

re: Dockets #00N-1396 & #00D-1598

Dear Commissioner,

The FDA could be a regulator not a promoter of the food industry. I would like to know which foods are genetically modified as well as what is in our food.

Please require labeling; pre-market safety testing.

Be my advocate as you were meant to be. Stay out of the pockets of big business.

Thank you
Brenda Leagui
