§ 2638.601 In general.

Agencies are required by section 402(b)(10) of the Act to file such reports as the Director of the Office of Government Ethics deems necessary. Section 402(e) contains specific requirements for annual reports and for reporting cases referred for possible prosecution under 28 U.S.C. 535. Reporting requirements imposed under this subpart are in addition to any requirements for reports or opinions contained in part 735 of this title, parts 2633 through 2637 of this chapter, or otherwise under this chapter, and in other subparts of this part.

§ 2638.602 Annual agency reports.

(a) On or before February 1 of each year, each agency shall file with the Office of Government Ethics a report containing information about the agency's ethics program. Detailed reporting requirements will be specified in instructions to be issued by the Director in advance of the first day of the period to be covered by the annual report. Annual agency reports will cover the prior calendar year and, as a minimum, will include the following:

(1) The name, position, title and duties of each official who performs any or all of the duties of the designated agency ethics official or alternate;

(2) Statistics regarding public and nonpublic (confidential) financial disclosure report filings;

(3) A description and evaluation of the agency's program of ethics education, training and counseling, including the number of training courses given, the subject matters covered, training materials distributed and counseling services offered.

(b) Failure to timely file the report required by paragraph (a) of this section may be cause to invoke the procedures at subpart D of this part for correction of agency programs.

§ 2638.603 Reports of referral for possible prosecution.

(a) *In general.* Section 535 of title 28 of the United States Code imposes upon every agency a duty to report to the Attorney General any information, allegations or complaints relating to violations of title 18 of the United States Code involving Government officers and employees, including possible violations of 18 U.S.C. 207 by former officers and employees. Guidelines issued by the Attorney General require reporting of such allegations or complaints to the local office of the appropriate investigative agency, the United States Attorney for the district in which the violation occurred or is occurring and the appropriate division of the Department of Justice.

(b) *Report of referral.* When any matter involving an alleged violation of Federal conflict of interest law is referred pursuant to 28 U.S.C. 535, the agency shall concurrently notify the Director of the Office of Government Ethics of the referral and provide a copy of the referral document, unless such notification or disclosure would otherwise be prohibited by law.

(c) *Disposition reports.* (1) Where there has been notice that the matter reported under paragraph (b) of this section will not be prosecuted, the agency shall promptly notify the Director of that fact, the date of the decision and any disciplinary or corrective action initiated, taken or to be taken by the agency.
