

March 22, 2001

Dear Jennie Butler,

We wish to inform you of our use of Ultra-filtered milk in the production of cheese in the United States. Please do not allow Docket no. OOP-0586 CPA to be implemented. We need to support our own farmers 100% by using the natural ingredients in cheese production and for our people's health.

Thank you.

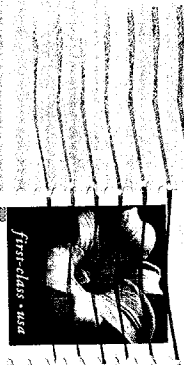

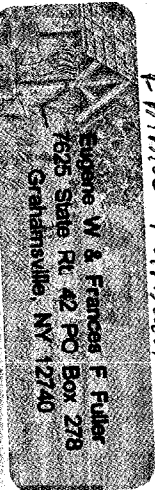

Yours truly,

James J. Suller
Eugene W. Fuller
Emma Furman
