

Docket #OOD-1598, #OON-1396 02/08/01

Mr. Commissioner -

I do not have an issue if biotech companies wish to produce GMO's because of the profit motive, BUT I <sup>do</sup> have an issue about CHOICE. Foods that contain GMOs of any kind must be labeled so that I, the consumer/citizen, have a CHOICE about what I eat.

REQUIRE LABELS

Greg Edwain
