System Requirements

**PubSCIENCE** provides users the capability to search across a large compendium of peer reviewed journal literature with a focus on the physical sciences and other disciplines of concern to the Department of Energy (DOE).

**PubSCIENCE** is another service developed by DOE's Office of Scientific and Technical Information and made available to the American public in partnership with the U.S. Government Printing Office (GPO). Also visit the [DOE Information Bridge](#) for full-text DOE Report literature and the [ProPrint Network](#) for a "one-stop shopping" site for preprints in science and technology. **PubSCIENCE** is a component of [EnergyFiles Virtual Library Collection of Energy Science and Technology](#).
