Subpart F [Reserved]

Subpart G—Severance Pay

AUTHORITY: 5 U.S.C. 5595; E.O. 11257, 3 CFR, 1964-1965 Comp., p. 357.

SOURCE: 55 FR 6593, Feb. 26, 1990, unless otherwise noted.

§ 550.701 Introduction.

This subpart contains regulations of the Office of Personnel Management to implement the provisions of 5 U.S.C. 5595. These regulations authorize severance pay for employees who are involuntarily separated from Federal service and who meet other conditions of eligibility.

§ 550.702 Coverage.

Except as provided in 5 U.S.C. 5595(a)(2) (i) through (viii), this subpart applies to each full-time or part-time employee; that is, an employee with a regularly scheduled tour of duty who is serving under a qualifying appointment, as defined in § 550.703.

§ 550.703 Definitions.

In this subpart:

Agency means an agency as defined in 5 U.S.C. 5595(a)(1), except the government of the District of Columbia.

Commuting area means the geographic area surrounding a work site that encompasses the localities where people live and reasonably can be expected to travel back and forth daily to work, as established by the employing agency based on the generally held expecta-

tions of the local community. When an employee's residence is within the standard commuting area for a work site, the work site is within the employee's commuting area. When an employee's residence is outside the standard commuting area for a proposed new work site, the employee's commuting area is deemed to include the expanded area surrounding the employee's residence and including all destinations that can be reached via a commuting trip that is not significantly more burdensome than the current commuting trip. This excludes a commuting trip from a residence where the employee planned to stay only temporarily until he or she could find a more permanent residence closer to his or her work site. For this purpose, a commuting trip to a new work site is considered significantly more burdensome if it would compel the employee to change his or her place of residence in order to continue employment, taking into account commuting time and distance, availability of public transportation, cost, and any other relevant factors.

Employed by the Government of the United States refers to employment by any part of the Government of the United States, including the United States Postal Service and similar independent entities, but excluding enlistment or activation in the armed forces (as defined in 5 U.S.C. 2101).

Employee (for the purpose of establishing initial entitlement to severance pay upon separation) means an employee as defined in 5 U.S.C. 5595(a)(2), excluding an individual employed by the government of the District of Columbia.

(NOTE TO DEFINITION OF "EMPLOYEE": The term "individual employed" in 5 U.S.C. 5595(a)(2)(A) refers to an "employee" as defined in 5 U.S.C. 2105.)

Immediate annuity means—

(a) A recurring benefit payable under a retirement system applicable to Federal civilian employees or members of the uniformed services that the individual is eligible to receive (disregarding any offset described in § 550.704(b)(5)) at the time of the involuntary separation from civilian service or that begins to accrue within 1 month after such separation, excluding
