To Whom It May Concern:

Please grant the Petition, 98P-0151/CP1, that will provide for immediate euthanasia for those animals who cannot move themselves toward slaughtering.

We have an opportunity to provide at least one tiny bit of decency to the billions of animals bred, deprived of natural instincts, brutally transported and eventually slaughtered.

I look forward to hearing of the granting and immediate implementation of Petition 98P-0151/CP1.

Yours truly,

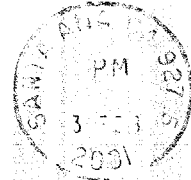

T.M. Locklear
