TELEFONICA LARGA DISTANCIA DE PUERTO RICO

Petition for Declaratory Ruling

Telefónica Larga Distancia de Puerto Rico, Inc. (TLD) has petitioned the Commission for a declaratory ruling that an alternative settlement arrangement negotiated with Empresas Brasileira de Telecomunicacoes, S.A. (Embratel) for service to and from Brazil is permitted under the framework adopted by the Commission.

TLD certifies that Brazil is a member of the World Trade Organization. TLD has certified that less than twenty-five percent of the traffic to or from Brazil would be affected and TLD has further certified that it is not an affiliate of Embratel or involved in a non-equity joint venture with Embratel affecting the provision of basic services on the U.S.-Brazil route.
