RE: Notification of Nutritional Support Statements

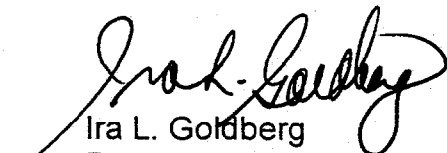

Dear Sir or Madam:

I hereby notify the Food and Drug Administration (FDA) of the use of statements of nutritional support in the labeling of Sugar Ban™, a dietary supplement. Source Naturals® is the manufacturer of Sugar Ban™.

Statements being made in the labeling of Sugar Ban™:

- (1) Gurmar, the Hindi name for the herb, means "destroyer of sugar" because it suppresses the sweet taste of sugar.
- (2) Source Naturals Sugar Ban also contains pullulan, an extract of Zizyphus jujuba, which also reduces the human perception of sweet taste.

To the best of my knowledge, and based upon information and belief present at the time of the execution of this notice, I certify that the above information is accurate and complete. Source Naturals possesses substantiation that the statements are truthful and not misleading.
