

OOD-1598 & OON-1396

American citizens have a right to know about the origins, derivation and qualities of the food we buy. I respectfully ask that all GE foods be labeled and tested. When I purchase seed I can choose F₁ hybrids ~~or~~ labeled or some other type of seed. I'd like the same knowledge and choice for the food I buy

Thank you Nance L. Crow 324 Hermosa Dr SE
