§ 719.1 Scope and definitions.

(a) *Scope.* This part 719 describes the various sanctions that apply to violations of the Act and this subchapter. It also establishes detailed administrative procedures for certain violations of the Act. The three categories of violations are as follows:

(1) *Violations of the Act subject to administrative and criminal enforcement proceedings.* This CWCER sets forth in § 719.2 violations for which the statutory basis is the Act. The Department of Commerce investigates these violations and, for administrative proceedings, prepares charges, provides legal representation to the U.S. Government, negotiates settlements, and makes recommendations to officials of the Department of State with respect to the initiation and resolution of proceedings. The administrative procedures applicable to these violations are found in §§ 719.5 through 719.22 of this part. The Department of State gives notice of initiation of administrative proceedings and issues orders imposing penalties pursuant to 22 CFR part 103, subpart C.

(2) *Violations of the International Emergency Economic Powers Act (IEEPA) subject to judicial enforcement proceedings.* Section 719.3 sets forth violations of the Chemical Weapons Convention for which the statutory basis is the IEEPA. The Department of Commerce refers these violations to the Department of Justice for civil or criminal judicial enforcement.

(3) *Violations and sanctions under the Act not subject to proceedings under this subchapter.* Section 719.4 sets forth violations and sanctions under the Act that are not violations of this subchapter and that are not subject to proceedings under this subchapter. This section is included solely for informational purposes. The Department of Commerce may assist in investigations of these violations, but has no au-

thority to initiate any enforcement action under this subchapter.

NOTE TO PARAGRAPH (a): This part 719 does not apply to violations of the export requirements imposed pursuant to the Chemical Weapons Convention and set forth in the Export Administration Regulations (EAR) (15 CFR parts 730 through 799) and in the International Traffic in Arms Regulations (ITAR) (22 CFR parts 120 through 130).
