Split Mountain Group Camping Reservation Request Application

There are four group sites available at Split Mountain Campground. Each group site can accommodate 8 to 20 people and 6 vehicles. Groups greater than 20 people will require multiple sites, with a maximum of 80 people when using all 4 sites. the camping rate is \$25.00 per site, per night and is payable upon arrival.

A \$10.00 non-refundable reservation fee is required to process all reservation requests. The \$10.00 reservation fee is NOT included in the \$25.00 per site camping fee.

A reservation request application will not be confirmed until our office receives this completed form and the \$10.00 reservation fee. A reservation fee is charged for each set of dates requested. For example, multiple sites to be used on consecutive dates require only one reservation fee. However, additional dates, when there is a break in the visit, would require an additional fee.

Reservation fees must be paid with a personal check or money order. **Make your check payable to: "National Park Service" and enclose the payment with this reservation application.**
