## SAVE MONEY & THE ENVIRONMENT

ENERGY STAR® qualified CFLs (Compact Fluorescent Lights) are among the most efficient light bulbs available today. It's easy to make the switch from a regular bulb to a CFL and you'll save money and energy over the life of the bulb.

**RECYCLE your CFL properly when it burns out.** Visit a participating retailer to recycle your CFL bulb at the store and purchase a replacement bulb while you are there.

Visit [www.energymaine.com](http://www.energymaine.com) or call 866-376-2463 for a list of participating retailers.

For a complete listing of recycling centers throughout Maine visit at [www.maine.gov/dep](http://www.maine.gov/dep).
