### § 1606.3 General rule.

Except as otherwise provided, employing agencies shall pay to the Thrift Savings Fund any amount, computed by the TSP recordkeeper in a manner consistent with this part 1606, that is required to restore to the TSP account of the participant or participants involved earnings lost as a result of an employing agency error. Where lost earnings are required, the employing agency must, in accordance with this part 1606 and any instructions provided by the Board or the TSP recordkeeper, submit to the TSP recordkeeper all information and certification that is required to enable the TSP recordkeeper to compute the amount of lost earnings payable by the employing agency, and to charge that amount to the appropriate employing agency.

### § 1606.4 Applicability.

(a) *In general.* Except as otherwise provided, the provisions of this part

## § 1606.5

1606 apply in any case where, due to employing agency error, the Thrift Savings Fund has not invested or had the use of money that would have been invested in the Thrift Savings Fund had the employing agency error not occurred, or where the money would have been invested in a different investment fund had the error not occurred.

(b) *Back pay awards and other retroactive pay adjustments.* The application of this part 1606, as described in paragraph (a) of this section, includes TSP contributions derived from payments associated with back pay awards or other retroactive pay adjustments that are based on a determination that the employing agency paid a participant less than the full amount of basic pay to which the participant was entitled.

(c) *Timing of errors.* This part 1606 applies regardless of whether the employing agency error that caused the effects described in paragraph (a) of this section occurred prior to, at, or after the inception of the TSP.

(d) *De minimis rules.* Notwithstanding paragraphs (a) through (c) of this section or any other provision of this part 1606:

(1) Lost earnings shall not be payable where the amount of money for a source of contributions in a participant's account that is not invested in the Thrift Savings Fund due to an employing agency error, or that is invested in the wrong investment fund due to an employing agency error, is less than one dollar (\$1.00) for that source of contributions. Where the employing agency error caused delayed or erroneous contributions for more than one pay period, this paragraph shall apply separately to each pay period involved.

(2) Where the employing agency error caused delay in submission of TSP payment records or loan allotments, lost earnings shall not be payable unless the belated contributions or loan allotments were received by the TSP recordkeeper more than 30 days after the pay date associated with the pay period for which the contributions or loan allotments would have been submitted had the employing agency error not occurred.

(3) For employing agency errors not covered by paragraph (d)(2) of this sec-

(4) The 30-day requirements contained in paragraphs (d)(2) and (d)(3) of this section do not apply where, due to employing agency error, money in a participant's account has been invested in an incorrect investment fund.

(e) *Contributions for pre-1987 service.* This part does not apply to errors involving employing agency delay in submitting contributions required by 5 U.S.C. 8432(c)(3).

(a) If a participant receives pay, but as the result of an employing agency error all or any part of the agency automatic (1%) contribution associated with that pay to which the participant is entitled is not timely received by the TSP record keeper, then the makeup or late contributions will be subject to lost earnings. In such cases:

(1) The employing agency must, for each pay period involved, submit to the TSP record keeper a lost earnings record indicating the pay date for which the contributions would have been made had the error not occurred (i.e., the beginning date), the investment fund to which the contributions would have been deposited had the error not occurred if the beginning date on the record was before May 1, 2001, the amount of the contributions, and the pay date for which the contributions were actually made.
