FDA Dockets Management Branch (HFA-305)  
Food and Drug Administration  
5630 Fishers Lane, Rm. 106 1  
Rockville, MD 20852  
Attn: FDA proposed rules on genetically engineered foods.

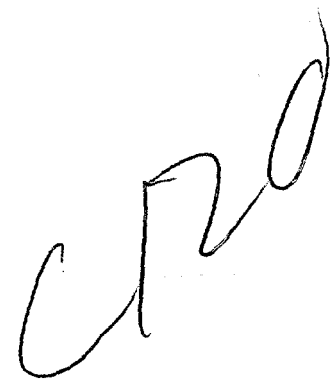

Dear Sirs:

This citizen would like to register with you that I am opposed to/fear&l of eating genetically engineered food stuffs. I very much want it to be required of manufacturers that they prominently display a warning on their food labels when genetically engineered food is used in the manufacture of their products.

Sincerely,

00N-1396
