Keynote Speaker

Peter Bearman, Ph.D. is the director of the Institute for Social and Economic Theory and Research and The Paul F. Lazarsfeld Center for the Social Sciences at Columbia University.

He co-designed and directed the National Longitudinal Study of Adolescent Health (Add Health).

Dr. Bearman is a nationally recognized expert and dynamic speaker whose research focuses on adolescent health, with special focus on the role of schools, peers, and romantic partnerships.

He is researching how school shapes adolescent health and health risk behaviors; how the structure of romantic and sexual networks shapes STD risks for adolescents; the effect of virginity pledges on the transition to first intercourse; peer influence on health care; and genetic influence on social behavior.

Gateway Community College

is located at 108 N. 40th Street in Phoenix. Main crossroads are 40th & Washington Sts.

Continuing Education

The VA Employee Education System is accredited by the Accreditation Council of Continuing Medical Education to sponsor continuing medical education for physicians. VA Employee Education System takes responsibility for the content, quality, and scientific integrity of this CME activity. The VA Employee Education System designates this educational activity for a maximum of **6.5 hours in category 1 credit towards the American Medical Association Physician's Recognition Award**. Each physician should claim only those hours of credit that he/she actually spent in the educational activity.

The Southwest Health Professions Education Center, Inc. (SEC) is approved by the **American Psychological Association to offer continuing education for psychologists**. SEC maintains responsibility for the
