To Whom It May Concern:

I am writing to urge you to grant Petition 98P-0151/CP1.

It is important that animals too injured or sick to march themselves to be slaughtered should be euthanized on the spot.

Prolonging agony by tossing these animals on "downed" piles is unacceptable.

The very least bit of decency we can show them is to end their misery sooner rather than later.

I urge you to grant this Petition and have it go into effect immediately.

Sincerely,

  
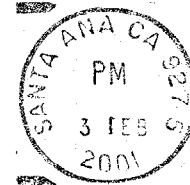

Tina Locklear
