

DOCKET # OON-1396 + OOD-1598

February 3rd, 2001

Dear Commissioner,

As a consumer I am concerned about the quality of the food I eat and therefore I urge you to require both labeling and premarket safety testing for genetically engineered foods, so that I may feel confident in using my freedom of choice. Besides I truly believe that all processing of foods before cooking greatly impacts the flavor of my meals. Thanks!
Veronica Mata
