

Office of Government Ethics

§ 2638.504

(1) If the employee involved is the head of an agency, the recommendation shall be made to the President and the procedures set forth in this section shall serve as guidance only.

(2) Where there is reason to believe that an employee has given preferential treatment or failed to act impartially, this authority will not be used to initiate an investigation in the nature of a review or audit of the agency program in which the employee participated.

(b) *Initiation of investigation.* The head of the agency shall notify the Director when the agency has initiated an investigation. Where it is anticipated that the investigation will not be completed within 60 calendar days, the head of the agency will notify the Director of that fact and provide an explanation reasonably justifying additional time.

(c) *Agency report.* The head of the agency shall file a report with the Director detailing findings of fact and disciplinary and/or corrective actions taken, if any.

(d) *Director's determination.* The Director will make a determination based on the agency investigation and report.

(1) If the Director determines that the agency has conducted an adequate investigation and has taken appropriate corrective and/or disciplinary action, the Director shall notify the agency that the matter is closed.

(2) If the Director determines that the agency has conducted an adequate investigation and has recommended appropriate corrective and/or disciplinary action, the Director shall notify the agency that the matter will be closed upon notification that such action has been taken.

(3) If the Director determines that the agency has not conducted an adequate investigation, the Director may recommend that the agency undertake further investigative effort.

(4) If the Director determines that the agency has improperly interpreted an ethics provision or improperly applied an ethics provision to the facts of the case, the Director may, in accordance with § 2638.502, provide advice and recommendations necessary to ensure compliance.

(5) If the Director determines that the agency has taken or recommended

inappropriate corrective or disciplinary action, the Director may notify the head of the agency of intent to institute proceedings under § 2638.504 or § 2638.505.

(e) *Notice of noncompliance.* If the Director determines that the head of an agency has failed to conduct an adequate investigation within a reasonable period of time, the Director shall notify the President of that determination. A Notice of Noncompliance will not be based upon a determination that the agency has improperly interpreted or applied an ethics provision or that the agency has taken or recommended inappropriate corrective or disciplinary action.

§ 2638.504 Director's finding.

(a) *In general.* If the Director has reason to believe that an employee is violating or has violated an ethics provision, the Director may initiate proceedings under this section for the purpose of making a finding as to whether there is or has been such a violation. In the context of such proceedings, the Office of Government Ethics has the burden of proof to establish that the employee is violating or has violated an ethics provision. The procedures contained in this section do not apply to findings or orders for action made to obtain compliance with the financial disclosure requirements in title II of the Ethics Act. For those findings and orders, the procedures contained in section 206 of the Act shall apply.

(b) *Investigation.* The Director may initiate such investigation as is necessary to determine whether proceedings under this section are warranted. Ordinarily, a determination to proceed will be based upon an agency report of investigation filed under § 2638.503(c) and a determination by the Director under § 2638.503(d)(5) that the agency has taken or recommended inappropriate corrective or disciplinary action.

(c) *Notice.* The employee shall be served personally or by United States mail with written notice of commencement of proceedings under this section. A copy of the notice shall be provided to the head of the agency and to the designated agency ethics official. The

notice shall be signed by the Director and shall include the following:

- (1) A brief statement setting forth the basis for a possible ethics violation;
- (2) A copy of this section; and
- (3) The date by which the employee's comments must be submitted.

(d) *Employee comments.* The respondent employee has the right to comment on the alleged violation of an ethics provision by submission of evidence or arguments. As determined by the Director, the submission may be made orally or in writing. In the absence of an extension granted by the Director for good cause shown, comments shall be submitted within the time set forth in the notice

(e) *Finding.* The Director will make a written finding as to whether a violation of any ethics provision has occurred or is occurring. The finding will include a statement of the facts upon which the finding is based and a reference to the specific ethics provision in issue. A copy of the finding will be provided to the respondent employee, the head of the agency and the designated agency ethics official.

§ 2638.505 Director's decision and order.

(a) *In general.* Where the Director has reason to believe that an employee is violating an ethics provision, the Director may, subject to the procedures set forth in this section, issue an order that the employee take specific corrective action to remedy the violation. Ordinarily, a determination to proceed under this paragraph (a) will be based on the Director's finding under § 2638.504(e) that an ethics violation has occurred or is occurring and reason to believe that the violation is continuing. The procedures contained in this section do not apply to findings or orders for action made to obtain compliance with the financial disclosure requirements in title II of the Ethics Act. For those findings and orders, the procedures contained in section 206 of the Act shall apply.

(b) *Notice.* The employee will be served, personally or by United States mail, with notice of proceedings to determine whether a violation of an ethics provision is occurring and whether corrective action is necessary to end

the violation. A copy of the notice shall be provided to the head of the employee's agency and the designated agency ethics official thereof. The notice shall specify the employee's right to present evidence or arguments either in writing or, at the employee's written request, at a hearing conducted on the record. The notice shall be signed by the Director and shall include:

- (1) A brief statement setting forth the basis for a possible ethics violation;
- (2) Where applicable, a copy of the Director's finding under § 2638.504(e);
- (3) A statement of the authority under which proceedings are to be conducted, together with a copy of this section; and
- (4) The date by which the employee must, by written notification to the Director, elect to present evidence and arguments either at a hearing or in writing.

(c) *Separation of functions.* Once the Director has issued a notice of proceedings and if the respondent employee has elected to have a hearing conducted on the record, the General Counsel of the Office of Government Ethics shall designate attorneys of the Office of Government Ethics to participate on behalf of the Office in the proceedings, including the investigation and presentation of the evidence at the hearing. During this time period, the General Counsel of the Office of Government Ethics shall serve as Advisor to the Director and will not supervise Office of Government Ethics attorneys who are charged with the investigation and presentation of the evidence in the pending matter. A Deputy General Counsel shall supervise the Office attorneys responsible for the investigation and presentation of the evidence during this time period. No officer, employee, or agent engaged in the performance of investigative or advocacy functions for the Office of Government Ethics shall, in that or a factually related case, participate or advise in the decision, recommended decision or Office review except as witness or counsel in the proceedings. The Deputy General Counsel may request the views or report of the designated agency ethics official of the employee's agency when necessary to develop the record.
