

# Notice of District Measure Election

## SEL 803

rev 1/06: ORS 250.035,  
250.041, 255.145, 255.345

Marion Soil and Water Conservation District

Name of District

Notice is hereby given on *date of election* 2001

A measure election will be held in  
Marion

*name of county or counties.*

.County, Oregon.

The following shall be the ballot title of the measure to be submitted to the district's voters on this date:

**CAPTION** *10 words*  
Marion Soil and Water Conservation District Permanent Rate Limit

**QUESTION** *20 words*  
Shall the District have a permanent rate limit of \$.05 per \$1000 assessed value beginning fiscal year 2001-2002?

**SUMMARY** *175 words*  
This permanent rate limit will enable the Marion Soil and Water Conservation District to provide water quality improvement technical assistance to District residents, cities, special districts, and watershed councils within the District. Requests for this assistance have increased due to mandates of the Federal Clean Water Act and the Endangered Species Act, but the District does not have staff to provide the assistance and has decided to ask the voters for a permanent rate limit. The permanent rate limit would cost the owner of a \$100,000 home \$5 a year and would yield approximately \$590,000 a year to the District. With this money the District would hire technicians to help individuals and groups with planning, design, construction and monitoring of projects to prevent and reduce soil erosion and other pollutants entering waterways.
