

**ACTION:** Notice of implementation.

**SUMMARY:** The Coast Guard is implementing the special local regulations for the 22nd Annual Safety at Sea Seminar, a marine event to be held March 31, 2001, on the waters of Spa Creek and Severn River at Annapolis, Maryland. These special local regulations are necessary to control vessel traffic due to the confined nature of the waterway and expected vessel congestion during the event. The effect will be to restrict general navigation in the regulated area for the safety of spectators and vessels transiting the event area.

**DATES:** 33 CFR 100.511 is effective from 11:30 a.m. to 3 p.m. on March 31, 2001.

**FOR FURTHER INFORMATION CONTACT:** Chief Warrant Officer R.L. Houck, Marine Events Coordinator, Commander, Coast Guard Activities Baltimore, 2401 Hawkins Point Road, Baltimore, MD 21226-1971, (410) 576-2674.

**SUPPLEMENTARY INFORMATION:** The U.S. Naval Academy Sailing Squadron will sponsor the 22nd Annual Safety at Sea Seminar on the waters of the Severn River Spa Creek at Annapolis, Maryland. Waterborne activities will include demonstrations of life rafts, pyrotechnics, man overboard procedures, and a helicopter rescue. In order to ensure the safety of participants, spectators and transiting vessels, 33 CFR 100.511 will be in effect for the duration of the event. Under provisions of 33 CFR 100.511, vessels may not enter the regulated area without permission from the Coast Guard Patrol Commander. Spectator vessels may anchor outside the regulated area but may not block a navigable channel. Because these restrictions will only be in effect for a limited period, they should not result in a significant disruption of maritime traffic.

Dated: February 22, 2001.

**T.C. Paar,**

*Captain, U.S. Coast Guard, Acting Commander, Fifth Coast Guard District.*

## DEPARTMENT OF TRANSPORTATION

### Coast Guard

#### 33 CFR Part 117

[CGD01-01-018]

#### Drawbridge Operation Regulations: Shaw Cove, CT

**AGENCY:** Coast Guard, DOT.

**ACTION:** Notice of temporary deviation from regulations.

**SUMMARY:** The Commander, First Coast Guard District, has issued a temporary deviation from the drawbridge operation regulations governing the operation of the Amtrak Bridge, at mile 0.0, across the Shaw Cove at New London, Connecticut. This deviation allows the bridge to remain closed to vessel traffic from 8 a.m. on March 5, 2001 through 11 p.m. on March 8, 2001. This action is necessary to facilitate necessary maintenance at the bridge.

**DATES:** This deviation is effective March 5, 2001 through March 8, 2001.

**FOR FURTHER INFORMATION CONTACT:** Joseph Schmied, Project Officer, First Coast Guard District, at (212) 668-7165.

**SUPPLEMENTARY INFORMATION:** The Amtrak Bridge, at mile 0.0, across the Shaw Cove has a vertical clearance of 3 feet at mean high water, and 6 feet at mean low water in the closed position. The existing drawbridge operating regulations are listed at 33 CFR 117.223.

The bridge owner, the National Railroad Passenger Corporation (Amtrak), requested a temporary deviation from the drawbridge operating regulations to facilitate necessary maintenance at the bridge. This deviation from the operating regulations allows the bridge to remain closed to vessel traffic from 8 a.m. on March 5, 2001 through 11 p.m. on March 8, 2001. Vessels that can pass under the bridge without an opening may do so at all times during the closed period.

In accordance with 33 CFR 117.35(c) this work will be performed with all due speed in order to return the bridge to normal operation as soon as possible. This deviation from the operating regulations is authorized under 33 CFR 117.35.

Dated: February 13, 2001.

BILLING CODE 4000-01-P

**FEDERAL EMERGENCY MANAGEMENT AGENCY**

**44 CFR Part 65**

**Changes in Flood Elevation Determinations**

**AGENCY:** Federal Emergency Management Agency (FEMA).

**ACTION:** Final rule.

**SUMMARY:** Modified base (1% annual chance) flood elevations are finalized for the communities listed below. These modified elevations will be used to calculate flood insurance premium rates for new buildings and their contents.

**EFFECTIVE DATES:** The effective dates for these modified base flood elevations are indicated on the following table and revise the Flood Insurance Rate Map(s) in effect for each listed community prior to this date.

**ADDRESSES:** The modified base flood elevations for each community are available for inspection at the office of the Chief Executive Officer of each community. The respective addresses are listed in the following table.

**FOR FURTHER INFORMATION CONTACT:** Matthew B. Miller, P.E., Chief, Hazards Study Branch, Mitigation Directorate, 500 C Street SW., Washington, DC 20472, (202) 646-3461, or (e-mail) matt.miller@fema.gov.

**SUPPLEMENTARY INFORMATION:** The Federal Emergency Management Agency makes the final determinations listed below of the final determinations of modified base flood elevations for each community listed. These modified elevations have been published in newspapers of local circulation and ninety (90) days have elapsed since that publication. The Associate Director for

Mitigation has resolved any appeals resulting from this notification.

The modified base flood elevations are not listed for each community in this notice. However, this rule includes the address of the Chief Executive Officer of the community where the modified base flood elevation determinations are available for inspection.

The modifications are made pursuant to Section 206 of the Flood Disaster Protection Act of 1973, 42 U.S.C. 4105, and are in accordance with the National Flood Insurance Act of 1968, 42 U.S.C. 4001 *et seq.*, and with 44 CFR Part 65.

For rating purposes, the currently effective community number is shown and must be used for all new policies and renewals.

The modified base flood elevations are the basis for the floodplain management measures that the community is required to either adopt or to show evidence of being already in effect in order to qualify or to remain qualified for participation in the National Flood Insurance Program (NFIP).

These modified elevations, together with the floodplain management criteria required by 44 CFR 60.3, are the minimum that are required. They should not be construed to mean that the community must change any existing ordinances that are more stringent in their floodplain management requirements. The community may at any time enact stricter requirements of its own, or pursuant to policies established by other Federal, State, or regional entities.

These modified elevations are used to meet the floodplain management requirements of the NFIP and are also used to calculate the appropriate flood insurance premium rates for new buildings built after these elevations are made final, and for the contents in these buildings.

The changes in base flood elevations are in accordance with 44 CFR 65.4.

*National Environmental Policy Act.* This rule is categorically excluded from the requirements of 44 CFR part 10, Environmental Consideration. No environmental impact assessment has been prepared.

*Regulatory Flexibility Act.* The Associate Director for Mitigation certifies that this rule is exempt from the requirements of the Regulatory Flexibility Act because modified base flood elevations are required by the Flood Disaster Protection Act of 1973, 42 U.S.C. 4105, and are required to maintain community eligibility in the NFIP. No regulatory flexibility analysis has been prepared.

*Regulatory Classification.* This final rule is not a significant regulatory action under the criteria of Section 3(f) of Executive Order 12866 of September 30, 1993, Regulatory Planning and Review, 58 FR 51735.

*Executive Order 12612, Federalism.* This rule involves no policies that have federalism implications under Executive Order 12612, Federalism, dated October 26, 1987.

*Executive Order 12778, Civil Justice Reform.* This rule meets the applicable standards of Section 2(b)(2) of Executive Order 12778.

**List of Subjects in 44 CFR Part 65**

Flood insurance, Floodplains, Reporting and recordkeeping requirements.

Accordingly, 44 CFR part 65 is amended to read as follows:

**PART 65—[AMENDED]**

1. The authority citation for Part 65 continues to read as follows:

**Authority:** 42 U.S.C. 4001 *et seq.*; Reorganization Plan No. 3 of 1978, 3 CFR, 1978 Comp., p. 329; E.O. 12127, 44 FR 19367, 3 CFR, 1979 Comp., p. 376.

**§ 65.4 [Amended]**

2. The tables published under the authority of § 65.4 are amended as follows:

State and county	Location	Dates and name of newspaper where notice was published	Chief executive officer of community	Effective date of modification	Community No.
Arizona: Cochise (FEMA Docket No. B-7312).	Unincorporated Areas	November 10, 1999, November 17, 1999, <i>Arizona Range News</i> .	The Honorable Mike Palmer, Chairman, Cochise County Board of Supervisors, 1415 West Melody Lane, Building B, Bisbee, Arizona 85603.	February 15, 2000 .....	040012
