

RE: DECKET # CON-1346 and # CCD-159E

TO THE COMMISSIONER,

LABELS ON GENETICALLY ENGINEERED FOOD ARE REQUIRED  
IN JAPAN, RUSSIA, AND THROUGHOUT ~~EUROPE~~ ~~EUROPE~~ ~~EUROPE~~ YET YOUR  
PROPOSAL CONTINUES TO KEEP AMERICANS UN-INFORMED!

PLEASE, PLEASE RECONSIDER THIS PROPOSAL.

MAKE SURE GENETICALLY ENGINEERED FOODS ARE PRE-MARKET  
TESTED AND, IF APPROVED CLEARLY LABELED. PEOPLE  
WITH CERTAIN ALLERGENS NEED TO KNOW WHAT THEY ARE  
EATING ——— EVEN IN RESTAURANTS.

THANK YOU

Michael J. Iannone
