

(c) Trustee Fee. On the Business Day following each Distribution Date, the Trustee shall withdraw for its own account from the Collection Account, the Trustee Fee and any investment earnings payable with respect to such Distribution Date.

Section 3.07. Reconciliation Process.

After a Distribution Date, at the request of Ginnie Mae, the Trustee shall reconcile payments in accordance with the Ginnie Mae Multiclass Operational Guidelines. Such reconciliation may involve credits and charges to one or more Trust Accounts.

Section 3.08. Determination of Interest Rate Indices.

(a) General. Unless otherwise provided in the related Trust Agreement, each Floating Rate and Inverse Floating Rate Class shall bear interest during each Accrual Period at a rate determined by reference to one of the following indices: (i) LIBOR, (ii) COFI, (iii) a Treasury Index or (iv) the Prime Rate. The Trustee shall determine the applicable interest rate index levels in accordance with this Section and shall compare the results with interest rate index levels posted on Ginnie Mae's Multiclass Securities e-Access, located on Ginnie Mae's website, by the Information Agent. If there is a discrepancy, the Trustee shall contact the Information Agent to resolve the discrepancy. If the Trustee cannot resolve the discrepancy, the Trustee will contact Ginnie Mae to resolve the difference. Absent manifest error, Ginnie Mae's determination (or, if Ginnie Mae is not consulted, the Trustee's determination) of the applicable interest rate index levels and its calculation of the Interest Rates of the Floating Rate and Inverse Floating Rate Classes shall be final and binding.

(b) Determination of LIBOR. The Trustee (or its agent) shall calculate the Interest Rates of LIBOR Classes for each Accrual Period (after the first Accrual Period) on the related Floating Rate Adjustment Date. On each Floating Rate Adjustment Date, the Trustee or its agent will determine the applicable LIBOR in accordance with one of the two following methods described below, as specified in the related Trust Agreement.

(i) BBA LIBOR. Pursuant to this method, LIBOR shall be determined as the rate (the "BBA Interest Settlement Rate"), expressed as a percentage per annum, for one-month U.S. Dollar deposits as it appears on the Dow Jones Telerate Service page 3750 (or such other page as may replace page 3750 on that service or such other service as may be nominated by the BBA for the purpose of displaying BBA Interest Settlement Rates) (the "Designated Telerate Page") as of 11:00 a.m. London time on the related Floating Rate Adjustment Date. If, on any Floating Rate Adjustment Date, the BBA Interest

Settlement Rate is not reported in the manner described above and does not appear on the Designated Telerate Page, the Trustee shall determine LIBOR in the manner set forth in clause (ii) below.

(ii) LIBO Method. Pursuant to this method, LIBOR shall be determined on the basis of the offered quotations of the Reference Banks, as those quotations appear on the Reuters Screen LIBO Page, to the extent available. If not available from the Reuters Screen LIBO Page, the Trustee or its agent will request the Reference Banks to provide the offered quotations to the Trustee as of 11:00 a.m. (London time) on that Floating Rate Adjustment Date, and will determine the applicable LIBOR based on those quotations. If any Reference Bank designated by the Trustee should be removed from the Reuters Screen LIBO Page or in any other way fails to meet the qualifications of a Reference Bank, the Trustee may, in its sole discretion, designate an alternative Reference Bank.

On each Floating Rate Adjustment Date, the Trustee shall determine LIBOR for the next Accrual Period as follows:

(A) If on any Floating Rate Adjustment Date two or more of the Reference Banks provide offered quotations of the applicable maturity, LIBOR for the next Accrual Period shall be the arithmetic mean of such offered quotations (rounding such arithmetic mean upwards, if necessary, to the nearest whole multiple of 1/16%).

(B) If on any Floating Rate Adjustment Date only one or none of the Reference Banks provides such offered quotations, LIBOR for the next Accrual Period shall be whichever is the higher of (x) LIBOR as determined on the previous Floating Rate Adjustment Date and (y) the Reserve Interest Rate.

(C) If on any Floating Rate Adjustment Date the Trustee is required but is unable to determine the Reserve Interest Rate, LIBOR for the next Accrual Period shall be LIBOR as determined on the previous Floating Rate Adjustment Date, or, in the case of the first Floating Rate Adjustment Date, the level of LIBOR used to calculate the initial Interest Rate of the particular LIBOR Class.

In the event that LIBOR becomes unavailable, the Trustee shall designate a new index (approved by Ginnie Mae) based upon comparable information and methodology. The Trustee shall select an alternative index only if it receives an Opinion of Counsel that the selection of such alternative index will not cause the related Trust REMIC or REMICs to lose their classification as REMICs for federal income tax purposes. If at any time after LIBOR becomes unavailable, it again becomes available, the Interest Rates for the related LIBOR Classes for each subsequent Accrual Period shall be calculated by reference to LIBOR.

(c) Determination of COFI. On each Floating Rate Adjustment Date, the Trustee (or its agent) shall calculate the Interest Rates of COFI Classes for the related Accrual Period by

reference to COFI as published most recently by the FHLB of San Francisco prior to such Floating Rate Adjustment Date.

Upon the occurrence of an Alternative Rate Event, the Trustee shall calculate the Interest Rates of the COFI Classes for the subsequent Accrual Periods by using, in place of COFI, (i) the replacement index, if any, published or designated by the FHLB of San Francisco or (ii) if no replacement index is so published or designated, an alternative index selected by the Trustee (or its agent) and approved by Ginnie Mae that has performed, or that the Trustee expects to perform, in a manner substantially similar to COFI. At the time an alternative index is first selected by the Trustee, the Trustee shall determine the average number of basis points, if any, by which the alternative index differed from COFI for such period as the Trustee, in its sole discretion, reasonably determines to reflect fairly the long-term difference between COFI and the alternative index, and shall adjust the alternative index by such average. The Trustee shall select an alternative index only if it receives an Opinion of Counsel that the selection of such index will not cause the related Trust REMIC or REMICs to lose their classification as REMICs for federal income tax purposes. If at any time after the occurrence of an Alternative Rate Event, the FHLB of San Francisco resumes publication of COFI, the Interest Rates of the COFI Classes for each subsequent Accrual Period shall be calculated by reference to COFI.

(d) Determination of the Treasury Index. The Trustee (or its agent) shall calculate the Interest Rates of Treasury Index Classes for each Accrual Period (after the first Accrual Period) on the related Floating Rate Adjustment Date. On each Floating Rate Adjustment Date, the Trustee will determine the applicable Treasury Index, which (i) in the case of the weekly average yield on U. S. Treasury securities adjusted to a constant maturity of one, three, five, seven or ten years or to some other maturity, will be as published by the Federal Reserve Board in the most recent edition of Federal Reserve Board Statistical Release No. H.15 (519) that is available to the Trustee and (ii) in the case of the auction average (investment) yield on three-month or six-month U.S. Treasury bills, will be as made available to the Trustee on the Treasury Public Affairs Information Line. The Trustee shall consider a new value for the Treasury Index to have been made available on the day following the date it is released by the Federal Reserve Board or placed on the Treasury Public Affairs Information Line.

In the event that the applicable Treasury Index becomes unavailable, the Trustee (or its agent) shall designate a new index, approved by Ginnie Mae, based upon comparable information and methodology. The Trustee shall select an alternative index only if it receives an Opinion of Counsel that the selection of such alternative index will not cause the related Trust REMIC or REMICs to lose their classification as REMICs for federal income tax purposes. If at any time after the applicable Treasury Index becomes unavailable, it again becomes available, the Interest Rates for the related Treasury Index Classes for each subsequent Accrual Period shall be calculated by reference to the applicable Treasury Index.

(e) Determination of the Prime Rate. On each Floating Rate Adjustment Date, the Trustee (or its agent) shall calculate the Interest Rates of Prime Rate Classes for the next Accrual Period by reference to the rate published as the “Prime Rate” in the “Money Rates” section or other comparable section of *The Wall Street Journal* on such Floating Rate Adjustment Date. In

the event *The Wall Street Journal* publishes a prime rate range, the average of that range, as determined by the Trustee, shall be the Prime Rate. In the event *The Wall Street Journal* no longer publishes a “Prime Rate” entry, the Trustee shall designate a new methodology, approved by Ginnie Mae, for determining the Prime Rate based on comparable data. The Trustee shall select an alternative methodology only if it receives an Opinion of Counsel that the selection of such methodology will not cause the related Trust REMIC or REMICs to lose their classification as REMICs for federal income tax purposes. If at any time after the Prime Rate becomes unavailable in *The Wall Street Journal*, it again becomes available, the Interest Rates for the Prime Rate Classes for each subsequent Accrual Period shall be calculated by reference to the Prime Rate published in *The Wall Street Journal*.

Section 3.09. Appointment of Information Agent.

Except as otherwise provided in the Trust Agreement, at the direction of Ginnie Mae, the Trustee of each Trust has appointed The Bank of New York to be the Information Agent. Ginnie Mae has reserved the right to substitute at any time another Person as the Information Agent.

Section 3.10. Annual Reports.

Within a reasonable period of time after the end of each calendar year (but in no event later than sixty days after the end of such calendar year), the Trustee shall furnish or cause to be furnished to Ginnie Mae and to each Person who at any time during the calendar year was the Holder of a Security a statement containing (a) in the case of Regular Securities, the amount of distributions allocable to principal and the amount allocable to interest, or (b) in the case of Residual Securities, the amount of distributions, in each case with respect to the Class of which such Holder’s Security is a part, aggregated for such calendar year or applicable portion thereof during which such Person was a Holder. Such obligation of the Trustee shall be deemed to have been satisfied to the extent that substantially comparable information shall be provided by the Tax Matters Person pursuant to any requirements of the Code, Treasury Regulations and the REMIC Provisions as are from time to time in force.

Section 3.11. Operational Guidelines.

Ginnie Mae has established operational guidelines designed to assist the operational departments of the Trustee, the Book-Entry Depository, the Information Agent and Ginnie Mae in complying with the requirements of this Article III. Ginnie Mae has reserved the right, consistent with law, to alter or waive any of the requirements of the operational guidelines or to institute other requirements as it deems appropriate. The Trustee hereby agrees to comply with the Ginnie Mae Multiclass Securities Operational Guidelines, as amended from time to time.

ARTICLE IV

REPRESENTATIONS, WARRANTIES AND COVENANTS

Section 4.01. Representations and Warranties of the Sponsor.

The Sponsor hereby represents and warrants as follows:

(a) The Trust Agreement constitutes the legal, valid and binding agreement of the Sponsor, enforceable against it in accordance with its terms, subject to bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting creditors' rights generally and to general principles of equity regardless whether enforcement is sought in a proceeding in equity or at law;

(b) Neither the execution and delivery by the Sponsor of the Trust Agreement, nor the consummation by the Sponsor of the transactions therein contemplated, nor compliance by the Sponsor with the provisions thereof, will (i) conflict with or result in a breach of, or constitute a default under, any of the provisions of the articles of incorporation or by-laws of the Sponsor or any law, governmental rule or regulation or any judgment, decree or order binding on the Sponsor or any of its properties, or any of the provisions of any indenture, mortgage, deed of trust, contract or other instrument to which the Sponsor is a party or by which it is bound, or (ii) result in the creation of any lien, charge, or encumbrance upon any of its properties pursuant to the terms of any such indenture, mortgage, deed of trust, contract or other instrument;

(c) The information (i) set forth in the Final Data Statement or (ii) with respect to a Multifamily Series in which there is no Final Data Statement, set forth in Exhibit A to the Offering Circular Supplement, for such Series with respect to each Trust Asset is true and correct in all material respects as of the Closing Date;

(d) The representations and warranties made by the Sponsor in the Sponsor Agreement are true and correct in all material respects at and as of the Closing Date with the same effect as if made on the Closing Date;

(e) The Sponsor has complied with all the agreements (including, without limitation, the covenants in the Sponsor Agreement) and satisfied all the conditions on its part to be performed or satisfied at or prior to the Closing Date; and

(f) Each Ginnie Mae Multifamily Certificate included in the Trust constitutes a "qualified mortgage" within the meaning of Section 860G(a)(3) of the Code (but without regard to the rule in Treasury Regulation section 1.860G-2(f)(2) that treats a defective obligation as a qualified mortgage, or any substantially similar successor provision).

It is understood and agreed that the representations and warranties set forth in this Section 4.01 shall survive delivery of the Trust Assets to the Trustee and shall inure to the benefit of the Trustee and Ginnie Mae notwithstanding any restrictive or qualified endorsement or assignment.

Upon the discovery by the Sponsor or the Trustee of a breach of the foregoing representations and warranties, the party discovering such breach shall give prompt written notice to the other party to the Trust Agreement and to Ginnie Mae, and in no event later than two Business Days from the date of such discovery.

Section 4.02. Representations and Warranties of the Trustee.

The Trustee hereby represents and warrants as follows:

(a) The Trustee acknowledges and declares that it holds and will hold the Trust Assets identified in the Final Data Statement, or, in the case of certain Ginnie Mae Multifamily Certificates, the Offering Circular Supplement or Final Data Statement, as applicable, and that it has agreed to hold all documents delivered to it with respect to such Trust Assets and all assets of the Trust in trust for the exclusive use and benefit of all present and future Holders and, to the extent provided herein, Ginnie Mae.

(b) The Trustee (i) acquired the Trust Assets on behalf of the Trust from the Sponsor in good faith, for value, and without notice or knowledge of any adverse claim, lien, charge, encumbrance or security interest (including, without limitation, any federal tax liens or liens arising under ERISA), (ii) except as permitted in the Trust Agreement, has not and will not, in any capacity, assert any claim or interest in the Trust Assets and will hold (or its agent will hold) such Trust Assets and the proceeds thereof in trust pursuant to the terms of the Trust Agreement, and (iii) has not encumbered or transferred its right, title or interest in the Trust Assets.

(c) On the Closing Date, the Trustee shall deliver to the Sponsor and Ginnie Mae a certificate certifying that the Trustee (or an agent thereof) is in possession of the Trust Assets for such Series.

Section 4.03. Sponsor Breach; Repurchase Obligation; Substitution.

Within 90 days of the earlier of Sponsor's discovery or notice to the Sponsor of any breach by the Sponsor of any of its representations, warranties or covenants under a Sponsor Agreement or the related Trust Agreement which breach, in the judgment of the Trustee or Ginnie Mae, materially and adversely affects the value of any Trust Asset or the interest of the Trust therein, the Sponsor shall (i) cure such breach, (ii) in the case of Trust MBS other than HECM MBS, remove such affected Trust MBS from the Trust and substitute one or more Ginnie Mae Certificates (A) with a Certificate Rate equal to the Certificate Rate of the replaced Trust MBS as reflected in the records of the Trust and (B) with an aggregate outstanding principal balance equal to the outstanding principal balance of the replaced Trust MBS, as reflected in the records of the Trust, (C) with a Maturity Date no later than the Maturity Date of the replaced Trust MBS and no earlier than six months prior to the Maturity Date of the replaced Trust MBS, (D) that are entitled to payments on the following Ginnie Mae Certificate Payment Date (which shall be the same Ginnie Mae Certificate Payment Date on which the replaced Trust MBS was payable) and (E) that otherwise conform to the requirements of the Trust Agreement, (iii) in the case of HECM MBS, remove such affected HECM MBS from the Trust and substitute one or more

HECM MBS (A) with a HECM MBS Rate equal to the HECM MBS Rate of the replaced HECM MBS, (B) with an aggregate outstanding principal balance equal to the outstanding principal balance of the replaced HECM MBS, (C) with a Maturity Date no later than the Maturity Date of the replaced HECM MBS, (D) satisfying such additional requirements, if any, as set forth in the related Trust Agreement or (iv) with the consent of Ginnie Mae purchase the affected Trust Asset from the Trust. The Sponsor shall effect any substitution of a Trust MBS by depositing with the Trust each Ginnie Mae Certificate to be substituted. However, no substitution for a Trust MBS may be made 90 days or more after the Closing Date unless such representations, warranties or covenants relate specifically to the characteristics of such Trust MBS. No substitution for a Trust MBS may be made for any reason two years or more from the Closing Date unless an Opinion of Counsel addressed to and satisfactory to Ginnie Mae is delivered to the effect that such substitution will not adversely affect the status of the related Trust as a REMIC for federal income tax purposes.

(a) The Sponsor shall effect a purchase of a Trust Asset from the Trust by depositing with the Trustee cash in an amount equal to the sum of (i) the then outstanding principal balance of the Trust Asset to be purchased, as reflected in the records of the Trustee, plus (ii) interest on that amount at the Certificate Rate for the period from the date on which the Trust ceases to be entitled to distributions of interest on the repurchased Trust Asset through the next succeeding Accounting Date.

ARTICLE V

(c) The Trustee shall be under no obligation to exercise any of the trusts or powers vested in it by the related Trust Agreement or to institute, conduct or defend any litigation thereunder or in relation thereto at the request, order or direction of Ginnie Mae or any of the Holders of such Series, pursuant to the provisions of the Trust Agreement, unless (i) such directing party has offered to the Trustee reasonable security or indemnity against the costs, expenses (including the fees and disbursements of Trustee's counsel), and liabilities that may be incurred by the Trustee with respect thereto or (ii) the need for or desirability of such institution, conduct or defense results from the negligence of the Trustee;

(f) The Trustee may execute any of the trusts or powers under any Trust Agreement or perform any duties thereunder either directly or by or through agents or attorneys;

(g) The Trustee may rely conclusively on all calculations and other information provided to it by Ginnie Mae, the Information Agent or any other agent of Ginnie Mae;

(h) The Trustee shall not be obligated to post a bond or other form of surety in connection with its service or status as Trustee under a Trust Agreement; and

(i) The Trustee, in its capacity as Trustee or, following the termination of the Trust, as owner of any Deposited Ginnie Mae Construction Loan Certificate issued prior to December 31, 2002, shall obtain from each purchaser from it of each Deposited Ginnie Mae Construction Loan Certificate, a written agreement pursuant to which each such purchaser agrees to the material terms of the applicable Waiver Agreement and agrees not to transfer the Deposited Ginnie Mae Construction Loan Certificate to any subsequent purchaser that has not executed a written agreement substantially similar in form and substance to the agreement executed by such purchaser.

Section 5.03. Trustee Not Liable for Securities.

The Trustee makes no representations as to the validity or sufficiency of any Trust Agreement or of any Securities (except that each Trust Agreement has been duly executed and is binding on the Trustee, the Certificated Securities of each Series shall be duly and validly issued, authorized, authenticated and delivered by the Trustee and the Book-Entry Securities and Uncertificated Securities of each Series shall be duly and validly issued, authorized and delivered by the Trustee) or of any Trust Asset or any document related to any of the foregoing.

The Trustee shall have no responsibility or accountability with respect to the sufficiency or adequacy of the following: (a) the Trust Assets and Ginnie Mae Guaranty to generate funds necessary to make required payments on the Securities or (b) any Offering Circular or other securities filings or reports required to be filed by any federal, state or local securities regulatory authority, including but not limited to the United States Securities and Exchange Commission.

Section 5.04. Trustee May Own Securities.

The Trustee in its individual or any other capacity may become the owner or pledgee of Securities, and may transact banking or trust business with Ginnie Mae, any Sponsor, the Book-Entry Depository, any Trust Asset Depository, any Beneficial Owner, any other Trustee or any Tax Administrator with the same rights it would have if it were not Trustee.

Section 5.05. Payment of Trustee's Fees and Expenses.

With respect to the Distribution Date in each month, the Trustee shall be paid compensation for all services rendered by it in the execution of the trusts created by the Trust Agreement and in the exercise and performance of any of its powers and duties under the Trust Agreement (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust) in an amount equal to the Trustee Fee.

Section 5.06. Eligibility Requirements for Trustee.

The Trustee under any Trust Agreement must have been approved in writing by Ginnie Mae to serve as Trustee under such Trust Agreement and at all times (a) must be organized and doing business under the laws of the state of its incorporation or the United States of America, (b) must be authorized under such laws to exercise corporate trust powers, (c) must have (or must be a member of a consolidated bank or financial holding company that has) a minimum combined capital and surplus that meets the requirements prescribed by Ginnie Mae from time to time pursuant to written notice to the Trustee provided by Ginnie Mae, (d) must be a member depository institution of the FRS, (e) must be an entity subject to supervision or examination by federal or state authority and (f) unless otherwise approved by Ginnie Mae, must have a long term unsecured debt obligation rating from Moody's Investors, Inc. of at least Aa3 and a short term debt or commercial paper rating from Standard & Poor's Ratings Services, a division of the McGraw Hill Companies, Inc. of at least A-1. In addition, neither the Trustee nor any officer or professional working on the subject matter of the Trust may be currently suspended or debarred by any governmental agency, nor may such Persons have been convicted of, or found liable in a civil action for, fraud, forgery, bribery, falsification or destruction of records, making false statements or any other offense indicating a lack of business integrity that seriously and directly could affect the responsibility of the Trustee, or such officer or professional.

If the Trustee publishes reports of condition at least annually, pursuant to law or to the requirements of the aforesaid supervising or examining authority, then for the purposes of this Section the combined capital and surplus of the Trustee shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time the Trustee ceases to be eligible in accordance with the provisions of this Section, the Trustee shall notify Ginnie Mae in writing immediately and, if Ginnie Mae requests, shall resign immediately in the manner and with the effect specified in Section 5.07 hereof.

Section 5.07. Resignation and Removal of the Trustee.

The Trustee may resign as Trustee of any Trust at any time and be discharged from the trusts created under the related Trust Agreement by giving written notice thereof to Ginnie Mae and upon appointment of a successor trustee pursuant to Section 5.08. Upon receiving such notice of resignation, Ginnie Mae may appoint a successor trustee. If no successor trustee shall have been so appointed and have accepted appointment within 90 days after the giving of such notice of resignation, the resigning Trustee may petition any court of competent jurisdiction for the appointment of a successor trustee acceptable to Ginnie Mae.

Ginnie Mae may remove the Trustee for cause at any time. For the purposes of this Section “cause” shall mean one of the following:

(a) The Trustee’s ceasing to be eligible in accordance with the provisions of Section 5.06 hereof and failing to resign after written request therefor by Ginnie Mae or its agent;

(b) The Trustee’s inability to take any actions required under a Trust Agreement;

(c) The Trustee’s failure to observe or perform any of its covenants set forth in the related Trust Agreement;

(d) A court or regulatory authority having jurisdiction in the premises, including without limitation the FDIC and any similar state authority, entering a decree or order for relief in respect of the Trustee in an involuntary case under any bankruptcy, insolvency, receivership, conservatorship or other similar law or regulation, state or federal, now or hereafter in effect, or appointing a receiver, conservator, assignee, trustee, custodian, sequestrator or other similar official for the Trustee or for all or any substantial part of its property, or order the winding up or liquidation of its affairs;

(e) The Trustee’s commencing a voluntary case under any applicable bankruptcy, insolvency, receivership, conservatorship or other similar law or regulation, state or federal, now or hereafter in effect, or consenting to or acquiescing in the entry of an order for relief in an involuntary case under any such law, or consenting to or acquiescing in the appointment of or taking of possession by a receiver, conservator, liquidator, assignee, trustee, custodian, sequestrator or other similar official for the Trustee or for all or any substantial part of its property, or making a general assignment for the benefit of creditors, or the Trustee’s generally failing to pay its debts as they become due;

(f) The discovery that any Location-Based Tax, other tax or other charge levied or threatened to be levied against a Trust on account of the situs of the Trustee could be avoided by the appointment of a successor trustee, to the extent that Ginnie Mae determines that such tax or other change may not be adequately covered by the Trustee; or

(g) The removal for cause of the Trustee as the trustee of any trust that has issued securities guaranteed by Ginnie Mae.

Any resignation or removal of the Trustee and appointment of a successor trustee pursuant to any of the provisions of this Section shall become effective upon acceptance of appointment by the successor trustee as provided in Section 5.08 hereof but in no event shall become effective until a successor has been appointed and has accepted the duties of the Trustee. Any liability of the Trustee under a Trust Agreement arising prior to such termination shall survive such termination.

To the extent that a successor trustee is entitled to receive reasonable compensation in excess of compensation payable to the Trustee under the related Trust Agreement, the Trustee shall indemnify Ginnie Mae and the Trust for the amount of such excess and shall provide such security for such indemnity as Ginnie Mae may require.

Section 5.08. Successor Trustee.

Any successor trustee appointed to serve as Trustee of a Trust as provided in Section 5.07 hereof shall execute, acknowledge and deliver to Ginnie Mae and its predecessor trustee an instrument accepting such appointment under the related Trust Agreement, and thereupon the resignation or removal of the predecessor trustee shall become effective and such successor trustee, without any further act, deed or conveyance, shall become fully vested with all the rights, powers, duties and obligations of its predecessor under the Trust Agreement, with the same effect as if originally named as trustee therein. The predecessor trustee shall immediately deliver to the successor trustee all documents and statements held by it under the applicable Trust Agreement, and the predecessor trustee shall execute and deliver such instruments and do such other things as may reasonably be required for more fully and certainly vesting and confirming in the successor trustee all such rights, powers, duties and obligations. The predecessor trustee shall perform the duties and obligations imposed on it in this Section irrespective of any stay arising from, any injunction or other process issued pursuant to, and any restriction or limitation imposed by any bankruptcy, insolvency, receivership, conservatorship or other similar law or regulation, state or federal, now or hereafter in effect, including without limitation 11 U.S.C. §§ 105, 362 and 18 U.S.C. §§ 1821, 1823, each as amended from time to time. In the event the predecessor trustee fails to perform the duties and obligations imposed on it in this Section, Ginnie Mae may take any action it deems necessary or advisable to cause the performance of such duties and obligations.

No successor trustee shall accept appointment as provided in this Section unless at the time of such acceptance such successor trustee is eligible under the provisions of Section 5.06 hereof.

Upon acceptance of appointment by a successor trustee as provided in this Section, the successor trustee shall mail notice of the succession of such trustee hereunder to all Holders at their addresses as shown in the Register.

Section 5.09. Appointment of Co-Trustee.

The Trustee shall be permitted to appoint a Person that either meets the eligibility requirements to act as a Trustee hereunder or otherwise has been approved in writing by Ginnie Mae to act as co-trustee with respect to the Trust. Any such co-trustee may perform any of the duties and obligations of the Trustee hereunder, *provided, however*, that any such appointment of any co-trustee shall not relieve the Trustee of any of its obligations and duties hereunder. The Trustee shall continue to remain liable for the performance of all such duties and obligations hereunder (including the obligation to indemnify Ginnie Mae pursuant to Section 5.11, 5.12, 5.13), irrespective of the appointment of any co-trustee to perform such duties or obligations on behalf of the Trustee.

Section 5.10. Merger or Consolidation of Trustee.

Any corporation into which a Trustee may be merged or converted or with which it may be consolidated or any corporation resulting from any merger, conversion or consolidation to which such Trustee may be a party, or any corporation succeeding to all or substantially all of the corporate trust business of such Trustee, shall be the successor of such Trustee under the related Trust Agreement without the execution or filing of any paper or any further act on the part of any of the parties to the Trust Agreement, provided such corporation is eligible under the provisions of Section 5.06 hereof.

Section 5.11. Indemnification of HUD and Ginnie Mae.

The Trustee for each Trust shall indemnify and hold harmless HUD and Ginnie Mae (including each official, officer, employee and agent of HUD and Ginnie Mae) from and against any and all losses, claims, demands, liabilities, or expenses (including, without limitation, all attorneys' fees and related charges and expenses) resulting, directly or indirectly, from any Trustee default or other failure to perform under the related Trust Agreement. Without limiting the foregoing, Ginnie Mae's right to indemnification hereunder shall include the right to reimbursement of any and all amounts paid by Ginnie Mae to any Holder of such Series as a result of any failure of the Trustee properly to calculate the amount of any required distribution to any such Holder or to cause the proper distributions to be made to any such Holder, together with interest thereon at a rate equal to the yield on three-month Treasury securities.

Section 5.12. Voting of the Underlying Certificates.

In the event that a vote of the holders of Underlying Certificates, Underlying SMBS Securities or Underlying Callable Securities is required pursuant to the trust agreement governing any Underlying Trust, Underlying SMBS Trust or Underlying Callable Trust, the Trustee shall vote in respect of the Underlying Certificate or Underlying Callable Securities in a manner that, in its sole judgment, is consistent with the best interests of the holders of such Underlying Certificate, Underlying SMBS Security or Underlying Callable Security.

Section 5.13. Performance Reviews by Ginnie Mae.

At its sole discretion, and from time to time, Ginnie Mae shall have the right to undertake a full performance review of the Trustee and any subcontractors retained by the Trustee. Any such review may involve the on site inspection of the Trustee's (or any subcontractor's) facilities and the review of any books, records or documents of the Trustee (or any subcontractor) which relate to the performance by the Trustee (or any subcontractor) of its duties hereunder. In connection with any such review and inspection, the Trustee agrees to make available to Ginnie Mae appropriate officers of the Trustee (or any subcontractor) and to otherwise cooperate with such an undertaking by Ginnie Mae.

ARTICLE VI

TERMINATION

Section 6.01. Termination by the Trustee.

On any Distribution Date on which the aggregate of the Class Principal Balances of the Securities in a particular Series, after giving effect to distributions otherwise to be made on that date, is less than 1% of the aggregate of the Original Class Principal Balances, the Trustee may, but shall not be obligated to, effect a termination of the related Trust and retirement of the related Securities by purchasing (or causing the sale to one or more third parties of) all of the Trust Assets remaining in the Trust and depositing into the Book-Entry Depository Account the Termination Price therefor.

On any Distribution Date, upon the Trustee's determination, based upon an Opinion of Counsel, that the REMIC status of any Trust REMIC has been lost or that a substantial risk exists that such status will be lost for the then current taxable year, the Trustee shall effect a termination of the Trust, or if applicable, such Trust REMIC and any related Trust REMICs and shall retire the related Securities in the manner described above.

The Trustee promptly shall mail notice of any termination to be caused by its purchase of the assets of the Trust or one or more Trust REMICs to Holders not earlier than the fifteenth day and not later than the twentieth day of the month preceding the month of the final distribution. The notice shall specify (a) the final Distribution Date (which shall be the next Distribution Date) upon which the Holders of Certificated Securities may surrender their Securities to the Trustee for payment of the final distribution and cancellation, (b) the office of the Registrar at which Holders may surrender their Certificated Securities, (c) the amount of any final payment and (d) that the Record Date otherwise applicable to that Distribution Date is not applicable because final distributions will be made only upon presentation and surrender of the Certificated Securities at the office or agency of the Registrar specified in the notice. The Trustee shall give this notice to Ginnie Mae at the time the notice is given to Holders, and shall deposit the Termination Price into the Book-Entry Depository Account no later than 10:00 a.m. Eastern time on the final Distribution Date.

Upon presentation and surrender of the Certificated Securities, pursuant to such a notice, the Trustee shall, to the extent of available funds, cause to be distributed on the final Distribution Date to Holders of any Class of Securities, in proportion to their respective Percentage Interests, an amount equal to the applicable Class Principal Balance, if any, together with any accrued and unpaid interest thereon at the applicable Interest Rate.

The following additional requirements shall be met in the event of any termination of the Trust or any Trust REMIC pursuant to this Section 6.01:

(a) within 90 days prior to the final Distribution Date, the Trustee, on behalf of each related Trust REMIC, shall adopt a plan of complete liquidation meeting the requirements of a qualified liquidation under the REMIC Provisions (which plan the Trustee may adopt by attaching to each Trust REMIC's final federal income tax return a statement specifying the first day of the 90-day liquidation period);

(b) upon making final payment of principal and interest on the related Securities (and the related Pooling REMIC Subaccounts, if any) and depositing any unclaimed funds otherwise distributable to the Holders of such Securities in the Termination Account (established pursuant to Section 6.03) on the final Distribution Date, the Trustee shall distribute or credit, or cause to be distributed or credited, to the Holders of the related Residual Securities, all cash on hand relating to the applicable Trust REMIC (other than cash retained to meet claims), and each related Trust REMIC shall terminate at that time; and

(c) in no event may the final payment on the related Securities or the related Pooling REMIC Subaccounts, if any, be made after the 90th day from the date on which the plan of complete liquidation is adopted. A payment into the Termination Account with respect to any Security pursuant to Section 6.03 hereof shall be deemed a final payment on, or final distribution with respect to, such Security for the purposes of this clause.

The Holder of a Residual Security issued by the Trust, by its acceptance of such Security, authorizes and is deemed to take whatever action may be necessary to adopt a plan of complete liquidation of the related Trust REMIC upon the written request of the Trustee, and this authorization shall bind all successor Holders of the Residual Security.

Section 6.02. Termination of Agreement.

The respective obligations and responsibilities of the Sponsor and the Trustee created by the Trust Agreement (other than the obligation of the Trustee to make certain payments to Holders after the final Distribution Date and the obligation of the Trustee to send certain notices as set forth herein) shall terminate upon (a) the payment of all principal and accrued interest on the Securities and Pooling REMIC Subaccounts, if any, and all other amounts due and owing by the Trustee under such Trust Agreement and (b) the last action required to be taken by the Trustee on the final Distribution Date pursuant to this Article VI following the earlier of (i) the purchase by the Trustee of all Trust Assets remaining in the Trust pursuant to Section 6.01 hereof at a price equal to the Termination Price, (ii) the final payment or other liquidation (or any

advance with respect thereto) of the last Trust Asset remaining in the Trust and (iii) the 36th Distribution Date following the month during which the last maturing Mortgage Loan in the related REMIC matures; *provided, however*, that in no event shall the Trust created hereby continue beyond the expiration of 21 years less one day from the death of the last survivor of the descendants of Joseph P. Kennedy, the late ambassador of the United States to the Court of St. James's, living on the date hereof.

Section 6.03. Termination Account.

If all of the Holders do not surrender their Securities for final payment and cancellation on or before the final Distribution Date, the Trustee, on the final Distribution Date, shall withdraw all funds remaining in the Trust Accounts and shall credit those remaining funds to the Holders who did not surrender their Securities by depositing such funds in a Termination Account for the benefit of such Holders, and the Trustee shall give a second written notice to the remaining Holders to surrender their Securities for cancellation and receive the final distribution with respect thereto. If within one year after the sending of the second notice all the Securities shall not have been surrendered for cancellation, the Trustee shall take appropriate steps, at the direction of Ginnie Mae, if Ginnie Mae chooses to provide direction, or may appoint an agent to take appropriate steps, to contact the remaining Holders concerning surrender of their Securities, and the cost thereof shall be paid out of the funds on deposit in the Termination Account. The Trustee shall not invest or owe interest on funds in the Termination Account. The Trustee shall maintain the Termination Account for five years, subject to applicable laws of escheatment, after which time the assets shall be transferred to Ginnie Mae.

ARTICLE VII

REMIC TAX PROVISIONS

Section 7.01. REMIC Administration.

Each Holder of a Residual Interest in a Trust REMIC hereby designates the Tax Administrator, as its agent, to act as the Tax Matters Person of such Trust REMIC and to perform certain tax administration functions of such Trust REMIC as set forth in this Section.

(a) With respect to each Trust, the related Trustee shall elect (on behalf of each Trust REMIC to be created) on Form 1066 to have each Asset Pool treated as a REMIC for the taxable year ending on the last day of the calendar year in which the Securities are issued as well as on any corresponding state tax or information return necessary to have such Asset Pool treated as a REMIC or comparable pass-through entity under state law. Pursuant to such election or elections, (i) in the case of a Single REMIC Series, (x) if a single Trust REMIC is established, the Trustee shall designate the Class R Securities as the Residual Interest and shall designate the other REMIC Securities as the Regular Interests, or (y) if side-by-side Trust REMICs are established, the Trustee shall designate each Class of Class R Securities corresponding to a Trust REMIC (or the interest in each Trust REMIC represented by the Class RR Securities) as the Residual Interest in such Trust REMIC, and shall designate the other REMIC Securities as

Regular Interests in the related Trust REMIC, and (ii) in the case of a Double REMIC Series, (x) the Trustee shall designate either the related Class of Class RP Securities corresponding to a Pooling REMIC or the interest in the related Pooling REMIC represented by the Class RR Securities (as the case may be) as the Residual Interest in the related Pooling REMIC and shall designate the related Pooling REMIC Subaccounts as the Regular Interests in the related Pooling REMIC, and (y) the Trustee shall designate either the Class RI Securities corresponding to an Issuing REMIC or the interest in such Issuing REMIC represented by the Class RR Securities (as the case may be) as the Residual Interest in such Issuing REMIC and shall designate the other related REMIC Securities (excluding the Class RP Securities, if any) as the Regular Interests in the related Issuing REMIC. The “latest possible maturity date” of the Regular Interests within the meaning of Treasury regulations Section 1.860G-1(a)(4) will be the 36th Distribution Date following the month during which the last maturing Mortgage Loan in the related REMIC matures.

(b) With respect to each Trust, the Closing Date is hereby designated as the Startup Day of each related Trust REMIC within the meaning of Section 860G(a)(9) of the Code.

(c) With respect to each Trust, the Tax Administrator shall pay in a timely manner:

(i) the amount of any federal, state and local taxes imposed on the Trust or a related Trust REMIC or Asset Pool out of amounts in any of the Trust Accounts (except for Location-Based Taxes attributable to the Tax Administrator, which shall be paid by the Tax Administrator out of its own funds); *provided, however*, that the Tax Administrator may decide, provided it has received the written permission of Ginnie Mae, to pay or deposit such tax but subsequently to contest such tax, or, if permitted by law, to refrain from paying such tax pending the outcome of the contest of such tax, and

(ii) out of its own funds, any and all tax related expenses (not including taxes) of the Trust and each related Trust REMIC or Asset Pool, including but not limited to any professional fees or expenses related to audits or any administrative or judicial proceedings with respect to each such Trust REMIC that involves the Internal Revenue Service or state or local tax authorities; *provided, however*, that the Tax Administrator may pay out of amounts in any of the Trust Accounts the reasonable cost of contesting a tax imposed on the Trust or a related Trust REMIC or Asset Pool, provided that the Tax Administrator has received Ginnie Mae’s written permission to engage in the contest.

(d) With respect to each Trust, the Tax Administrator shall maintain all books, records, and supporting documents of the related Trust REMICs that are necessary to comply with any and all aspects of the Tax Administrator’s duties under the Trust Agreement and other Closing Documents.

(e) For each Trust, the related Tax Administrator shall timely prepare, sign (or, as appropriate, submit to the Trustee for signature) and file all of the federal, state, and local tax and information returns (other than Forms 1099 or applicable successor forms) of the Trust and each related Trust REMIC or Asset Pool. The expenses of preparing and filing such returns shall be

borne by the Tax Administrator without any right to reimbursement by the Trustee or from amounts on deposit in the Trust Accounts.

(f) The Tax Administrator for each Trust shall assist the Trustee in performing in a timely manner all reporting and other tax compliance duties that are the responsibility of the Trust and each related Trust REMIC or Asset Pool under the REMIC Provisions or state or local tax law. Upon the Tax Administrator's request, the Trustee shall provide the Tax Administrator with a list of Holders of record and any other information reasonably necessary to the Tax Administrator in the performance of its duties. Among its other duties, the Tax Administrator, acting as agent of each Trust REMIC, shall compile and deliver (or provide, by mail, telephone or publication as may be permitted by applicable Treasury Regulations) (i) to the Treasury or other governmental authority such information as is necessary for the application of any tax relating to the transfer of an Ownership Interest to any Disqualified Organization and (ii) to the Trustee such information or reports as are required under the REMIC Provisions to be provided to the Treasury or other governmental authority and to the holders of the Regular Interests and Residual Interests in the Trust REMIC. As a specific exception to the foregoing, however, the Trustee shall produce (based on income information prepared by the Tax Administrator) and distribute any Forms 1099 (or applicable successor forms) that are required to be distributed under the Code and Treasury regulations.

(g) With respect to each Trust, the Tax Administrator, the Trustee and the Holders of Residual Interests shall take any action or cause the related Trust REMIC to take any action necessary to create or maintain the status of such Trust REMIC as a REMIC under the REMIC Provisions and shall assist each other as necessary to create or maintain such status.

(h) With respect to each Trust, neither the Tax Administrator, the Trustee nor the Holder of a Residual Interest shall take any action or fail to take any action, or cause any Trust REMIC to take any action or fail to take any action that, if taken or not taken, could endanger the status of any such Trust REMIC as a REMIC unless the Trustee and the Tax Administrator have received the consent of Ginnie Mae and an Opinion of Counsel (at the expense of the party seeking to take or to fail to take such action) to the effect that the contemplated action or failure to act will not endanger such status.

(i) With respect to each Trust, the Trustee, with the assistance of the Tax Administrator, shall perform in a timely manner the reporting duties that are the responsibility of the Trust and each related Trust REMIC under the REMIC provisions as described in Section 7.01(f) hereof and all applicable withholding of U.S. federal income tax as required by the Code with respect to Holders and holders of Pooling REMIC Interests that are Non-U.S. Persons. The Trustee shall evaluate applicable exemptions from such withholding, and shall file or cause to be filed with the Internal Revenue Service all applicable returns related to such withholding.

(j) As a condition to the payment of any principal of or interest on any Security or beneficial interest therein without the imposition of withholding tax, the Trustee or the Tax Administrator may require the previous delivery of a properly completed and signed certification, including an Internal Revenue Service Form W-9 (or applicable successor form) in

the case of a Person that is a “United States person” within the meaning of Section 7701(a)(30) of the Code or the appropriate Internal Revenue Service Form W-8 (or applicable successor form) and any applicable attachments in the case of a Person that is not a “United States person” within the meaning of Section 7701(a)(30) of the Code.

(k) With respect to each Trust and each Trust REMIC, unless otherwise provided in the related Trust Agreement, the fiscal year of such Trust and each Trust REMIC shall run from January 1 (or from the Closing Date, in the case of the first fiscal year) through December 31.

(l) The Trustee shall reimburse the Trust for any Location-Based Taxes.

Section 7.02. Resignation and Removal of the Tax Administrator.

(a) Unless otherwise provided in the Trust Agreement, the Trustee shall act as Tax Administrator. The Trustee may subcontract with another Person acceptable to Ginnie Mae to undertake these obligations. In addition, Ginnie Mae reserves the right to require the Trustee to subcontract with a Person designated by Ginnie Mae to perform these duties. Execution of a subcontract shall not relieve the Trustee, however, of any responsibility for the tax administration of the Trust or of liability for breaches of the obligations of the Tax Administrator under the Trust Agreement.

(b) If the Tax Administrator for a Trust is unable for any reason to fulfill its duties as Tax Administrator of the related Trust REMIC or REMICs, the Tax Administrator shall immediately notify Ginnie Mae and the Trustee. Upon notification, the Trustee may appoint another Person acceptable to Ginnie Mae to act as Tax Administrator for the related Trust REMIC or REMICs or Ginnie Mae may direct the Trustee to appoint another Person to act in such capacity.

(c) Except as provided in a Trust Agreement, Ginnie Mae has reserved the right to remove the Tax Administrator for cause at any time. For the purposes of this Section “cause” shall mean one of the following:

(i) The Tax Administrator’s inability to take any actions required under a Trust Agreement;

(ii) Failure on the part of the Tax Administrator to observe or perform any other of its covenants set forth in the related Trust Agreement;

(iii) A court having jurisdiction entering a decree or order for relief in respect of the Tax Administrator in an involuntary case under any applicable bankruptcy, insolvency or other similar law now or hereafter in effect, or appointing a receiver, liquidator, assignee, custodian, sequestrator (or other similar official) of the Tax Administrator or for all or substantially all of its property, or order the winding up or liquidation of its affairs; or

(iv) The Tax Administrator commencing a voluntary case under any applicable bankruptcy, insolvency or other similar law now or hereafter in effect, or consenting to the entry of an order for relief in an involuntary case under any such law, or consenting to the appointment of or taking of possession by a receiver, liquidator, assignee, trustee, custodian, sequestrator (or other similar official) of the Tax Administrator or for any substantial part of its property, or making any general assignment for the benefit of creditors, or the Tax Administrator failing generally to pay its debts as they become due.

(d) Any resignation or removal of the Tax Administrator and appointment of a successor Tax Administrator pursuant to any of the provisions of this Section shall become effective upon acceptance of appointment by the successor Tax Administrator as provided in Section 7.02(e) below. Any liability of the Tax Administrator under a Trust Agreement arising prior to such termination shall survive such termination.

(e) The successor Tax Administrator appointed to serve as Tax Administrator of a Trust REMIC as provided in this Section shall execute, acknowledge and deliver to Ginnie Mae and its predecessor Tax Administrator a written acceptance of such appointment under the related Trust Agreement, and thereupon the resignation or removal of the predecessor Tax Administrator shall become effective and such successor Tax Administrator, without any further act, deed or conveyance, shall become fully vested with all the rights, powers, duties and obligations of its predecessor under such Trust Agreement, with the same effect as if originally named as Tax Administrator therein.

Section 7.03. Prohibited Activities.

Except as otherwise provided in a Trust Agreement, neither the Tax Administrator, the Holders of Residual Interests, nor the Trustee shall engage in, nor shall the Trustee permit, any of the following transactions or activities unless it has received (a) a Special Tax Opinion and (b) a Special Tax Consent from each of the Holders of the Residual Securities in the related Series (unless the Special Tax Opinion specially provides that no REMIC-level or Trust-level tax will result from the transaction or activity in question):

(i) the sale or other disposition of, or substitution for, any of the Trust Assets except pursuant to (A) the bankruptcy or insolvency of any related Trust REMIC, (B) the termination of any related Trust REMIC pursuant to Section 6.01, or (C) a substitution or purchase in accordance with Section 4.03;

(ii) the acquisition of any Ginnie Mae Certificates or Eligible Certificates for the Trust after the Closing Date except (A) during the three-month period beginning on the Closing Date pursuant to a fixed price contract in effect on the Closing Date that has been reviewed and approved by tax counsel acceptable to Ginnie Mae or (B) a substitution in accordance with Section 4.03;

(iii) the sale or other disposition of any investment in any Trust REMIC Account at a gain;

(iv) the acceptance of any contribution to the Trust except the following cash contributions: (A) a contribution received during the three month period beginning on the Closing Date, (B) a contribution to facilitate an optional termination that is made within the 90-day period beginning on the date on which a plan of complete liquidation is adopted pursuant to Section 6.01 and (C) any other contribution approved by Ginnie Mae and the Tax Administrator after consultation with tax counsel;

(v) if the Trust Assets related to a Security consist of any Ginnie Mae Construction Loan Certificates, any modification of the terms of any Trust MBS; or

(vi) any other transaction or activity that is not contemplated by the Trust Agreement.

Any party causing the Trust to engage in any of the activities prohibited in this Section shall be liable for the payment of any tax imposed on the Trust or any related Trust REMIC or Asset Pool pursuant to Code section 860F(a)(1) or 860G(d) as a result of the Trust engaging in such activities.

Section 7.04. Double REMIC Series.

(a) With respect to a Double REMIC Series, amounts withdrawn from any Pooling Portion of the Book-Entry Depository Account in accordance with Section 3.04(d) (other than amounts distributable in respect of a Pooling REMIC Residual Interest) shall be deemed to be distributed on the Pooling REMIC Subaccounts of the related Pooling REMIC and withdrawn from those Pooling REMIC Subaccounts to be transferred to the related Issuing Portion of the Book-Entry Depository Account or the related Issuing Portion of the Collection Account, as applicable, and any amounts payable on MX or Modifiable Securities shall be deemed withdrawn from such Issuing Portions and transferred to the applicable MX or Modifiable Securities accounts as payments on the REMIC Securities underlying such MX or Modifiable Securities.

(b) With respect to each Double REMIC Series, the Trust Agreement will set forth the terms of each Pooling REMIC Regular Interest and each Pooling REMIC Residual Interest. Unless otherwise specified in the Trust Agreement (i) the Pooling REMIC Regular Interests will be designated as “regular interests” in the related Pooling REMIC for purposes of the REMIC provisions but will not constitute securities or certificates of interest in the Trust and (ii) the Trustee will be the legal owner of the Pooling REMIC Regular Interests, which may not be transferred to any person other than a successor trustee appointed pursuant to Section 5.08 hereof unless the party desiring to transfer such Interests obtains a Special Tax Opinion.

Section 7.05. Final Residual Proceeds.

(a) Single REMIC Series. The Holders of the Residual Securities of each Trust REMIC shall be entitled to receive, on the Distribution Date after payment in full of the Regular Interests in such Trust REMIC, any amounts due Ginnie Mae and any administrative expenses

associated with such REMIC, their pro rata shares of any amounts remaining in such Trust REMIC.

(b) Double REMIC Series. The Holders of the Residual Securities of one or more Pooling REMICs and an Issuing REMIC shall be entitled to receive, on each Distribution Date after payment of any amounts due to the Regular Interests in such Issuing REMIC and the related Pooling REMICs as of such Distribution Date, any amounts due Ginnie Mae and any administrative expenses associated with such REMICs and the related Trust, their pro rata shares of any amounts remaining in such Pooling REMICs and the Issuing REMIC. The Holders of the Class RP Securities of a Pooling REMIC shall be entitled to receive, on each Distribution Date after payment of any amounts due to the Regular Interests in the related Pooling REMIC as of such Distribution Date, any amounts due Ginnie Mae and any administrative expenses associated with the related Pooling REMIC and the related Trust, their pro rata shares of any amounts remaining in such Pooling REMIC. The Holders of the Class RI Securities of an Issuing REMIC shall be entitled to receive, on each Distribution Date after payment of any amounts due to the Regular Interests in the Issuing REMIC as of such Distribution Date, any amounts due Ginnie Mae and any administrative expenses associated with such REMIC and the related Trust, their pro rata shares of any amounts remaining in such Issuing REMIC.

Section 7.06. Tax Treatment of Certain Notional Classes.

(a) Single REMIC Series. With respect to any Notional Class whose initial Class Notional Balance is less than 100% of the initial principal balance of the Trust Assets (excluding for all calculations in this paragraph any assets related to the Trustee Fee) underlying such Notional Class, for purposes of complying with the REMIC Provisions, the interest accrued on such Notional Class can be expressed as a specified portion of the interest payments on such Trust Assets equal to the excess, if any, of (1) all the interest accrued for such Accrual Period on such Trust Assets, over (2) interest accrued for such Accrual Period on such Trust Assets at a rate equal to (x) the Certificate Rate for such Trust Assets, minus (y) the product of (i) the Interest Rate for such Notional Class, and (ii) a fraction, the numerator of which is the initial Class Notional Balance of such Notional Class and the denominator of which is the initial principal balance of such Trust Assets.

(b) Double REMIC Series. With respect to any Notional Class whose initial Class Notional Balance is less than 100% of the initial principal balance of the Pooling REMIC Subaccount corresponding to such Notional Class, for purposes of complying with the REMIC Provisions, the interest accrued on such Notional Class can be expressed as a specified portion of

(a) the interest payments on such Pooling REMIC Subaccount equal to the excess, if any, of (1) all the interest accrued for such Accrual Period on such Pooling REMIC Subaccount, over (2) interest accrued for such Accrual Period on such Pooling REMIC Subaccount at a rate equal to (x) the Interest Rate for such Pooling REMIC Subaccount, minus (y) the product of (i) the Interest Rate for such Notional Class, and (ii) a fraction, the numerator of which is the initial Class Notional Balance of such Notional Class and the denominator of which is the initial principal balance of such Pooling REMIC Subaccount. With respect to a Notional Class whose

initial Class Notional Balance consists of portions that correspond to two or more Pooling REMIC Subaccounts, the interest accrued on such Notional Class can be described as the sum of the amounts determined by applying the preceding sentence separately to each such Pooling REMIC Subaccount and the portion of the initial Class Notional Balance of such Notional Class corresponding to each such Pooling REMIC Subaccount.

ARTICLE VIII

MISCELLANEOUS PROVISIONS

Section 8.01. Limitation of Rights of Holders.

The death or incapacity of any person having an interest, beneficial or otherwise, in a Security shall not operate to terminate any Trust Agreement or any Trust REMIC, nor entitle the legal representatives or heirs of such person or any Holder for such person to claim an accounting, take any action or bring any proceeding in any court for a partition or winding up of any Trust REMIC, nor otherwise affect the rights, obligations and liabilities of the parties hereto or any of them.

Section 8.02. Control by Holders.

Except as otherwise provided in the Trust Agreement, no Holder in any Series shall have any right to vote or in any manner otherwise control the administration, operation and management of any Trust REMIC or the Securities backing such Trust REMIC, or the obligations of the parties hereto, nor shall anything herein set forth, or contained in the terms of the Securities, be construed so as to constitute the Holders from time to time as partners or members of an association; nor shall a Holder be under any liability to any third person by reason of any action taken by the parties to this Trust Agreement pursuant to any provision hereof. Notwithstanding the foregoing, the Holders of 25% of the Voting Rights shall have the right to require the related Trustee to enforce on their behalf the Ginnie Mae Guaranty in accordance with Section 3.06(b) hereof.

Section 8.03. Amendment of Trust Agreements.

(a) Any Trust Agreement may, with the consent of Ginnie Mae, and shall, at the request of Ginnie Mae, be amended from time to time by the Trustee without the consent of the Sponsor or any Holder or Holders (i) to cure any ambiguity, to correct or supplement any provision herein which may be inconsistent with any other provision herein, or to make any other provisions with respect to this Trust Agreement, provided that any such amendment shall not effect a change in principal priority schedules, interest rates, the Termination Price, Distribution Dates, Record Dates, Accounting Dates, terms of optional terminations, the Ginnie Mae Guaranty or other payment terms established by the Trust Agreement for the Series or otherwise adversely affect in any material respect the interests of any Holder and shall not impose an additional obligation on any party who has not consented to such amendment; (ii) to permit the Trustee to take any necessary or helpful action to maintain the qualification of any Trust REMIC

as a REMIC under the Code or to avoid the imposition of any state or federal tax on any Trust or related Trust REMIC or Asset Pool; or (iii) except as provided in Section 8.03(b) below, to make any other changes that Ginnie Mae requests. Notwithstanding any other provision herein, the related Trust Agreement may not be amended if the effect of such amendment is to disqualify the treatment of any Trust REMIC as a REMIC under the Code or to result in the imposition of any state or federal tax on any Trust or related Trust REMIC or Asset Pool.

(b) Notwithstanding any other provision herein, without the consent of each Holder who may be adversely affected, the related Trust Agreement may not be amended to impair or affect the right of such Holder to receive payment of principal and interest (including any payment under the Ginnie Mae Guaranty in respect thereof) or to institute suit for the enforcement of any such payment, all as herein provided, on or after the respective due date of such payment.

(c) Solely for purposes of this Section, if the principal amount of a Residual Class has been reduced to zero prior to the principal amounts of all the other Classes of Securities of the related Series having been reduced to zero, each Security of such Residual Class shall be deemed to have an aggregate outstanding principal amount of \$1,000.00.

Section 8.04. Persons Deemed Owners.

The Trustee, Ginnie Mae and the Registrar, or any agent of the Trustee, Ginnie Mae or the Registrar, may deem and treat the Holder of the Securities (which, with respect to the Book-Entry Securities, will be the Book-Entry Depository (or its nominee)), as the absolute owner of such Securities for the purpose of receiving distributions of principal or interest and for all other purposes, and neither the Trustee, Ginnie Mae nor the Registrar, nor any agent of the Trustee, Ginnie Mae or the Registrar, shall be affected by any notice to the contrary. All such distributions so made to the Holder or upon such Holder's order shall be valid and, to the extent of the sum or sums so distributed, effectual to satisfy and discharge the duty for monies distributable by the Trustee upon such Securities.

The Holder of a Book-Entry Security is not the Beneficial Owner of such Security. The rights of a Beneficial Owner of a Book-Entry Security with respect to the Trustee, Ginnie Mae and the Registrar may be exercised only through the Holder, which is the Book-Entry Depository or its nominee. The Trustee, Ginnie Mae and the Registrar will have no obligation to a Beneficial Owner of a Book-Entry Security because such obligations are satisfied directly to the Book-Entry Depository.

Section 8.05. Third-Party Beneficiary; Ginnie Mae Subrogation.

The Trustee and the Sponsor hereby acknowledge and agree that Ginnie Mae is a third-party beneficiary of each Trust Agreement and entitled to enforce all obligations of any party to a Trust Agreement. Ginnie Mae shall be subrogated to all the rights, interests, remedies, powers and privileges of the Holders in respect of any Ginnie Mae Guaranty Payments, to the extent of such payments.

Section 8.06. Preemption.

Pursuant to Section 306(g)(3)(E)(iv) of the National Housing Act (12 U.S.C. § 1721(g)(3)(E)(iv)), Ginnie Mae may exercise any right or power granted to it in or recognized under the Trust Agreement irrespective of any stay arising from, any injunction or other process issued pursuant to, and any restriction or limitation imposed by any bankruptcy, insolvency, receivership, conservatorship or other similar law or regulation, state or federal, now or hereafter in effect, including without limitation 11 U.S.C. §§ 105, 362 and 18 U.S.C. §§ 1821, 1823, each as amended from time to time.

INsofar AS THERE MAY BE NO APPLICABLE LAW OF THE UNITED STATES, THE INTERNAL LAWS OF THE STATE OF NEW YORK (WITHOUT GIVING REGARD TO CONFLICT OF LAWS PRINCIPLES OTHER THAN SECTIONS 5-1401 AND 5-1402 OF THE NEW YORK GENERAL OBLIGATIONS LAW) SHALL BE DEEMED REFLECTIVE OF THE LAWS OF THE UNITED STATES OF AMERICA, INsofar AS TO DO SO WOULD NOT FRUSTRATE THE PURPOSES OF ANY PROVISION OF THE TRUST AGREEMENT OR THE TRANSACTIONS GOVERNED THEREBY.

Guaranteed [Multifamily] REMIC Pass-Through Securities
Class [R] [RR] [RP and/or RI] Securities

Under penalties of perjury, I, [Representative of Purchaser], declare that, to the best of my knowledge and belief, the following representations and warranties are true, correct, and complete.

1. That I am [Title of Representative] of [Purchaser], a _____ (the "Purchaser"), whose mailing address is _____ and whose taxpayer identification number is _____, and on behalf of which I have the authority to make this affidavit. If the Purchaser is disregarded as an entity separate from its owner under Treasury Regulation Section 301.7701-3(b)(1)(ii) or is characterized as a partnership for United States federal income tax purposes, each owner of the Purchaser is identified on Schedule 1. [_____ has been chosen as Nominee for the Purchaser (the "Nominee"). The mailing address for the Nominee is _____ and its taxpayer identification number is _____.]

2. That the Purchaser is acquiring a Class [R] [RR] [RP and/or RI] Security representing a residual interest in one or more Trust REMICs for whose designated assets a real estate mortgage investment conduit (a "REMIC") election or elections are to be made under Section 860D of the Internal Revenue Code of 1986, as amended (the "Code").

3. That the Purchaser understands that no residual interest may be transferred, sold, or otherwise assigned without the express written consent of the Trustee and that as a condition to that consent, any transferee (including the initial purchaser) of such an interest must provide the Trustee with a properly completed transfer affidavit, substantially in the form of this affidavit.

4. That the Purchaser agrees that the Trustee can execute all instruments of transfer to assist the Purchaser's transfer, sale, or other form of assignment ("Transfer") of the residual interest and do all other things necessary in connection with such Transfer.

5. That the Purchaser is (i) a citizen or resident of the United States, (ii) a corporation that is organized under the laws of the United States, any state thereof or the District of Columbia, including an entity treated as a corporation for federal income tax purposes, (iii) a partnership, including any entity treated as a partnership for federal income tax purposes (other than a partnership that is not treated as a United States person under any applicable Treasury regulation) organized under the laws of the United States, any state thereof or the District of Columbia, none of the interests of which are owned, directly or indirectly through one or more pass-through entities, by any person that is not a U.S. Person within the meaning of this paragraph, (iv) an estate that is subject to United States federal income taxation regardless of the source of its income, (v) a trust if a court within the United States is able to exercise primary supervision over the administration of such trust and one or more United States persons have the authority to control all substantial decisions of the trust (or to the extent provided in the applicable Treasury regulations, certain trusts in existence on August 20, 1996 that are eligible to be treated as United States persons), or (vi) a foreign person who would be subject to United States income taxation on a net basis on income derived from the Class [R] [RR] [RP and/or RI] Securities ((i)-(vi), a “U.S. Person”).

6 Any purchaser that is characterized as a partnership for U.S. federal income tax purposes certifies that, during all periods in which it holds the Class [R] [RR] [RP] and/or [RI] Securities, all income from such Securities will be allocated to partners that are U.S. Persons.

7. That the Purchaser is not (i) the United States, (ii) any state or political subdivision thereof, (iii) a foreign government, (iv) an international organization, (v) an agency or instrumentality of any of the foregoing, (vi) a tax-exempt organization (other than a cooperative described in Section 521 of the Code) that is exempt from federal income tax unless that organization is subject to tax under the unrelated business taxable income provisions of the Code, (vii) an organization described in Section 1381(a)(2)(C) of the Code, (viii) an electing large partnership within the meaning of Section 775 of the Code, (ix) a foreign permanent establishment or fixed base (within the meaning of an applicable income tax treaty) of a U.S. Person, or (x) any other entity identified as a disqualified organization by the REMIC Provisions (a “Disqualified Organization”). A corporation will not be treated as an instrumentality of the United States or any state or political subdivision thereof for purposes of this paragraph if all of its activities are subject to tax and, with the exception of the Federal Home Loan Mortgage Corporation, a majority of its board of directors is not selected by that governmental unit.

8. That the Purchaser is not acquiring the residual interest as a nominee, trustee or agent for any Person that is not a U.S. Person or that is a Disqualified Organization.

9. That the Purchaser is not (a) a “benefit plan investor” that is described in or subject to the Department of Labor regulations set forth in 29 C.F.R. § 2510.3-101 (the “Plan Asset Regulations”), (b) a plan or arrangement that is subject to Code Section 4975, (c) a “governmental plan” as defined in Section 3(32) of ERISA, (d) any plan or arrangement that is subject to any federal, state, or local law that is substantially similar to the Plan Asset Regulations, Code Section 4975, or ERISA Section 3(32), (e) a person acting on behalf of or utilizing the assets of any of the foregoing, or (f) an insurance company that cannot represent and warrant that all funds used by it in acquiring the Security were held by it in its general account,

that it will hold the Security in its general account, and that it reasonably believes that its general account and the Security do not and will not constitute “plan assets” for purposes of ERISA and the Plan Asset Regulations (any of the foregoing, a “Plan Investor”).

10. That the Purchaser agrees that it shall immediately notify the Trustee if it becomes aware that any representation and warranty made herein will or has become false.

11. That the Purchaser agrees not to Transfer or cause the Transfer of its residual interest to any Person if (i) such Person does not supply the Trustee with a properly completed Transfer Affidavit or (ii) the Purchaser has actual knowledge that the Transfer Affidavit supplied by such Person is false.

12. That the Purchaser historically has paid its debts as they have come due and intends to pay its debts as they come due in the future and the Purchaser intends to pay the taxes associated with holding the Class [R] [RR] [RP and/or RI] Securities as such taxes become due. That, if the Purchaser is characterized as a partnership for federal income tax purposes, based on the Purchaser’s knowledge or due inquiry, each person or entity that holds an interest (directly or indirectly) through a pass-through entity in such partnership intends to pay its share of any tax liabilities due in respect of such partnership’s ownership of the Class [R] [RR] [RP and/or RI] Securities.

13. That the Purchaser understands that it may incur tax liabilities with respect to the Class [R] [RR] [RP and/or RI] Securities in excess of cash flows generated by the Class [R] [RR] [RP and/or RI] Securities. That, if the Purchaser is characterized as a partnership for federal income tax purposes, based on the Purchaser’s knowledge or due inquiry, each partner is the Purchaser to whom income from the Class [R] [RR] [RP and/or RI] Securities is allocated understands that it may incur tax liabilities with respect to such Securities in excess of cash flows generated by such Securities.

14. That the Purchaser will not Transfer the Class [R] [RR] [RP and/or RI] Securities to any person or entity from which the Purchaser has not received an affidavit substantially in the form of this affidavit and as to which the Purchaser has actual knowledge or reason to know that the requirements set forth in paragraph 5, 6, 7, 11 or 12 hereof are not satisfied.

15. That the Purchaser has provided financial statements or other financial information requested by the Transferor in connection with the Transfer of the Class [R] [RR][RP] and /or RI] Securities to permit the Transferor to assess the financial capability of the Purchaser to pay such tax.

16. That the Purchaser agrees to such amendments of the Trust Agreement as may be required to further effectuate the restrictions on Transfer of the Class [R] [RR] [RP and/or RI] Securities to a Disqualified Organization, an agent thereof, a Plan Investor or a person that does not satisfy the requirements of paragraphs 5, 6, 7, 11 and 12 hereof.

17. That the Purchaser agrees to be bound by, and understands that its rights as owner of a residual interest are expressly subject to, all terms of the related Trust Agreement applicable

to owners of residual interests, including the special transfer restrictions relating to residual interests in Section 2.04 of the Standard Trust Provisions.

18. That the Purchaser understands that the Transfer of the Class [R] [RR] [RP and/or RI] Securities to a U.S. Person will be disregarded for all federal income tax purposes if a significant purpose of the Transfer is to impede the assessment or collection of any taxes associated with the Securities within the meaning of Treasury regulation Section 1.860E-1(c)(1).

This Security evidences a percentage interest in the distributions allocable to the Class indicated on the face hereof issued by the Trust, the assets of which consist primarily of the Trust Assets.

THIS CERTIFIES THAT

is the registered owner of the Percentage Interest evidenced by this Security (either explicitly specified above or obtained by dividing the denomination of this Security by the aggregate of the denominations of all Securities of this Class) in any monthly distributions allocable to this Class of Securities. The Securities were issued by the Trust created pursuant to a trust agreement (the “Trust Agreement”) between the Sponsor and the Trustee, not in its individual capacity but solely as Trustee. To the extent not defined herein, the capitalized terms used herein have the meanings set forth in the Trust Agreement and Glossary in the Ginnie Mae Multiclass Securities Guide in effect on the Closing Date. This Security is issued under and is subject to the terms, provisions and conditions of the Trust Agreement, to which the Holder of this Security, by virtue of the acceptance hereof, assents and by which such Holder is bound.

Pursuant to the terms of the Trust Agreement, a distribution will be made on [the [] day of each month or, if such day is not a Business Day, the first Business Day thereafter] (each, a “Distribution Date”), commencing in the month following the month of the Closing Date, to the Person in whose name this Security is registered at the close of business on the last Business Day of the month immediately preceding the month of such distribution (the related “Record Date”), in an amount equal to the product of the Percentage Interest evidenced by this Security and the distributions, if any, allocable to this Class pursuant to the Trust Agreement. Notwithstanding the foregoing, distributions on Certificated Securities of this Class will be made on the Business Day following the Distribution Date.

This Security is limited in right of payment to certain collections in respect of the Trust Assets and the Ginnie Mae Guaranty, all as more specifically set forth in the Trust Agreement. This Security does not represent an obligation of the Sponsor or the Trustee or either of their affiliates.

Distributions on Book-Entry Securities shall be made on each Distribution Date by wire transfer of immediately available funds to the Book-Entry Depository. Distributions on any Certificated Security shall be made on the Business Day following each Distribution Date (a) by check mailed to the Holder thereof at its address reflected in the Register as of the related Record Date or (b) upon receipt by the Trustee from a Holder of a written request and wire instructions at least five Business Days prior to the related Record Date, by wire transfer of immediately available funds on the Business Day following the related Distribution Date and each subsequent

Distribution Date to the account of such Holder, if such Holder holds Securities having an initial aggregate principal balance of at least \$5,000,000. Notwithstanding the foregoing, the final distribution in retirement of any Security will be made only upon presentation and surrender of the certificate at the Corporate Trust Office.

Subject to the limitations set forth in the Trust Agreement, the Trust Agreement may be amended for any purpose, without the consent of any Holder or Holders. However, the Trust Agreement may not be amended without the consent of the affected Holders if the effect of such amendment is to alter the timing or amount of any required distribution of principal or interest (including distributions made pursuant to the Ginnie Mae Guaranty) to any Holder, or the right of any Holder to institute suit for the enforcement of any such payment. Any such consent by the Holder of this Security shall be conclusive and binding on such Holder and upon all future holders of this Security and of any Security issued upon the transfer hereof or in exchange herefor or in lieu hereof regardless of whether notation of such consent is made upon this Security.

As provided in the Trust Agreement and subject to certain limitations therein set forth, the Holder of this Security may register the transfer of this Security in the Register by surrendering this Security at the Corporate Trust Office of the Trustee. The surrendered Security must be duly endorsed by, or accompanied by an assignment in the form below or other written instrument of transfer in form satisfactory to the Trustee and the Registrar duly executed by, the Holder hereof or such Holder's attorney duly authorized in writing. Upon such surrender, one or more new Securities of like tenor of authorized denominations will be issued to the designated transferee or transferees.

The Securities of this Class initially are issuable in the form specified on the cover hereto and in denominations specified in the Trust Agreement. As provided in the Trust Agreement and subject to certain limitations therein set forth (a) Beneficial Owners of Book-Entry Securities may request Certificated Securities for a fee of \$25,000 per physical certificate, (b) Holders of Certificated Securities may, upon request, surrender their Certificated Securities and become the Beneficial Owner of a Book-Entry Security of like tenor and denomination and (c) all Securities are exchangeable for new Securities of like tenor of authorized denominations, as requested by the Holder surrendering the same. There will be a service charge for any such registration of transfer or exchange, and the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

The Tax Administrator, Ginnie Mae and the Trustee and any agent of the Tax Administrator, Ginnie Mae or the Trustee may treat the Person in whose name this Security is registered as the owner hereof for all purposes, and neither the Tax Administrator, Ginnie Mae nor the Trustee, nor any such agent shall be affected by notice to the contrary.

The obligations created by the Trust Agreement and the Trust shall terminate upon the payment to Holders of all amounts held by or on behalf of the Trustee and required to be paid to them pursuant to the Trust Agreement. The Trust Agreement permits, but does not require, the Trustee to purchase all assets held by the Trust, at a price determined as provided in the Trust

Agreement, when the aggregate of the Class Principal Balances of the Securities is less than 1% of the aggregate of the Original Class Principal Balances of the Securities. Any exercise by the Trustee of such option would effect early retirement of the Securities. In addition, the Trust (or one or more related Trust REMICs) may be terminated by the Trustee (and the related Securities retired) under certain circumstances in which the REMIC status of any Trust REMIC is threatened.

Unless the certificate of authentication herein has been executed by the Trustee, by manual signature, this Security shall not represent entitlement to any benefit under the Trust Agreement or be valid for any purpose.

IN WITNESS WHEREOF, the Trustee has caused this Security to be duly executed under its official seal.

This Security evidences a percentage interest in the distributions allocable to the Class R Securities issued by the Trust, the assets of which consist primarily of the Trust Assets.

THIS CERTIFIES THAT

is the registered owner of the Percentage Interest evidenced by this Security (either explicitly specified above or obtained by dividing the denomination of this Security by the aggregate of the denominations of all Securities of this Class) in any monthly distributions allocable to this Class of Securities. The Securities were issued by the Trust created pursuant to a trust agreement (the "Trust Agreement") between the Sponsor and the Trustee, not in its individual capacity but solely as Trustee. The capitalized terms used and not defined herein have the meanings set forth in the Trust Agreement and Glossary in the Ginnie Mae Multiclass Securities Guide in effect on the Closing Date. This Security is issued under and is subject to the terms, provisions and conditions of the Trust Agreement to which the Holder of this Security, by virtue of its acceptance hereof, assents and by which such Holder is bound.

The distribution date is the respective day of each month provided in Section 3.04(i) of the Standard Trust Provisions for distributions to Holders of the Residual Interest (each, a "Distribution Date"), commencing in the month following the month of the Closing Date. Nevertheless, pursuant to the terms of the Trust Agreement, distributions will not be made on this Security until the Business Day following each Distribution Date. Distributions will be made to the Person in whose name this Security is registered at the close of business on the last Business Day of the month immediately preceding the month of such distribution (the related

“Record Date”), in an amount equal to the product of the Percentage Interest evidenced by this Security and the distributions, if any, allocable to this Class of Securities pursuant to the Trust Agreement.

This Security is limited in right of payment to certain collections in respect of the Trust Assets and the Ginnie Mae Guaranty, all as more specifically set forth in the Trust Agreement. This Security does not represent an obligation of the Sponsor or the Trustee or either of their affiliates.

Distributions on this Security will be made by check mailed to the Holder at its address reflected in the Register as of the related Record Date. Notwithstanding the foregoing, the final distribution in retirement of this Security will be made only upon presentation and surrender of this Security at the Corporate Trust Office.

Subject to the limitations set forth in the Trust Agreement, the Trust Agreement may be amended for any purpose, without the consent of any Holder or Holders of the Securities. However, the Trust Agreement may not be amended without the consent of the affected Holders if the effect of such amendment is to alter the timing or amount of any required distribution of principal or interest (including distributions made pursuant to the Ginnie Mae Guaranty) to any Holder, or the right of any Holder to institute suit for the enforcement of any such payment. Any such consent by the Holder of this Security shall be conclusive and binding on such Holder and upon all future holders of this Security and of any Security issued upon the transfer hereof or in exchange herefor or in lieu hereof regardless of whether notation of such consent is made upon this Security.

As provided in the Trust Agreement and subject to certain limitations set forth therein, the Holder of this Security may register the transfer of this Security in the Register by surrendering this Security at the Corporate Trust Office of the Trustee. The surrendered Security must be duly endorsed by, or accompanied by an assignment in the form below or other written instrument of transfer in form satisfactory to the Trustee and the Registrar duly executed by, the Holder hereof or such Holder’s attorney duly authorized in writing. Upon such surrender, one or more new Securities of like tenor of authorized denominations or Percentage Interests will be issued to the designated transferee or transferees.

The Class R Securities are issuable as Certificated Securities without coupons in the minimum denomination or Percentage Interest specified in the Trust Agreement. As provided in the Trust Agreement and subject to certain limitations set forth therein, this Class R Security is exchangeable for one or more new Securities of like tenor of authorized denomination, as requested by the Holder surrendering the same. The Trustee may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection with any registration of transfer or exchange of this Security.

The Tax Administrator, Ginnie Mae and the Trustee and any agent of the Tax Administrator, Ginnie Mae or the Trustee may treat the Person in whose name this Security is

registered as the owner hereof for all purposes, and neither the Tax Administrator, Ginnie Mae nor the Trustee, nor any such agent shall be affected by notice to the contrary.

An election will be made to treat the Asset Pool as a REMIC (the "Trust REMIC") under the Internal Revenue Code of 1986, as amended (the "Code"). Assuming that such election is made properly and that certain qualification requirements concerning the Asset Pool and the Securities are met, the Holder of this Class R Security will be treated for federal income tax purposes as the beneficial owner of a "residual interest" in the Trust REMIC. Accordingly, the Holder of this Class R Security will be taxed on its pro rata share of the Trust REMIC's taxable income or net loss. The requirement that the Holder of this Class R Security report its pro rata share of such income or loss will continue until there are no Securities of any Class outstanding.

Pursuant to the Trust Agreement, the Tax Administrator, as agent of the Trust REMIC, will provide the Holder of this Class R Security with information sufficient to enable such Holder to prepare (i) its federal income tax and information returns and (ii) any reports required by the Code regarding the Securities, except where such information is provided to each such Holder by the Trustee pursuant to the Trust Agreement. As the Holder of the residual interest in the Trust REMIC, the Holder of this Class R Security will have continuing administrative rights and obligations with respect to such REMIC generally similar to those of a partner with respect to its partnership. Such rights and obligations principally concern the Trust REMIC's federal income tax and information returns and the representation of the Trust REMIC in administrative or judicial proceedings involving the Internal Revenue Service. The Tax Administrator, however, will act on behalf of the Holder of this Class R Security as the representative of the Trust REMIC for such proceedings. The federal income tax and information returns of the Trust REMIC will be prepared by the Tax Administrator and signed and filed by the Trustee.

By accepting this Security, the Holder of this Security agrees to be bound by all of the provisions of the Trust Agreement and, in particular, agrees that it shall (i) take any action required by the Code or Treasury regulations thereunder in order to create or maintain the REMIC status of the Trust REMIC and (ii) refrain from taking any action that could endanger such status.

No transfer of this Security (or any beneficial interest therein) is permitted without the written consent of the Trustee. As a condition to that consent, any Transferee (including the initial purchaser) of this Security must provide the Trustee with a properly completed Transfer Affidavit, substantially in the form of Exhibit 1 to the Standard Trust Provisions, in which the proposed Transferee represents and warrants to the Trustee that it (i) is a Permitted Transferee and (ii) is not a Plan Investor. Notwithstanding the fulfillment of that condition, the Trustee may withhold its consent to a transfer, but only to the extent necessary to avoid a risk of (i) disqualification of the Trust REMIC as a REMIC or (ii) the imposition of a tax upon the Trust REMIC. In addition, the Trustee shall not give its consent to the transfer of less than all of a Transferor's Ownership Interest in this Security unless the transferred interest can be expressed as a single constant percentage of the Transferor's Ownership Interest in this Security. Any attempted transfer in violation of the foregoing restrictions will be null and void and shall not be recognized by the Trustee.

If a tax or a reporting cost is borne by any Trust REMIC as a result of the transfer of this Class R Security, or any beneficial interest therein, in violation of the restrictions set forth herein and in the Trust Agreement, the Trustee may pay such tax or reporting cost with amounts that otherwise would have been paid to the transferee of this Class R Security, or beneficial interest therein. In that event, neither the transferee nor the transferor shall have any right to seek repayment of such amounts from the Trustee, Ginnie Mae, the Trust, the Tax Administrator, the Sponsor or the Holders of the other Securities. The Tax Administrator shall make, or cause to be made, available the information necessary for the application of Section 860E(e) of the Code.

The obligations created by the Trust Agreement and the Trust shall terminate upon the payment to the Holders of the Securities of all amounts held by or on behalf of the Trustee and required to be paid to them pursuant to the Trust Agreement. The Trust Agreement permits, but does not require, the Trustee to purchase all assets held by the Trust, at a price determined as provided in the Trust Agreement, when the aggregate of the Class Principal Balances of the Securities is less than 1% of the aggregate of the Original Class Principal Balances of such Securities. Any exercise by the Trustee of such option would effect early retirement of the Securities. In addition, the Trust (or the related Trust REMIC) may be terminated by the Trustee (and the related Securities retired) under certain circumstances in which the REMIC status of the related Trust REMIC is threatened.

Unless the certificate of authentication herein has been executed by the Trustee by manual signature this Security shall not represent entitlement to any benefit under the Trust Agreement or be valid for any purpose.

IN WITNESS WHEREOF, the Trustee has caused this Security to be duly executed under its official seal.

The Securities were issued by the Trust created pursuant to a trust agreement (the "Trust Agreement") between the Sponsor and the Trustee, not in its individual capacity but solely as Trustee. The capitalized terms used and not defined herein have the meanings set forth in the Trust Agreement and Glossary in the Ginnie Mae Multiclass Securities Guide in effect on the Closing Date. This Security is issued under and is subject to the terms, provisions and conditions of the Trust Agreement to which the Holder of this Security, by virtue of its acceptance hereof, assents and by which such Holder is bound.

The distribution date is the respective day of each month provided in Section 3.04(i) of the Standard Trust Provisions for distributions to Holders of the Residual Interest (each, a "Distribution Date"), commencing in the month following the month of the Closing Date. Nevertheless, pursuant to the terms of the Trust Agreement, distributions will not be made on this Security until the Business Day following each Distribution Date. Distributions will be made to the Person in whose name this Security is registered at the close of business on the last Business Day of the month immediately preceding the month of such distribution (the related "Record Date"), in an amount equal to the product of the Percentage Interest evidenced by this

Security and the distributions, if any, allocable to this Class of Securities pursuant to the Trust Agreement.

This Security is limited in right of payment to certain collections in respect of the Trust Assets and the Ginnie Mae Guaranty, all as more specifically set forth in the Trust Agreement. This Security does not represent an obligation of the Sponsor or the Trustee or either of their affiliates.

Distributions on this Security will be made by check mailed to the Holder at its address reflected in the Register as of the related Record Date. Notwithstanding the foregoing, the final distribution in retirement of this Security will be made only upon presentation and surrender of this Security at the Corporate Trust Office.

Subject to the limitations set forth in the Trust Agreement, the Trust Agreement may be amended for any purpose, without the consent of any Holder or Holders of the Securities. However, the Trust Agreement may not be amended without the consent of the affected Holders if the effect of such amendment is to alter the timing or amount of any required distribution of principal or interest (including distributions made pursuant to the Ginnie Mae Guaranty) to any Holder, or the right of any Holder to institute suit for the enforcement of any such payment. Any such consent by the Holder of this Security shall be conclusive and binding on such Holder and upon all future holders of this Security and of any Security issued upon the transfer hereof or in exchange herefor or in lieu hereof regardless of whether notation of such consent is made upon this Security.

As provided in the Trust Agreement and subject to certain limitations set forth therein, the Holder of this Security may register the transfer of this Security in the Register by surrendering this Security at the Corporate Trust Office of the Trustee. The surrendered Security must be duly endorsed by, or accompanied by an assignment in the form below or other written instrument of transfer in form satisfactory to the Trustee and the Registrar duly executed by, the Holder hereof or such Holder's attorney duly authorized in writing. Upon such surrender, one or more new Securities of like tenor of authorized denominations or Percentage Interests will be issued to the designated transferee or transferees.

The Class RR Securities are issuable as Certificated Securities without coupons in the minimum denomination or Percentage Interest specified in the Trust Agreement. As provided in the Trust Agreement and subject to certain limitations set forth therein, this Class RR Security is exchangeable for one or more new Securities of like tenor of authorized denomination, as requested by the Holder surrendering the same. The Trustee may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection with any registration of transfer or exchange of this Class RR Security.

The Tax Administrator, Ginnie Mae and the Trustee and any agent of the Tax Administrator, Ginnie Mae or the Trustee may treat the Person in whose name this Security is registered as the owner hereof for all purposes, and neither the Tax Administrator, Ginnie Mae nor the Trustee, nor any such agent shall be affected by notice to the contrary.

Elections will be made to treat each Asset Pool as a REMIC (the “Pooling REMIC” and the “Issuing REMIC,” and together the “Trust REMICs”) under the Internal Revenue Code of 1986, as amended (the “Code”). [Assuming that such elections are made properly and that certain qualification requirements concerning the Asset Pools and the Securities are met, the Holder of this Class RR Security will be treated for federal income tax purposes as the beneficial owner of a “residual interest” in [each of][the] Pooling REMIC and the Issuing REMIC. Accordingly, the Holder of this Class RR Security will be taxed on its pro rata share of each of the Pooling REMIC’s [REMICs’] and the Issuing REMIC’s taxable income or net loss.] The requirement that the Holder of this Class RR Security report its pro rata share of such income or loss will continue until there are no Securities of any Class outstanding.

The registered Holder of a Class RR Security will be entitled to separate such Security into its component parts. The Trustee shall, upon delivery to it of this Class RR Security and a written request of the registered Holder thereof to separate such Security into its component parts, issue to such registered Holder in exchange for such Class RR Security (i) a separately transferable, certified and fully registered security substantially in the form of Exhibit 5 to the Standard Trust Provisions (a “Class RP Security”) that will, from the date of its issuance, represent the Holder’s Percentage Interest in the Residual Interest in the related Pooling REMIC and (ii) a separately transferable, certified and fully registered security substantially in the form of Exhibit 6 to the Standard Trust Provisions (a “Class RI Security”) that will, from the date of its issuance, represent the Holder’s Percentage Interest in the Residual Interest in the related Issuing REMIC. The Trustee may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection with such exchange of this Class RR Security.

Pursuant to the Trust Agreement, the Tax Administrator, as agent of the Trust REMIC, will provide the Holder of this Class RR Security with information sufficient to enable such Holder to prepare (i) its federal income tax and information returns and (ii) any reports required by the Code regarding the Securities, except where such information is provided to each such Holder by the Trustee pursuant to the Trust Agreement. As the Holder of a residual interest in each of the Trust REMICs, the Holder of this Class RR Security will have continuing administrative rights and obligations with respect to each such REMIC generally similar to those of a partner with respect to its partnership. Such rights and obligations principally concern the Trust REMICs’ federal income tax and information returns and the representation of the Trust REMICs in administrative or judicial proceedings involving the Internal Revenue Service. The Tax Administrator, however, will act on behalf of the Holder of this Class RR Security as the representative of the Trust REMICs for such proceedings. The federal income tax and information returns of the Trust REMICs will be prepared by the Tax Administrator and signed and filed by the Trustee.

[NOTE TO TRUST COUNSEL: IN THE CASE OF MULTIPLE POOLING REMICS OR SIDE-BY-SIDE REMICS, REVISE AS REMIC STRUCTURE REQUIRES]

By accepting this Security, the Holder of this Security agrees to be bound by all of the provisions of the Trust Agreement and, in particular, agrees that it shall (i) take any action required by the Code or Treasury regulations thereunder in order to create or maintain the

REMIC status of each Trust REMIC and (ii) refrain from taking any action that could endanger such status.

No transfer of this Security (or any beneficial interest therein) is permitted without the written consent of the Trustee. As a condition to that consent, any Transferee (including the initial purchaser) of this Security must provide the Trustee with a properly completed Transfer Affidavit substantially in the form of Exhibit 1 to the Standard Trust Provisions, in which the proposed Transferee represents and warrants to the Trustee that it (i) is a Permitted Transferee and (ii) is not a Plan Investor. Notwithstanding the fulfillment of that condition, the Trustee may withhold its consent to a transfer, but only to the extent necessary to avoid a risk of (i) disqualification of any Trust REMIC as a REMIC or (ii) the imposition of a tax upon any Trust REMIC. In addition, the Trustee shall not give its consent to the transfer of less than all of a Transferor's Ownership Interest in this Security unless the transferred interest can be expressed as a single constant percentage of the Transferor's Ownership Interest in this Security. Any attempted transfer in violation of the foregoing restrictions will be null and void and shall not be recognized by the Trustee.

If a tax or a reporting cost is borne by any Trust REMIC as a result of the transfer of this Class RR Security, or any beneficial interest therein, in violation of the restrictions set forth herein and in the Trust Agreement, the Trustee may pay such tax or reporting cost with amounts that otherwise would have been paid to the transferee of this Class RR Security, or beneficial interest therein. In that event, neither the transferee nor the transferor shall have any right to seek repayment of such amounts from the Trustee, Ginnie Mae, the Trust, the Tax Administrator, the Sponsor or the Holders of the other Securities. The Tax Administrator shall make, or cause to be made, available the information necessary for the application of Section 860E(e) of the Code.

The obligations created by the Trust Agreement and the Trust shall terminate upon the payment to the Holders of the Securities of all amounts held by or on behalf of the Trustee and required to be paid to them pursuant to the Trust Agreement. The Trust Agreement permits, but does not require, the Trustee to purchase all assets held by the Trust, at a price determined as provided in the Trust Agreement, when the aggregate of the Class Principal Balances of the Securities is less than 1% of the aggregate of the Original Class Principal Balances of such Securities. Any exercise by the Trustee of such option would effect early retirement of the Securities. In addition, the Trust (or one or more related Trust REMICs) may be terminated by the Trustee (and the related Securities retired) under certain circumstances in which the REMIC status of any Trust REMIC is threatened.

Unless the certificate of authentication herein has been executed by the Trustee by manual signature this Security shall not represent entitlement to any benefit under the Trust Agreement or be valid for any purpose.

IN WITNESS WHEREOF, the Trustee has caused this Security to be duly executed under its official seal.

ARTICLE II.

ESTABLISHMENT OF TRUST

Section 2.01 *Establishment of Trust.*

As of the Closing Date, the Sponsor will establish the Trust by depositing the Underlying REMIC Certificates identified in the related Trust Agreement with the Trust, and the Trust will issue the Securities, representing the entire beneficial ownership interest in the Trust, to the Sponsor in consideration of the Underlying REMIC Certificates.

Section 2.02 *Conveyance of Underlying REMIC Certificates.*

The deposit of Underlying REMIC Certificates by a Sponsor to a Trust pursuant to the related Trust Agreement shall occur upon the Closing Date for such Series and shall constitute a sale, assignment, transfer and conveyance by the Sponsor to the Trust of all right, title and interest in such Underlying REMIC Certificates as of the first day of the month of the Closing Date, notwithstanding any provision of federal or state law to the contrary.

Section 2.03 *Registration of Underlying REMIC Certificates.*

Each Underlying REMIC Certificate will be issued in uncertificated form under the related REMIC Trust Agreement in the name of the Trustee hereunder. The books and records of the Trustee will reflect that it holds the Underlying REMIC Certificates as Trustee of the related Trust for the benefit of the Holders of the Securities of that Trust.

Section 2.04 *Delivery of Securities.*

Simultaneously with the execution and delivery of the Trust Agreement, the Trustee shall deliver to the Sponsor the Securities (other than any Modifiable Securities that are the subject of an exchange and any MX Securities that are not the subject of an exchange immediately following their issuance).

Section 2.05 *Board Approval of Trust Agreement.*

Prior to the execution of the Trust Agreement and the establishment of the Trust, the Trustee's board of directors, its duly appointed loan committee, duly appointed trust committee or duly authorized officers, as the case may be, shall approve the Trust Agreement in accordance with the Trustee's organizational documents and any applicable state or federal regulation, including, to the extent applicable, and without limitation 12 C.F.R. §§ 9.7 and 550.5, each as amended from time to time, and such approval shall be reflected in the minutes of the Trustee's board or committee, as applicable. The Trustee shall maintain the Trust Agreement as an official record of the Trustee from the time the Trust Agreement is executed.

Section 2.06 *Separate Grantor Trusts.*

The arrangement pursuant to which each Trust is created pursuant to the related Trust Agreement, and pursuant to which the related Underlying REMIC Certificates will be administered, shall be treated as a separate grantor trust under subpart E, part I of subchapter J of the Internal Revenue Code of 1986, as amended (the “Code”) and the provisions of the related Trust Agreement shall be interpreted in a manner consistent with such treatment.

ARTICLE III.

THE SECURITIES

Section 3.01 *Forms of the Securities.*

(a) Forms and Denominations of Securities. The Classes of Securities shall be maintained, transferred and exchanged as Securities on the book-entry records of the Book-Entry Depository in minimum denominations of \$1,000 and integral multiples of \$1 in excess thereof, except that a Security of any Class designated as an Increased Minimum Denomination Class in the Trust Agreement shall, in the case of any Modifiable Security, be issued in the minimum denominations specified in the related Offering Circular for the Related REMIC Class with the corresponding Class designation or, in the case of MX Securities, shall be issued in such minimum denominations specified in the related Offering Circular. No person acquiring a beneficial ownership interest in the Securities (a “beneficial owner”) shall be entitled to receive a physical certificate representing such ownership interest.

(b) Method of Distribution. Distributions on the Securities shall be made by the Trustee on each Distribution Date to each Holder as of the related Record Date. Distributions on the Securities shall be made through the facilities of the Book-Entry Depository pursuant to instructions provided by the Trustee. In the event of a principal or interest payment error, the Trustee shall, pursuant to Ginnie Mae’s instructions, effect corrections by the adjustment of payments to be made on future Distribution Dates.

(c) Authorization, Issuance and Delivery of Securities. The manual execution of the MX Trust Agreement by an authorized officer of each of the Trustee and the Sponsor shall be conclusive evidence that the Securities have been duly and validly authorized and validly issued by the Trustee and are entitled to the benefits of the MX Trust Agreement.

Delivery of the Securities occurs when the Registrar registers the transferee as the registered owner of such Securities. The Securities to be issued at closing shall be identified on an Issuance Statement attached as Exhibit 1 to the Trust Agreement prepared by the Sponsor and delivered to the Trustee. On the Closing Date, the Registrar shall register the Book-Entry Depository as the registered owner of the Securities. Upon execution and delivery of the Guaranty Agreement with respect to each Trust, Ginnie Mae authorizes the issuance of the Securities, entitled to the benefits of the following Ginnie Mae Guaranty:

THE GOVERNMENT NATIONAL MORTGAGE ASSOCIATION, PURSUANT TO SECTION 306(g) OF THE NATIONAL HOUSING ACT, GUARANTEES THE TIMELY PAYMENT OF PRINCIPAL AND INTEREST ON THIS SECURITY IN ACCORDANCE

WITH THE TERMS AND CONDITIONS SET FORTH HEREIN AND IN THE RELATED TRUST AGREEMENT. THE FULL FAITH AND CREDIT OF THE UNITED STATES OF AMERICA IS PLEDGED TO THE PAYMENT OF ALL AMOUNTS THAT MAY BE REQUIRED TO BE PAID UNDER THIS GUARANTY.

Section 3.02 *Registration of Securities.*

The Trustee shall keep one or more offices or agencies at which, subject to such reasonable regulations as it may prescribe, the Trustee or another Person designated by the Trustee and approved by Ginnie Mae shall be the registrar and shall maintain a register and provide for the registration of Securities as herein provided.

Section 3.03 [Reserved].

Section 3.04 *Exchanges.*

Modifiable Securities shall be exchangeable on the books of the Book-Entry Depository for MX Securities, and MX Securities shall be exchangeable on the books of the Book-Entry Depository for Modifiable Securities, on and after the Closing Date under the terms and conditions hereinafter set forth and otherwise in accordance with the procedures specified in the related Offering Circular.

In the case of each Securities Group, Securities of the Class or Classes of Modifiable Securities in such Securities Group shall be exchangeable for Securities of the MX Securities in such Securities Group in the respective denominations determined pursuant to the applicable Exchange Ratios. Upon any such exchange, the portion or portions of the Modifiable Securities designated for exchange shall be deemed cancelled and replaced by the MX Security or Securities issued in exchange therefor. Correspondingly, MX Securities included in a Securities Group may be exchangeable for Securities of the Modifiable Classes included in the same Securities Group in the respective denominations determined pursuant to the applicable Exchange Ratios. In addition to the exchanges set forth above, in the case of any Ratio Strip Combination, Securities of each MX Class in such Ratio Strip Combination shall be exchangeable for Securities of the other MX Classes included in such Ratio Strip Combination in the respective denominations determined pursuant to the applicable Exchange Ratios. Upon any such exchange, the portion or portions of Securities designated for exchange shall be deemed cancelled and replaced by the Security or Securities issued in exchange therefor. There shall be no limitation (other than with respect to Increased Minimum Denomination Classes) on any exchanges authorized pursuant to this Section 3.04, and, except as provided in the following paragraph, no fee or other charge shall be payable in connection therewith.

As a condition to each exchange, a fee shall be payable to the Trustee equal to 1/32 of 1% of the outstanding principal balance (or notional balance, to the extent provided in the following proviso) of the Securities to be submitted for exchange (but not less than \$2,000 or greater than \$25,000); provided, however, that no such fee shall be payable in respect of an interest only security, unless all Securities involved in an exchange are interest only securities. If the notional balance of the Securities surrendered exceeds that of the Securities received, the fee will be based on the latter.

Unless otherwise specified in the related Offering Circular or Trust Agreement, any beneficial owner proposing to effect an exchange as contemplated by this Section 3.04 shall notify the Trustee (through the facilities of the Book-Entry Depository) no later than two Business Days before the proposed date of exchange; provided however, that no such exchange can occur on the last business day of any month. Any such notice as provided hereunder shall become irrevocable by the beneficial owner on the second Business Day preceding the proposed date of exchange, provided that the exchange fee has been paid. The contents of any notice of exchange shall be specified in the related Offering Circular.

In connection with any exchange of Securities, the Trustee shall verify that such exchange has been effected in the appropriate proportions. The Trustee shall promptly notify the Book-Entry Depository (or its participant, as applicable) in the event of error. The initial distribution in respect of a Security delivered for exchange shall occur on the Distribution Date in the month following the month of exchange.

Notwithstanding any provision herein to the contrary, a Sponsor may, with Ginnie Mae's prior consent, effect an exchange of Modifiable Securities immediately following their issuance on the related Closing Date (which may coincide with the last day of the month) and take delivery of MX Securities rather than such Modifiable Securities. No fee shall be payable for any such exchanges.

ARTICLE IV.

DISTRIBUTIONS ON THE SECURITIES

Section 4.01 *Establishment of Accounts.*

(a) Book-Entry Depository Account. The Trustee shall maintain a Book-Entry Depository Account with the Book-Entry Depository. With respect to each Trust, the Trustee shall account for all funds in, all deposits to and all withdrawals from the Book-Entry Depository Account separately and on a Trust-by-Trust basis, clearly identifying the Segregated Portion thereof.

(b) [Reserved].

(c) Variance Account. With respect to each Trust, the Trustee shall establish and maintain a separate Variance Account, which will be an Eligible Account. Amounts will be credited to the Variance Account and withdrawals will be made from the Variance Account as specified herein. The Variance Account shall not be an asset of the Trust, the owner of which solely for federal income tax purposes (and not for any other purpose) will be Ginnie Mae. The depository records of the Trustee, or, as the case may be, the depository institution or trust company at which the Variance Account is to be established, shall reflect in respect of the Variance Account (i) that the Trustee, as depositor, is acting in a fiduciary capacity on behalf of the Holders of Securities in respect of the Trust, (ii) the names and respective interests of such Holders, and (iii) that such Holders may be acting in a fiduciary capacity for others. If the amounts on deposit in the Variance Account exceed \$100, the Trustee shall invest amounts held in the Variance Account in Eligible Investments approved by Ginnie Mae; any investment

earnings shall be for the account of and distributable to Ginnie Mae unless otherwise allocated to make up for shortfalls as provided in Section 4.04(b) hereof.

(d) Board Approval. Prior to the establishment of any Trust Account, the Trustee's board of directors, or a duly appointed loan committee, duly appointed trust committee or duly authorized officers, as the case may be, of the Trustee, or, as the case may be, the Trustee's board of directors, a duly appointed loan committee, duly appointed trust committee or duly authorized officers of the depository institution or trust company at which such Trust Account is to be established, shall approve the establishment of such Trust Account and the Trust Agreement in accordance with the organizational documents of such institution and any applicable state or federal regulation, including, to the extent applicable, and without limitation 12 C.F.R. §§ 9.7 and 550.5, each as amended from time to time, and such approval shall be reflected in the minutes of such board or committee, as applicable. The Trustee, or, as the case may be, the depository institution or trust company at which any Trust Account is to be established, shall maintain the Trust Agreement as an official record from the time of its execution.

(e) Segregated Portions. With respect to each Trust, the Book-Entry Depository Account shall include, and where applicable a reference to such account herein or in the related Trust Agreement shall be understood to be a reference to, a Segregated Portion of such account corresponding to such Trust.

Section 4.02 *Class Factors.*

The Trustee shall determine the Class Factors and Interest Rate, and calculate the Class Distribution Amount for each Distribution Date. In addition, the Trustee shall report the Interest Rate and the Class Factor for each Class (and other information as requested by Ginnie Mae from time to time) to the Information Agent no later than 6:00 p.m. (Eastern time) on the second Business Day preceding the Distribution Date (or the third preceding Business Day, in the case of Securities evidencing an interest in Underlying REMIC Certificates that are backed by Ginnie Mae II Certificates).

Section 4.03 *Payments on the Underlying REMIC Certificates.*

All amounts in respect of distributions on the Underlying REMIC Certificates shall be wire transferred to the Book-Entry Depository Account by the Trustee no later than 9:00 a.m. Eastern Standard Time on the Distribution Date.

Section 4.04 *Distributions on the Securities.*

(a) Distribution Date Statement. No later than 2:00 p.m. Eastern Standard Time on the first Business Day following each Distribution Date, the Trustee shall provide to the Information Agent, a Distribution Date Statement in such form as is approved by the Trustee and Ginnie Mae. Each Distribution Date Statement will specify amounts distributed on such Distribution Date as principal and interest on each Class of Securities of a Series.

(b) Distribution Shortfall. No later than 10:00 a.m. Eastern Standard Time on the Distribution Date, the Book-Entry Depository shall determine the amount, if any, by which

(A) the amounts distributable as principal and interest on the Securities on such Distribution Date, exceed (B) the amounts received on the Underlying REMIC Certificates on the related Underlying REMIC Certificate Payment Date (the “Distribution Shortfall Amount”). The Book-Entry Depository immediately shall notify Ginnie Mae of the amount of such deficiency, and the account or accounts to which Ginnie Mae should transfer such amounts. In the event that there are sufficient amounts in the Variance Account to cover the Depository Shortfall Amount, the Trustee shall withdraw the Depository Shortfall Amount from the Variance Account and wire transfer such amount to the Book-Entry Depository Account no later than 10:01 a.m., and shall immediately inform Ginnie Mae of any such transfer.

(c) [Reserved].

(d) Distributions. On each Distribution Date the Trustee (and/or the Book-Entry Depository on behalf of and pursuant to the instructions of the Trustee) shall make such distributions on the Securities issued in respect of any Trust as shall be provided in the related Trust Agreement. The Trustee hereby directs the Book-Entry Depository to withdraw from the Book-Entry Depository Account on each Distribution Date amounts distributable as principal and interest on the Securities as instructed by the Trustee. On each Distribution Date, the Book-Entry Depository will credit the accounts of its record owner of such Securities in accordance with the standard procedures of the Book-Entry Depository.

(e) Allocations of Distributions. The Holders of any Class entitled to receive distributions on any Distribution Date shall receive such distributions on a pro rata basis among the Outstanding Securities of such Class based on the principal balance, notional balance or percentage interest of such Securities. All distributions of principal on the Securities issued in respect of a particular Trust shall be made as provided in the related Trust Agreement.

(f) Ginnie Mae Guaranty. With respect to each Series, pursuant to the Guaranty Agreement, Ginnie Mae, in exchange for the Ginnie Mae Guaranty Fee, has guaranteed to each Holder of a Security the timely payment of principal and interest on such Security in accordance with the terms of the applicable Trust Agreement

(g) Ginnie Mae Guaranty Payments. If the Book-Entry Depository and/or the Trustee discovers that payments on the Underlying REMIC Certificates underlying a Series together with any available funds (including any such funds in the Variance Account) will be inadequate to distribute principal and interest to the Securities of such Series on any Distribution Date in accordance with the terms of the Trust Agreement, the Book-Entry Depository and/or the Trustee, as the case may be, promptly shall inform Ginnie Mae that a Ginnie Mae Guaranty Payment must be made. In that event, Ginnie Mae (or its agent) will transfer the amount of the shortfall to the Book-Entry Depository Account in immediately available funds. At Ginnie Mae’s option, Ginnie Mae may instruct the Person designated by the Trustee and acceptable to Ginnie Mae as the Person to hold funds on behalf of the Trustee (which Person initially shall be The Bank of New York) to transfer such amount. In addition, if on the Final Distribution Date of any Class, the funds available to be distributed on such Class are insufficient to reduce the Class Principal Balance of such Class to zero, Ginnie Mae shall make a Ginnie Mae Guaranty Payment in the amount of such insufficiency. In the event that Ginnie Mae makes any Ginnie Mae Guaranty Payment to reduce the Class Principal Balance of any Class to zero on its Final

Distribution Date, such Class shall continue to be treated as outstanding for all purposes, and Ginnie Mae shall be deemed to have purchased the related Class and will be entitled to all subsequent distributions on such Class. For the avoidance of doubt, the powers of the Trustee under the Trust Agreement include the right to take all necessary and appropriate actions to enforce the Ginnie Mae Guaranty in accordance with the terms hereof, to the extent that Ginnie Mae fails to make any required payment pursuant to the Ginnie Mae Guaranty.

(h) Separate Application of Payments. The application of payments pursuant to Section 4.03 and this Section 4.04 shall be made separately in respect of each Trust, and each reference to a Trust Account shall be understood to refer to the Segregated Portion of such account corresponding to each Trust created hereunder.

Section 4.05 *Reconciliation Process.*

After a Distribution Date, at the request of Ginnie Mae, the Trustee shall reconcile payments in accordance with the Ginnie Mae Multiclass Operational Guidelines. Such reconciliation may involve credits and charges to one or more Trust Accounts.

Section 4.06 *Appointment of Information Agent.*

Except as otherwise provided in the Trust Agreement, at the direction of Ginnie Mae, the Trustee of each Trust has appointed The Bank of New York to be the Information Agent. Ginnie Mae has reserved the right to substitute at any time another Person as the Information Agent.

Section 4.07 *Annual Reports.*

Within a reasonable period of time after the end of each calendar year (but in no event later than sixty days after the end of such calendar year), the Trustee shall furnish or cause to be furnished to Ginnie Mae and to each Person who at any time during the calendar year was the Holder of a Security a statement containing the amount of distributions allocable to principal and the amount allocable to interest.

Section 4.08 *Operational Guidelines.*

Ginnie Mae has established operational guidelines designed to assist the operational departments of the Trustee, the Book-Entry Depository, the Information Agent and Ginnie Mae in complying with the requirements of this Article IV. Ginnie Mae has reserved the right, consistent with law, to alter or waive any of the requirements of the operational guidelines or to institute other requirements as it deems appropriate. The Trustee hereby agrees to comply with the Ginnie Mae Multiclass Operational Guidelines, as amended from time to time.

ARTICLE V.

REPRESENTATIONS, WARRANTIES AND COVENANTS

Section 5.01 *Representations and Warranties of the Sponsor.* The Sponsor hereby represents and warrants as follows:

(a) The Trust Agreement constitutes the legal, valid and binding agreement of the Sponsor, enforceable against it in accordance with its terms, subject to bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting creditors' rights generally and to general principles of equity regardless whether enforcement is sought in a proceeding in equity or at law;

(b) Neither the execution and delivery by the Sponsor of the Trust Agreement, nor the consummation by the Sponsor of the transactions therein contemplated, nor compliance by the Sponsor with the provisions thereof, will (i) conflict with or result in a breach of, or constitute a default under, any of the provisions of the articles of incorporation or by-laws of the Sponsor or any law, governmental rule or regulation or any judgment, decree or order binding on the Sponsor or any of its properties, or any of the provisions of any indenture, mortgage, deed of trust, contract or other instrument to which the Sponsor is a party or by which it is bound, or (ii) result in the creation of any lien, charge, or encumbrance upon any of its properties pursuant to the terms of any such indenture, mortgage, deed of trust, contract or other instrument;

(c) The information provided with respect to each Underlying REMIC Certificate is true and correct in all material respects as of the Closing Date;

(d) The representations and warranties made by the Sponsor in the Sponsor Agreement are true and correct in all material respects at and as of the Closing Date with the same effect as if made on the Closing Date; and

(e) The Sponsor has complied with all the agreements (including, without limitation, the covenants in the Sponsor Agreement) and satisfied all the conditions on its part to be performed or satisfied at or prior to the Closing Date.

It is understood and agreed that the representations and warranties set forth in this Section 5.01 shall survive delivery of the Underlying REMIC Certificates to the Trustee and shall inure to the benefit of the Trustee and Ginnie Mae notwithstanding any restrictive or qualified endorsement or assignment. Upon the discovery by the Sponsor or the Trustee of a breach of the foregoing representations and warranties, the party discovering such breach shall give prompt written notice to the other party to the Trust Agreement and to Ginnie Mae, and in no event later than two Business Days from the date of such discovery.

Section 5.02 *Representations and Warranties of the Trustee.* The Trustee hereby represents and warrants as follows:

(a) The Trustee acknowledges and declares that it holds and will hold the Underlying REMIC Certificates (in uncertificated form), and that it has agreed to hold all documents delivered to it with respect to such Underlying REMIC Certificates and all assets of

the Trust in trust for the exclusive use and benefit of all present and future Holders and, to the extent provided herein, Ginnie Mae.

(b) The Trustee (i) acquired the Underlying REMIC Certificates on behalf of the Trust from the Sponsor in good faith, for value, and without notice or knowledge of any adverse claim, lien, charge, encumbrance or security interest (including, without limitation, any federal tax liens or liens arising under ERISA), (ii) except as permitted in the Trust Agreement, has not and will not, in any capacity, assert any claim or interest in the Underlying REMIC Certificates and will hold (or its agent will hold) such Underlying REMIC Certificates and the proceeds thereof in trust pursuant to the terms of the Trust Agreement, and (iii) has not encumbered or transferred its right, title or interest in the Underlying REMIC Certificates.

(c) On the Closing Date, the Trustee shall deliver to the Sponsor and Ginnie Mae a certificate certifying that the Trustee (or an agent thereof) is in possession of the Underlying REMIC Certificates for such Series.

ARTICLE VI.

CONCERNING THE TRUSTEE

Section 6.01 *Duties of Trustee.*

The Trustee undertakes to perform such duties and only such duties as are specifically set forth in the related Trust Agreement. The Trustee, upon receipt of any and all resolutions, certificates, statements, opinions, reports, documents, orders or other instruments furnished to the Trustee that are specifically required to be furnished pursuant to any provision of such Trust Agreement, or that may be furnished to the Trustee at its request, shall examine them to determine whether they conform to the requirements of such Trust Agreement.

No provision of any Trust Agreement shall be construed to relieve the Trustee of such Trust from liability for its own negligent action, its own negligent failure to act or its own misconduct; *provided, however*, that:

(a) The duties and obligations of the Trustee shall be determined solely by the express provisions of the related Trust Agreement, the Trustee shall not be liable except for the performance of such duties and obligations as are specifically set forth in the related Trust Agreement, and no implied covenants or obligations shall be read into the related Trust Agreement against the Trustee;

(b) The Trustee shall not be personally liable for an error of judgment made in good faith by a responsible officer or responsible officers of the Trustee, unless it is proved that the Trustee was negligent in ascertaining the pertinent facts;

(c) The Trustee shall not be personally liable with respect to any action taken or suffered or omitted to be taken by it in good faith in accordance with the direction of Ginnie Mae as to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under a Trust Agreement.

(d) The Trustee with respect to any Trust shall not be personally liable with respect to any action taken or suffered or omitted to be taken by it in good faith in accordance with the direction of Holders of a Series evidencing Percentage Interests aggregating not less than 25% of each Class of Securities in such Series effected thereby as to the enforcement by the Trustee of the Ginnie Mae Guaranty.

The Information Agent shall not be deemed to be the agent of the Trustee, but rather the agent of Ginnie Mae. The Trustee shall not be liable for any loss, liability or damage to any Trust attributable to the acts or omissions of the Information Agent.

Section 6.02 *Certain Matters Affecting the Trustee.*

Except as otherwise provided in Section 6.01, with respect to any Series:

(a) The Trustee may request (at its sole expense, except as otherwise provided herein) and rely conclusively upon and shall be protected in acting or refraining from acting upon any resolution, officers' certificate, certificate of auditors or any other certificate, statement, instrument, opinion, report, notice, request, consent, order, appraisal, bond or other paper, communication or document *prima facie* in proper form and believed by it to be genuine and to have been signed or presented by the proper party or parties;

(b) The Trustee may consult with counsel, and any opinion of counsel shall be full and complete authorization and protection from liability in respect of any action taken or suffered or omitted by it hereunder in good faith and in accordance with such opinion of counsel;

(c) The Trustee shall be under no obligation to exercise any of the trusts or powers vested in it by the related Trust Agreement or to institute, conduct or defend any litigation thereunder or in relation thereto at the request, order or direction of Ginnie Mae or any of the Holders of such Series, pursuant to the provisions of the Trust Agreement, unless (i) such directing party has offered to the Trustee reasonable security or indemnity against the costs, expenses (including the fees and disbursements of Trustee's counsel), and liabilities that may be incurred by the Trustee with respect thereto or (ii) the need for or desirability of such institution, conduct or defense results from the negligence of the Trustee;

(d) The Trustee shall not be personally liable for any action taken or suffered or omitted to be taken by it in good faith and believed by it to be authorized or within the discretion or rights or powers conferred upon it by a Trust Agreement;

(e) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, approval, bond or other paper, communications or document, unless requested in writing so to do by Ginnie Mae or the Holders of a Series evidencing Percentage Interests aggregating not less than 50% of each Class of Securities in such Series; *provided, however,* that the reasonable expense of such investigation shall be paid by the party requesting the investigation, and the Trustee may require reasonable indemnity against the costs, expenses or liabilities likely to be incurred by it in the making of such investigation as a condition to proceeding;

(f) The Trustee may execute any of the trusts or powers under any Trust Agreement or perform any duties thereunder either directly or by or through agents or attorneys;

(g) The Trustee may rely conclusively on all calculations and other information provided to it by Ginnie Mae, the Information Agent or any other agent of Ginnie Mae; and

(h) The Trustee shall not be obligated to post a bond or other form of surety in connection with its service or status as Trustee under a Trust Agreement.

Section 6.03 *Trustee Not Liable for Securities.*

The Trustee makes no representations as to the validity or sufficiency of any Trust Agreement or of any Securities (except that each Trust Agreement has been duly executed and is binding on the Trustee and the Securities of each Series shall be duly and validly issued, authorized and delivered by the Trustee) or of any Underlying REMIC Certificates or any document related to any of the foregoing.

The Trustee shall have no responsibility or accountability with respect to the sufficiency or adequacy of the following: (a) the Underlying REMIC Certificates and Ginnie Mae Guaranty to generate funds necessary to make required payments on the Securities or (b) any offering circular or other securities filings or reports required to be filed by any federal, state or local securities regulatory authority, including but not limited to the Securities and Exchange Commission.

Section 6.04 *Trustee May Own Securities.*

The Trustee in its individual or any other capacity may become the owner or pledgee of Securities, and may transact banking or trust business with Ginnie Mae, any Sponsor, the Book-Entry Depository, any beneficial owner or any other Trustee with the same rights it would have if it were not Trustee.

Section 6.05 *Payment of Trustee's Fees and Expenses.*

The Trustee's compensation for all services rendered by it in the execution of the trusts created by the Trust Agreement and in the exercise and performance of any of its powers and duties under the Trust Agreement shall be payable to it as a portion of its fees as Trustee of the related REMIC trust.

Section 6.06 *Eligibility Requirements for Trustee.*

The Trustee under any Trust Agreement must have been approved in writing by Ginnie Mae to serve as Trustee under such Trust Agreement and at all times (a) must be organized and doing business under the laws of the state of its incorporation or the United States of America, (b) must be authorized under such laws to exercise corporate trust powers, (c) must have (or must be a member of a consolidated bank or financial holding company that has) a combined capital and surplus that meets the requirements prescribed by Ginnie Mae from time to time pursuant to written notice provided to the Trustee by Ginnie Mae, (d) must be a member

depository institution of the FRS (e) must be an entity subject to supervision or examination by federal or state authority and (f) unless otherwise approved by Ginnie Mae, must have a long term unsecured debt obligation rating from Moody's Investors, Inc. of at least Aa3 and a short term debt or commercial paper rating from Standard & Poor's Rating Services, a division of The McGraw-Hill Companies, Inc. of at least A-1. In addition, neither the Trustee nor any officer or professional working on the subject matter of the Trust may be currently suspended or debarred by any governmental agency, nor may such Persons have been convicted of, or found liable in a civil action for, fraud, forgery, bribery, falsification or destruction of records, making false statements or any other offense indicating a lack of business integrity that seriously and directly could affect the responsibility of the Trustee, or such officer or professional.

If the Trustee publishes reports of condition at least annually, pursuant to law or to the requirements of the aforesaid supervising or examining authority, then for the purposes of this Section the combined capital and surplus of the Trustee shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time the Trustee ceases to be eligible in accordance with the provisions of this Section, the Trustee shall notify Ginnie Mae in writing immediately and, if Ginnie Mae requests, shall resign immediately in the manner and with the effect specified in Section 6.07 hereof.

Section 6.07 *Resignation and Removal of the Trustee.*

The Trustee may resign as Trustee of any Trust at any time and be discharged from the trusts created under the related Trust Agreement by giving written notice thereof to Ginnie Mae and upon appointment of a successor trustee pursuant to Section 6.08. Upon receiving such notice of resignation, Ginnie Mae may appoint a successor trustee. If no successor trustee shall have been so appointed and have accepted appointment within 90 days after the giving of such notice of resignation, the resigning Trustee may petition any court of competent jurisdiction for the appointment of a successor trustee acceptable to Ginnie Mae.

Ginnie Mae may remove the Trustee for cause at any time. For the purposes of this Section "cause" shall mean one of the following:

- (a) The Trustee's ceasing to be eligible in accordance with the provisions of Section 6.06 hereof and failing to resign after written request therefor by Ginnie Mae or its agent;
- (b) The Trustee's inability to take any actions required under a Trust Agreement;
- (c) The Trustee's failure to observe or perform any of its covenants set forth in the related Trust Agreement;
- (d) A court or regulatory authority having jurisdiction in the premises, including without limitation the FDIC and any similar state authority, entering a decree or order for relief in respect of the Trustee in an involuntary case under any bankruptcy, insolvency, receivership, conservatorship or other similar law or regulation, state or federal, now or hereafter in effect, or appointing a receiver, conservator, assignee, trustee, custodian, sequestrator or other

similar official for the Trustee or for all or any substantial part of its property, or order the winding up or liquidation of its affairs;

(e) The Trustee's commencing a voluntary case under any applicable bankruptcy, insolvency, receivership, conservatorship or other similar law or regulation, state or federal, now or hereafter in effect, or consenting to or acquiescing in the entry of an order for relief in an involuntary case under any such law, or consenting to or acquiescing in the appointment of or taking of possession by a receiver, conservator, liquidator, assignee, trustee, custodian, sequestrator or other similar official for the Trustee or for all or any substantial part of its property, or making a general assignment for the benefit of creditors, or the Trustee's generally failing to pay its debts as they become due;

(f) The discovery that any Location-Based Tax, other tax or other charge levied or threatened to be levied against a Trust on account of the situs of the Trustee could be avoided by the appointment of a successor trustee, to the extent that Ginnie Mae determines that such tax or other change may not be adequately covered by the Trustee; or

(g) The removal for cause of the Trustee as the trustee of any trust that has issued securities guaranteed by Ginnie Mae.

Any resignation or removal of the Trustee and appointment of a successor trustee pursuant to any of the provisions of this Section shall become effective upon acceptance of appointment by the successor trustee as provided in Section 6.08 hereof but in no event shall become effective until a successor has been appointed and has accepted the duties of the Trustee. Any liability of the Trustee under a Trust Agreement arising prior to such termination shall survive such termination.

To the extent that a successor trustee is entitled to receive reasonable compensation in excess of compensation payable to the Trustee under the related Trust Agreement, the Trustee shall indemnify Ginnie Mae and the Trust for the amount of such excess and shall provide such security for such indemnity as Ginnie Mae may require.

Section 6.08 *Successor Trustee.*

Any successor trustee appointed to serve as Trustee of a Trust shall execute, acknowledge and deliver to Ginnie Mae and its predecessor trustee an instrument accepting such appointment under the related Trust Agreement, and thereupon the resignation or removal of the predecessor trustee shall become effective and such successor trustee, without any further act, deed or conveyance, shall become fully vested with all the rights, powers, duties and obligations of its predecessor under the Trust Agreement, with the same effect as if originally named as trustee therein. The predecessor trustee shall immediately deliver to the successor trustee all documents and statements held by it under the applicable Trust Agreement, and the predecessor trustee shall execute and deliver such instruments and do such other things as may reasonably be required for more fully and certainly vesting and confirming in the successor trustee all such rights, powers, duties and obligations. The predecessor trustee shall perform the duties and obligations imposed on it in this Section irrespective of any stay arising from, any injunction or other process issued pursuant to, and any restriction or limitation imposed by any bankruptcy, insolvency,

receivership, conservatorship or other similar law or regulation, state or federal, now or hereafter in effect, including without limitation 11 U.S.C. §§ 105, 362 and 18 U.S.C. §§ 1821, 1823, each as amended from time to time. In the event the predecessor trustee fails to perform the duties and obligations imposed on it in this Section, Ginnie Mae may take any action it deems necessary or advisable to cause the performance of such duties and obligations.

No successor trustee shall accept appointment as provided in this Section unless at the time of such acceptance such successor trustee is eligible under the provisions of Section 6.06 hereof.

Upon acceptance of appointment by a successor trustee as provided in this Section, the successor trustee shall mail notice of the succession of such trustee hereunder to all Holders at their addresses as shown in the register.

Section 6.09 *Appointment of Co-Trustee.*

The Trustee shall be permitted to appoint a Person that either meets the eligibility requirements to act as a Trustee hereunder or otherwise has been approved in writing by Ginnie Mae to act as co-trustee with respect to the Trust. Any such co-trustee may perform any of the duties and obligations of the Trustee hereunder, provided, however, that any such appointment of any co-trustee shall not relieve the Trustee of any of its obligations and duties hereunder. The Trustee shall continue to remain liable for the performance of all such duties and obligations hereunder (including the obligation to indemnify Ginnie Mae pursuant to Section 6.11, 6.12), irrespective of the appointment of any co-trustee to perform such duties or obligations on behalf of the Trustee.

Section 6.10 *Merger or Consolidation of Trustee.*

Any corporation into which a Trustee may be merged or converted or with which it may be consolidated or any corporation resulting from any merger, conversion or consolidation to which such Trustee may be a party, or any corporation succeeding to all or substantially all of the corporate trust business of such Trustee, shall be the successor of such Trustee under the related Trust Agreement without the execution or filing of any paper or any further act on the part of any of the parties to the Trust Agreement, provided such corporation is eligible under the provisions of Section 6.06 hereof.

Section 6.11 *Indemnification of HUD and Ginnie Mae.*

The Trustee for each Trust shall indemnify and hold harmless HUD and Ginnie Mae (including each official, officer, employee and agent of HUD and Ginnie Mae) from and against any and all losses, claims, demands, liabilities, or expenses (including, without limitation, all attorneys' fees and related charges and expenses) resulting, directly or indirectly, from any Trustee default or other failure to perform under the related Trust Agreement. Without limiting the foregoing, Ginnie Mae's right to indemnification hereunder shall include the right to reimbursement of any and all amounts paid by Ginnie Mae to any Holder of such Series as a result of any failure of the Trustee properly to calculate the amount of any required distribution to any such Holder or to cause the proper distributions to be made to any such Holder, together with interest thereon at a rate equal to the yield on three-month U.S. Treasury securities.

Section 6.12 *Performance Reviews by Ginnie Mae.*

At its sole discretion, and from time to time, Ginnie Mae shall have the right to undertake a full performance review of the Trustee and any subcontractors retained by the Trustee. Any such review may involve the on site inspection of the Trustee's (or any subcontractor's) facilities and the review of any books, records or documents of the Trustee (or any subcontractor) which relate to the performance by the Trustee (or any subcontractor) of its duties hereunder. In connection with any such review and inspection, the Trustee agrees to make available to Ginnie Mae appropriate officers of the Trustee (or any subcontractor) and to otherwise cooperate with such an undertaking by Ginnie Mae.

Section 6.13 *Voting Under the REMIC Trust Agreement.*

In the event that there shall be any matter arising under the related REMIC Trust Agreement that requires the vote of holders of securities outstanding thereunder, the Trustee shall vote in a manner consistent, in the sole judgment of the Trustee, with the best interests of Holders. Notwithstanding the preceding sentence, the Trustee shall not have a right to vote, under this Section 6.13, in any case where the existence of such right would cause the Trust not to be treated as a grantor trust for United States federal income tax purposes.

ARTICLE VII.

TERMINATION

The respective obligations and responsibilities of the Sponsor and the Trustee created by the related Trust Agreement shall terminate upon the payment of all principal and accrued interest on the Securities and all other amounts due and owing by the Trustee under such Trust Agreement; *provided, however*, that in no event shall the Trust created hereby continue beyond the expiration of 21 years less one day from the death of the last survivor of the descendants of Joseph P. Kennedy, the late ambassador of the United States to the Court of St. James's, living on the date hereof.

ARTICLE VIII.

MISCELLANEOUS PROVISIONS

Section 8.01 *Limitation of Rights of Holders.*

The death or incapacity of any person having an interest, beneficial or otherwise, in a Security shall not operate to terminate any Trust Agreement, nor entitle the legal representatives or heirs of such person or any Holder for such person to claim an accounting, take any action or bring any proceeding in any court for a partition or winding up of any Trust, nor otherwise affect the rights, obligations and liabilities of the parties hereto or any of them.

Section 8.02 *Control by Holders.*

Except as otherwise provided in the Trust Agreement, no Holder in any Series shall have any right to vote or in any manner otherwise control the administration, operation and

management of any Trust, or the obligations of the parties hereto, nor shall anything herein set forth, or contained in the terms of the Securities, be construed so as to constitute the Holders from time to time as partners or members of an association; nor shall a Holder be under any liability to any third person by reason of any action taken by the parties to this Trust Agreement pursuant to any provision hereof.

Section 8.03 *Amendment of Trust Agreements.*

(a) Any Trust Agreement may, with the consent of Ginnie Mae, and shall, at the request of Ginnie Mae, be amended from time to time by the Trustee without the consent of the Sponsor or any Holder or Holders (i) to cure any ambiguity, to correct or supplement any provision herein which may be inconsistent with any other provision herein, or to make any other provisions with respect to this Trust Agreement, provided that any such amendment shall not effect a change in the Distribution Dates, Record Dates, the Ginnie Mae Guaranty or other payment terms established by the Trust Agreement for the Series which adversely affects in any material respect the interests of any Holder and shall not impose an additional obligation on any party who has not consented to such amendment; or (ii) except as provided in Section 8.03(b) below, to make any other changes that Ginnie Mae requests.

(b) Notwithstanding any other provision herein, without the consent of each Holder who may be adversely affected, the related Trust Agreement may not be amended to impair or affect the right of such Holder to receive payment of principal and interest (including any payment under the Ginnie Mae Guaranty in respect thereof) or to institute suit for the enforcement of any such payment, all as herein provided, on or after the respective due date of such payment. Notwithstanding the foregoing, the Trustee shall not allow any amendment to the related Trust Agreement that would cause the Trust not to be treated as a grantor trust for United States federal income tax purposes.

Section 8.04 *Persons Deemed Owners.*

The Trustee, Ginnie Mae and the registrar, or any agent of the Trustee, Ginnie Mae or the registrar, may deem and treat the Holder of the Securities (which, with respect to the Securities, will be the Book-Entry Depository (or its nominee)), as the absolute owner of such Securities for the purpose of receiving distributions of principal or interest and for all other purposes, and neither the Trustee, Ginnie Mae nor the registrar, nor any agent of the Trustee, Ginnie Mae or the registrar, shall be affected by any notice to the contrary. All such distributions so made to the Holder or upon such Holder's order shall be valid and, to the extent of the sum or sums so distributed, effectual to satisfy and discharge the duty for monies distributable by the Trustee upon such Securities.

The Holder of a Book-Entry Security is not the beneficial owner of such Security. The rights of a beneficial owner of a Book-Entry Security with respect to the Trustee, Ginnie Mae and the registrar may be exercised only through the Holder, which is the Book-Entry Depository or its nominee. The Trustee, Ginnie Mae and the registrar will have no obligation to a beneficial owner of a Book-Entry Security because such obligations are satisfied directly to the Book-Entry Depository.

Section 8.05 *Third-Party Beneficiary; Ginnie Mae Subrogation.*

The Trustee and the Sponsor hereby acknowledge and agree that Ginnie Mae is a third-party beneficiary of each Trust Agreement and entitled to enforce all obligations of any party to a Trust Agreement. Ginnie Mae shall be subrogated to all the rights, interests, remedies, powers and privileges of the Holders in respect of any Ginnie Mae Guaranty payments, to the extent of such payments.

Section 8.06 *Preemption.*

Pursuant to Section 306(g)(3)(E)(iv) of the National Housing Act (12 U.S.C. § 1721(g)(3)(E)(iv)), Ginnie Mae may exercise any right or power granted to it in or recognized under the Trust Agreement irrespective of any stay arising from, any injunction or other process issued pursuant to, and any restriction or limitation imposed by any bankruptcy, insolvency, receivership, conservatorship or other similar law or regulation, state or federal, now or hereafter in effect, including without limitation 11 U.S.C. §§ 105, 362 and 18 U.S.C. §§ 1821, 1823, each as amended from time to time.

Section 8.07 *Governing Law.*

THE TRUST AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE UNITED STATES OF AMERICA. INsofar AS THERE MAY BE NO APPLICABLE LAW OF THE UNITED STATES, THE INTERNAL LAWS OF THE STATE OF NEW YORK (WITHOUT GIVING REGARD TO CONFLICT OF LAWS PRINCIPLES OTHER THAN SECTIONS 5-1401 AND 5-1402 OF THE NEW YORK GENERAL OBLIGATIONS LAW) SHALL BE DEEMED REFLECTIVE OF THE LAWS OF THE UNITED STATES OF AMERICA, INsofar AS TO DO SO WOULD NOT FRUSTRATE THE PURPOSES OF ANY PROVISION OF THE TRUST AGREEMENT OR THE TRANSACTIONS GOVERNED THEREBY.

Section 8.08 *Successors.*

The Trust Agreement shall be binding upon and shall inure to the benefit of any successor to the Trustee, the Sponsor, or Ginnie Mae, including any successor by operation of law.

Section 8.09 *Headings.*

The Article and Section headings are for convenience only and shall not affect the construction of the Trust Agreement.

Section 8.10 *Notice and Demand.*

Any notice, demand or other communication which by any provision of a Trust Agreement is required or permitted to be given or served to or upon any Holder may be given or served in writing by deposit thereof, postage prepaid, in the United States mail addressed to such Holder as such Holder's name and address may appear in the records of the Trustee or the

registrar. Such notice, demand or other communication to or upon a Holder shall be deemed to have been sufficiently given or made, for all purposes, upon mailing or transmission.

RECEIPT AND ACCEPTANCE OF A SECURITY BY OR ON BEHALF OF A HOLDER, WITHOUT ANY SIGNATURE OR FURTHER MANIFESTATION OF ASSENT, SHALL CONSTITUTE THE UNCONDITIONAL ACCEPTANCE BY THE HOLDER AND ALL OTHERS HAVING A BENEFICIAL INTEREST IN SUCH SECURITY OF ALL THE TERMS AND PROVISIONS OF THE RELATED TRUST AGREEMENT.

All demands, notices, approvals and communications under the Trust Agreement shall be in writing and shall be deemed to have been duly given if personally delivered (including overnight receipted delivery by a recognized courier service) to or mailed by registered mail, postage prepaid, or transmitted by any standard form of written telecommunications and confirmed by a similar mailed writing, to the address provided in the Trust Agreement. The address for Ginnie Mae shall be as follows:

Attention: Assistant General Counsel Ginnie Mae/Finance

and the Legal Advisor as of the date of the demand, notice, approval or communication.

The addresses of all other parties are set forth in the related Sponsor Agreement.

Section 8.11 *Severability of Provisions.*

Any part, provision, representation or warranty of any Trust Agreement that is prohibited or that is held to be void or unenforceable shall be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining parts, provisions, representations or warranties of that Trust Agreement. Any part, provision, representation or warranty of a Trust Agreement that is prohibited or unenforceable or is held to be void or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining parts, provisions, representations or warranties of that Trust Agreement, and any such prohibition or unenforceability in any

jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. To the extent permitted by applicable law, the parties to each Trust Agreement waive any provision of law which prohibits or renders void or unenforceable any provision of that Trust Agreement.

Section 8.12 Counterparts.

The Trust Agreement may be executed in two or more counterparts, each of which when so executed and delivered shall be an original, and all of which together shall constitute one and the same instrument. The Trust Agreement shall inure to the benefit of and be binding upon the parties thereto and their respective successors and assigns.

ARTICLE IX.

Section 9.01 Tax Administration.

Each Holder of a Security hereby designates the Tax Administrator, as its agent, to perform certain tax administration functions of the related Trust.

(a) With respect to each Trust, the Tax Administrator shall pay in a timely manner:

(i) the amount of any federal, state and local taxes imposed on the Trust out of amounts in the Trust Accounts (except for Location-Based Taxes attributable to the Tax Administrator, which shall be paid by the Tax Administrator out of its own funds); *provided, however*, that the Tax Administrator may decide, provided it has received the written permission of Ginnie Mae, to pay or deposit such tax but subsequently to contest such tax, or, if permitted by law, to refrain from paying such tax pending the outcome of the contest of such tax, and

(ii) out of its own funds, any and all tax related expenses (not including taxes) of the Trust, including but not limited to any professional fees or expenses related to audits or any administrative or judicial proceedings with respect to each such Trust that involves the Internal Revenue Service or state or local tax authorities; *provided, however*, that the Tax Administrator may pay out of amounts in the Trust Accounts the reasonable cost of contesting a tax imposed on the Trust, provided that the Tax Administrator has received Ginnie Mae's written permission to engage in the contest.

(b) With respect to each Trust, the Tax Administrator shall maintain all books, records, and supporting documents that are necessary to comply with any and all aspects of the Tax Administrator's duties under the Trust Agreement and other closing documents.

(c) For each Trust, the related Tax Administrator shall timely prepare, sign (or, as appropriate, submit to the Trustee for signature) and file all of the federal, state, and local

tax and information returns of the Trust. The expenses of preparing and filing such returns shall be borne by the Tax Administrator without any right to reimbursement by the Trustee or from amounts on deposit in the Trust Accounts.

(d) The Tax Administrator for each Trust shall assist the Trustee in performing in a timely manner all reporting and other tax compliance duties that are the responsibility of the Trust under federal, state or local tax law. Upon the Tax Administrator's request, the Trustee shall provide the Tax Administrator with a list of Security holders of record and any other information reasonably necessary to the Tax Administrator in the performance of its duties.

(e) With respect to each Trust, the Tax Administrator and the Trustee shall take any action or cause any Trust to take any action necessary to create or maintain the status of such Trust as a grantor trust pursuant to Section 2.06 hereof.

(f) With respect to each Trust, neither the Tax Administrator nor the Trustee shall take any action or fail to take any action, or cause any Trust to take any action or fail to take any action that, if taken or not taken, could endanger the status of any such Trust as a grantor trust pursuant to Section 2.06 hereof.

(g) With respect to each Trust, unless otherwise provided in the related Trust Agreement, the fiscal year of such Trust shall run from January 1 (or from the Closing Date, in the case of the first fiscal year) through December 31.

(h) The Trustee shall reimburse the Trust for any Location-Based Taxes.

Section 9.02 *Resignation and Removal of the Tax Administrator.*

(a) Unless otherwise provided in the Trust Agreement, the Trustee shall act as Tax Administrator. The Trustee may subcontract with another Person acceptable to Ginnie Mae to undertake these obligations. In addition, Ginnie Mae reserves the right to require the Trustee to subcontract with a Person designated by Ginnie Mae to perform these duties. Execution of a subcontract shall not relieve the Trustee, however, of any responsibility for the tax administration of the Trust or of liability for breaches of the obligations of the Tax Administrator under the Trust Agreement.

(b) If the Tax Administrator for a Trust is unable for any reason to fulfill its duties as Tax Administrator, the Tax Administrator shall immediately notify Ginnie Mae and the Trustee. Upon notification, the Trustee may appoint another Person acceptable to Ginnie Mae to act as Tax Administrator or Ginnie Mae may direct the Trustee to appoint another Person to act in such capacity.

(c) Except as provided in a Trust Agreement, Ginnie Mae has reserved the right to remove the Tax Administrator for cause at any time. For the purposes of this Section "cause" shall mean one of the following:

(i) The Tax Administrator's inability to take any actions required under a Trust Agreement;

(ii) Failure on the part of the Tax Administrator to observe or perform any other of its covenants set forth in the related Trust Agreement;

(iii) A court having jurisdiction entering a decree or order for relief in respect of the Tax Administrator in an involuntary case under any applicable bankruptcy, insolvency or other similar law now or hereafter in effect, or appointing a receiver, liquidator, assignee, custodian, sequestrator (or other similar official) of the Tax Administrator or for all or substantially all of its property, or order the winding up or liquidation of its affairs; or

(iv) The Tax Administrator commencing a voluntary case under any applicable bankruptcy, insolvency or other similar law now or hereafter in effect, or consenting to the entry of an order for relief in an involuntary case under any such law, or consenting to the appointment of or taking of possession by a receiver, liquidator, assignee, trustee, custodian, sequestrator (or other similar official) of the Tax Administrator or for any substantial part of its property, or making any general assignment for the benefit of creditors, or the Tax Administrator failing generally to pay its debts as they become due.

(d) Any resignation or removal of the Tax Administrator and appointment of a successor Tax Administrator pursuant to any of the provisions of this Section shall become effective upon acceptance of appointment by the successor Tax Administrator as provided in Section 9.02(e) below. Any liability of the Tax Administrator under a Trust Agreement arising prior to such termination shall survive such termination.

(e) The successor Tax Administrator appointed to serve as Tax Administrator of a Trust as provided in this Section shall execute, acknowledge and deliver to Ginnie Mae and its predecessor Tax Administrator a written acceptance of such appointment under the related Trust Agreement, and thereupon the resignation or removal of the predecessor Tax Administrator shall become effective and such successor Tax Administrator, without any further act, deed or conveyance, shall become fully vested with all the rights, powers, duties and obligations of its predecessor under such Trust Agreement, with the same effect as if originally named as Tax Administrator therein.

Re: Guaranteed [Multifamily] REMIC Pass-Through Securities
 Ginnie Mae REMIC Trust 20_ [and]
 [Guaranteed [Multifamily] Grantor Trust Pass-Through Securities
 Ginnie Mae MX Trust 20_]

Ladies and Gentlemen:

We have acted as trust counsel in connection with the issuance, by the Ginnie Mae REMIC Trust 20_- (the “[REMIC] Trust”), established pursuant to a trust agreement (the “[REMIC] Trust Agreement”), dated as of _____, 20_, by and between _____, as trustee of the [Trust] [Trusts] (the “Trustee”), and _____, a(n) _____ (the “Sponsor”), and incorporating by reference the Standard Trust Provisions for REMIC Trusts, April 1, 2008 Edition[, as amended through _____, 20_] (the “[REMIC] Standard Trust Provisions”) [and the Ginnie Mae MX Trust 20_- (the “Grantor Trust” and, together with the REMIC Trust, the “Trusts”) established pursuant to a trust agreement (the “MX Trust Agreement” and, together with the REMIC Trust Agreement, the “Trust Agreements”) dated as of _____, 20_, by and between the Trustee and the Sponsor and incorporating by reference the Standard Trust Provisions for Ginnie Mae MX Trusts, April 1, 2008 Edition (the “MX Standard Trust Provisions” and, together with the REMIC Standard Trust Provisions, the “Standard Trust Provisions”)], of approximately \$_____ aggregate principal amount of securities (the “Securities”) guaranteed by the Government National Mortgage Association (“Ginnie Mae”). The Securities are being sold to the Sponsor pursuant to the Trust Agreement[s]. Capitalized terms used but not otherwise defined herein shall have the meanings assigned to them in the glossary contained in the Ginnie Mae Multiclass Securities Guide currently in effect (the “Glossary”).

The Base Offering Circular [for Guaranteed [Multifamily] REMIC Pass-Through Securities], dated _____, 20_, and the related Offering Circular Supplement, dated _____, 20_ (collectively, the “Offering Circular”), were prepared in connection with the offering of the Securities.

The assets of the [REMIC] Trust consist primarily of [Trust MBS] [,] [Ginnie Mae Multifamily Certificates,] [Underlying SMBS Securities,] [Underlying Callable Securities] [and] [Underlying Certificates] ([collectively,] the “Trust Assets”) sold to the [REMIC] Trust by the Sponsor. In connection with the issuance of the Securities, Ginnie Mae is guaranteeing the payment of the full amount of principal and interest on each Security pursuant to the Guaranty Agreement and Section 3 of the Standard Sponsor Provisions, _____ 1, 20_ Edition (the “Standard Sponsor Provisions”).

In connection with the foregoing, we have examined the following documents:

- {(i) the opinion of counsel of the Sponsor, delivered in connection with this transaction (the “Sponsor’s Opinion”)[;][.] [and]}
- [(j) the Offering Circular Supplement[s] for the Ginnie Mae REMIC Pass-Through Securities [and MX Securities], Ginnie Mae REMIC Trust[s] _____ - ____ [and _____ - ____] (the “Underlying Certificate Disclosure Document[s]”).]
- [(k) the Articles of Incorporation and Bylaws (collectively, the “Constituent Documents”) of the Sponsor, together with good standing certificates with respect to the Sponsor; and
- (l) the resolutions of the Sponsor pertaining to the subject transactions, certified by the Secretary or Assistant Secretary of the Sponsor.]

The Trust Agreement[s] and the Sponsor Agreement are collectively referred to herein as the “Agreements.”

For purposes of the opinions expressed in part I and the views expressed in part II , we have assumed (a) the authenticity of all documents submitted to us as originals, (b) the conformity to the originals of all documents submitted as certified or photostatic copies and the authenticity of the originals of such copies, (c) the genuineness of signatures not witnessed by us, (d) the legal capacity of natural persons [and] (e) the due authorization, execution and delivery of all documents by all parties and the validity and binding effect thereof (other than [the due authorization, execution and delivery of documents by the Sponsor and] the validity and binding effect of documents upon the Sponsor) [and (f) the accuracy and completeness in all material respects of the Underlying [Certificate] [SMBS Security] Disclosure Document[s]].

As to factual matters, we have relied upon representations included in the aforementioned documents and in other documents delivered at the closing, upon certificates of officers of the Sponsor and upon certificates of public officials. In addition, we have obtained from officers and employees of the parties described above such other certificates and assurances, and we have examined such records, other documents and questions of law, as we have considered necessary or appropriate for purposes of rendering this opinion letter. [Whenever the phrase “to our knowledge” is used herein, it refers to the actual knowledge of the attorneys of this firm involved in the representation for this transaction.]

The enforceability of the Agreements against the parties thereto is subject to the provisions of bankruptcy, insolvency, reorganization, or moratorium laws or laws relating to or affecting the rights of creditors generally and to principles of equity, whether considered at law or in equity, except that Ginnie Mae may enforce the Agreements against the parties thereto notwithstanding any bankruptcy, insolvency, reorganization or moratorium law, or any law relating to or affecting the rights of creditors generally, to the extent that such law is preempted by the authorizing law for the Ginnie Mae Multiclass Securities Program set forth at 12 U.S.C. § 1721(g)(3)(E)(iv).

We do not purport to express an opinion as to the laws of any jurisdiction other than the [State of incorporation of the Sponsor, the] State of New York and the United States of America.

I.

Based upon, and subject to, the foregoing and such other documents and information as we have considered necessary for the purposes hereof, we are of the opinion that:

[1. The Sponsor has been duly incorporated and is validly existing as a corporation in good standing under the laws of the jurisdiction of its incorporation.

2. The Sponsor has the corporate power and authority to enter into the transactions contemplated by the Agreements.

3. The Sponsor is duly qualified to do business as a foreign corporation and is in good standing under the laws of each jurisdiction that requires such qualification wherein it owns

or leases material properties, except where the failure so to qualify would not have a material adverse effect on such company's ability to perform its obligations under the Agreements.

4. To our knowledge, there is no action, suit, proceeding or investigation pending or threatened against the Sponsor that reasonably could be expected to affect adversely (a) the Sponsor's ability to carry on its business substantially as now conducted; (b) the transfer of the Trust Assets; (c) the issuance of the Securities or (d) the execution, delivery, performance or enforceability of the Agreements, including the Sponsor's performance under any indemnification provisions.]

{1. The Sponsor's Opinion is satisfactory in form and scope to us, and we believe that you may properly rely on it.}

{2} [5.] Assuming the due authorization, execution and delivery of the Trust Agreement[s] by the [Trustee] {parties thereto}, the provisions of the Trust Agreement[s] are sufficient to establish [a] trust[s] under and pursuant to the governing laws of the Trust Agreement[s].

{3} [6.] [Each of the Agreements has been duly executed and delivered by an authorized signatory of the Sponsor, and] {Assuming the due authorization, execution and delivery of the Agreements by the parties thereto,} each constitutes a valid, legal and binding agreement of the Sponsor, enforceable against the Sponsor in accordance with its respective terms.

{4} [7.] The Securities conform in all material respects to the descriptions thereof contained in the Offering Circular. The Securities that are Book-Entry Securities [or Uncertificated Securities] have been duly and validly authorized and delivered by the Trustee in accordance with the [related] Trust Agreement and are duly and validly issued and entitled to the benefits of such Trust Agreement. Assuming the due authorization of the officer of the Trustee who executed the [Certificated Securities] [Residual Securit[y][ies]] on behalf of the [REMIC] Trust, such Securit[y][ies] [has] [have] been duly and validly authorized, executed and delivered by such Trust in accordance with the [REMIC] Trust Agreement and will, when authenticated as specified in the [REMIC] Trust Agreement, be duly and validly issued and entitled to the benefits [of [the] [such] Trust Agreement].

{5} [8.] The Securities are exempt from the registration requirements of the Securities Act of 1933, as amended, and the rules and regulations of the Commission promulgated thereunder, and the Securities constitute "exempted securities" under the Securities Exchange Act of 1934, as amended, and the rules and regulations of the Commission promulgated thereunder.

{6} [9.] The Trust Agreement[s] is [are] not required to be qualified under the Trust Indenture Act of 1939, as amended, and the trust fund created thereby is not required to be registered under the Investment Company Act of 1940, as amended.

{7} [10.] No consent, approval, authorization or order of (a) any _____ State or federal court or (b) any _____ State or federal governmental agency or body is required for the consummation by the Trust[s] of the transactions contemplated by the Agreements; *provided, however*, that we express no opinion with respect to requirements under local and state securities laws, including but not limited to such as may be required under the

state securities or blue sky laws, of any jurisdiction in connection with the distribution of the Securities.

{8} [11.] The statements set forth under the headings “Terms Sheet” and “Description of the Securities” in the Offering Circular Supplement, and under the headings “Description of the Securities” and “The Trusts” in the Base Offering Circular, insofar as such statements together purport to summarize certain provisions of the Agreements, provide a fair summary of such provisions.

{9} [12.] The statements in the Offering Circular Supplement under the headings “ERISA Matters” and “Legal Investment Considerations,” and in the Base Offering Circular under the headings “ERISA Considerations” and “Legal Investment Considerations,” insofar as they describe federal statutes and regulations or constitute legal conclusions with respect thereto, have been prepared or reviewed by us, and such statements fairly summarize such statutes and regulations.

{10} [13.] The Regular [and MX] Securities qualify as “guaranteed governmental mortgage pool certificates” within the meaning of 29 C.F.R. § 2510.3-101(i)(2).

II.

We have participated in various conferences with the [[officers and directors of the Sponsor, representatives of Ginnie Mae, representatives of [Hunton & Williams LLP] [and Harrell and Chambliss LLP] [Thacher Proffitt & Wood LLP] [and Joseph C. Reid P.A.], counsel to Ginnie Mae and the Accountants]] [appropriate representatives of the Sponsor and the Accountants.] At those conferences, the contents of the Offering Circular were discussed and revised. [Since the dates of those conferences, we have inquired of appropriate representatives whether there has been any material change in the affairs of the Sponsor.]

Because of the inherent limitations in the independent verification of factual matters, we are not passing upon, and do not assume any responsibility for, and make no representation that we have independently verified, the accuracy, completeness or fairness of the statements contained in the Offering Circular, except as specifically set forth in paragraphs [11 and 12] {8 and 9} of Part I of our opinion above. Also, we do not express any opinion or belief as to the financial statements or other numerical, financial or statistical information contained in the Offering Circular. However, subject to the foregoing, we advise you that nothing has come to our attention that would lead us to believe that the Offering Circular, as of the date thereof and at the date hereof, contained or contains any untrue statement of a material fact or omitted or omits to state any material fact necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading (except that we express no opinion with respect to the numerical, financial and statistical data contained in the Offering Circular).

We express no opinion as to any matter other than as expressly set forth herein, and no other opinion is to be, or may be, inferred or implied herefrom. This opinion is given as of the date hereof and is based on facts and conditions presently known to us and laws and regulations currently in effect, and we do not undertake, and hereby disclaim, any obligation to advise you of any change in any matters set forth herein.

This opinion letter is being furnished to you solely for your benefit and may not be relied upon by, nor may copies be delivered to, any person without our prior written consent.

Section 1.03 of the Standard Trust Provisions[, as modified by the Trust Agreement] identifies [a pool] [two pools] of such assets (the “Asset Pool[s]”) as the assets that will comprise [each of] the Trust REMIC[s]. Pursuant to the Trust Agreement, an election will be made to treat [the] [each] Asset Pool as [a] [separate] real estate mortgage investment conduit[s] (“REMIC[s]”) under the Internal Revenue Code of 1986, as amended (the “Code”).

We have reviewed the originals or copies of: (i) the Trust Agreement, including the Standard Trust Provisions; (ii) the Sponsor Agreement dated as of _____, 20__, by and between the Sponsor and Ginnie Mae, including the Standard Sponsor Provisions, _____, 20__ Edition[, as amended through _____, 20__]; (iii) the Guaranty Agreement dated as of _____, 20__; [and] (iv) the Offering Circular [and (v) the Offering Circular Supplement[s] and related Offering Circular for Ginnie Mae REMIC [and MX] Trust 20__-__ [and Ginnie Mae REMIC [and MX] Trust 20__-__] [and Ginnie Mae Callable Trust 20__-__] (the “Underlying Certificate Offering Circular[s]”). We also have reviewed such other documents relating to the transaction and made such other factual and legal inquiries as we have considered necessary for purposes of the opinions given below. [We have assumed the accuracy and completeness in all material respects of the Underlying Certificate Offering Circular[s] and that [the] [each] Underlying Certificate will, at all relevant times, constitute [, directly or indirectly,] [a] [either] “regular interest[s]” in a REMIC [or grantor trust interests in respect of “regular interest[s]” in a REMIC].]

[In rendering our opinions, we have also relied, without independent verification, on a letter from the Sponsor, dated _____, 20__, representing the belief of the Sponsor that there are various economically reasonable circumstances under which the holders of the Call Class of Ginnie Mae Callable Trust 20__-C_ would not exercise their rights to direct the redemption of the Callable Class of Ginnie Mae Callable Trust 20__-C_.]

Based on the foregoing, we are of the opinion that, with respect to this transaction, the statements and legal conclusions contained in the Offering Circular under the caption “Certain Federal Income Tax Consequences” are correct in all material respects and the discussion thereunder does not omit any material provision with respect to the matters covered. Also based on the foregoing and subject to the qualifications stated herein, we are of the further opinion that, if the Trustee, the Sponsor, Ginnie Mae, and the other parties to the documents referenced in the foregoing paragraph comply (without waiver) with all of the provisions of such documents, an election properly is made and filed for the Asset Pool to be treated as a REMIC pursuant to section 860D of the Code: (i) [the Asset Pool will qualify as a REMIC] [each of the Asset Pools will qualify as a separate REMIC], (ii) the Regular Securities will constitute “regular interests” in [that] [the related Trust] REMIC[s] on the date of issuance thereof and thereafter, and (iii) the Residual Securities will constitute the “residual interest” in [that REMIC] [each of the Trust REMICs] on the date of issuance thereof and thereafter, in each case assuming continuing compliance with the REMIC provisions of the Code and any regulations thereunder.

You should be aware that the above opinions and the discussion contained in the Offering Circular under the caption “Certain Federal Income Tax Consequences” represent conclusions as to the application of existing law to the transaction described herein. There can be no assurance

that existing law will not change or that contrary positions will not be taken by the Internal Revenue Service.

No opinion has been sought and none has been given concerning the tax consequences of the transaction described herein or of the acquisition, ownership, or disposition of the Securities under the laws of any state or locality.

The opinions expressed herein are solely for the information and use of the addressees and may not be relied upon or otherwise used for any purpose by any other person without our express written consent.

The enforceability of the Trust Agreement[s] against the parties thereto is subject to the provisions of bankruptcy, insolvency, reorganization, or moratorium laws or laws relating to or affecting the rights of creditors generally and principles of equity, whether considered at law or in equity, except that Ginnie Mae may enforce the Trust Agreement[s] against the parties thereto notwithstanding any bankruptcy, insolvency, reorganization or moratorium law, or any law relating to or affecting the rights of creditors generally, to the extent that such law is preempted by the authorizing law for the Ginnie Mae Multiclass Securities Program set forth at 12 U.S.C. § 1721(g)(3)(E)(iv).
