**Wear Your Support!**

The North Central Chapter Paralyzed Veterans of America has created an opportunity for everyone to show their support for America's veterans by wearing an awareness wristband. As our veterans have protected the freedoms that we enjoy today, we thought it would only be appropriate to share with you a design that features the American Flag, the quintessential symbol of those freedoms.

This wristband represents both a positive and patriotic message that has been earned by our veterans who have served during times of war and peace.

These PVA flag wristbands are being sold for only \$2.00 each. Proceeds from the sales of the wristbands will go directly to the programs and services that are provided to our Veterans, such as Research & Education, Scholarships, VA Transportation, Advocacy, and Sports & Recreation Programs.

On behalf of the North Central Chapter Paralyzed Veterans of America, we would like to thank you for your support. We hope that you will proudly wear your wristband in support of those men and women who have fought to keep our country free.
