Picnic Areas

Visitors can use picnic areas throughout the park. The numbers on the map below indicate the picnic area locations; they also correspond to the list on the reverse side. Signs along the roadway also indicate picnic areas. Every picnic area has tables, most have vault toilets. You can use camping stoves and self-contained charcoal grills to prepare food at any picnic area. Fires are permitted only in picnic areas with fire grates. Only one picnic area—Madison—has water.

Camping is not allowed in any picnic area.
