

Docket #s OOD-1518 and OON-1396

Dear Commission,  
The FDA should be a regulator not a  
promoter of the food industry. I  
feel the FDA should require mandatory  
product labeling of GE foods &  
most importantly LABELING of GE foods.  
I avoid these foods for myself  
& family & friends & I do not feel  
the FDA should deny me my freedom  
of choice

Sincerely,  
Gulley B. Rykowski
