

September 2008

Speak up on Transportation!

Help shape local, regional and statewide transportation funding decisions for the next four years.

The public is invited to comment on the Oregon Department of Transportation draft 2010-2013 Statewide Transportation Improvement Program (STIP) and Metro's first-cut list of transportation priorities for the Portland-area's Metropolitan Transportation Improvement Program (MTIP).

[View the 2010-2013 draft STIP](#)
