To whom it may concern, FEB 13 AM 11:41
2647

Myself and my family
Demand that the FDA
require more testing of and
more information about
genetically engineered food
products. We are one of
thousands of families deeply
concerned about the
proliferation of genetically
engineered products in our
food supply. We urge you to
implement stringent testing
(which is independent & long-term)
full & accurate labeling of all
genetically engineered ingre-
dients, and scientifically credible

regulation of all genetic
engineering activities.

Thank you very much,

C. Abellera-Miatech
