

6th Annual Advances in Indian Health

UNM Continuing Education Building
1634 University Blvd., NE, Albuquerque, New Mexico
May 2 - 5, 2006

The 6th Annual Advances in Indian Health Conference is offered for primary care physicians, nurses, and physician assistants who work with American Indian and Alaskan Native populations at federal, tribal and urban sites. Medical students and residents who are interested in serving these populations are also welcome.

Both new and experienced attendees will learn about advances in clinical care specifically relevant to Native American Indian populations with an emphasis on southwestern tribes. Opportunities to learn from experienced career clinicians who are experts in native people's health will be emphasized. Indian Health Service Chief Clinical Consultants and disease control program directors will be available for consultation and program development.

The conference format has changed to include another full day of lectures and workshops. By early-December, a **Registration Form** will be posted on the UNM CME web site at <http://hsc.unm.edu/cme>, and the brochure will be available soon afterwards. To be on our mailing list, please call the Office of Continuing Medical Education at (505) 272-3942. If you have attended the conference in the past two years, you are already on our mailing list and a brochure will be mailed to you. For additional information please contact Kathy Breckenridge, University of New Mexico Office of Continuing Medical Education at (505) 272-3942.
