Providers' Best Practices & GPRA Measures Conference

**Date: November 1-2, 2006
Location: Sacramento, CA**

The California Area Indian Health Service is sponsoring a day and a half Best Practices Conference for providers in Sacramento on November 1-2. Its focus will be on improving patient care through best practices and GPRA tracking.

The conference will include presentations on:

- **Clinical strategies for dealing with childhood weight control**
- **Diabetes management**
- **Medical/medication error reporting**
- **CRS lab**
- **EHR lab**
- **Telemedicine demonstrations**

Dr. James Galloway has tentatively agreed to talk about cardiovascular disease and the new comprehensive CVD measure.

This conference is open to providers and staff throughout the Indian Health Service Network. We are finalizing arrangements for the conference now and will be circulating a complete conference announcement soon.
