Re: Docket Number 98P-0151/CP1

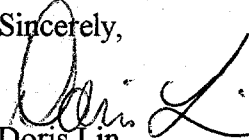

To whom it may concern,

Please grant the petition to prohibit the slaughter of downed animals - docket number 98P-0151/CP1. This prohibition is necessary for the animals and for people.

Prohibiting the slaughter of downed animals will motivate the agriculture industry to prevent injuries and illnesses that caused animals to become downed. Furthermore, with the spread and worries of mad cow disease, it is irresponsible for the US FDA to allow the slaughter and sale of animals who are too weak to even stand.

Please grant docket number 98P-0151/CP1. Thank you.

Sincerely,

Doris Lin
