The issuance of a permit or a review or approval of plan specification, computation, and shop drawings, shall not be interpreted to be a permit for, or an approval of any variance or violation y of the provisions of any COUNTY or STATE codes, ordinances, standards, or policies. Nor shall such issuance of a permit or approval of plans, specification, computations, and shop drawing prevent any authorized COUNTY representative or COUNTY inspector from thereafter requiring the correction of errors in said plans, specification, computations, or shop drawings or from stopping construction operations which are being carried on thereunder when in violation of any COUNTY or STATE cores, ordinances, standards, or policies.
