

Docket #s 000-1598 & 000-1396

2/10/01
Commissioner,

I urge you to require full disclosure
and labeling of any food ^{FEB 14} or product for
human, as well as, animal consumption that
contains genetically modified/engineered organ-
isms.

These "organisms" need to be tested for
for safety to consumers before being put on the
market. Sincerely, 

000-1598

C421
