

DECKET # 00D-1598, CON-1396

Dear Commissioner:

As a Consumer I am concerned about the quality of my Food, and its impact on human and environmental health. Therefore, I urge you to require both labeling and pre-market safety testing on G.M. Foods. I wish to avoid GM Foods for myself, for my Family & for my Friends.

IT IS Frustrating that the FDA seems to want to hide the facts from consumers and to deny them their Freedom of Choice!

Sincerely,
Candlyn P. Shaw
