RE: Notification of Nutritional Support Statements

Dear Sir or Madam:

I hereby notify the Food and Drug Administration (FDA) of the use of statements of nutritional support in the labeling of Ultra Potassium™, a dietary supplement. Source Naturals® is the manufacturer of Ultra Potassium™.

Statements being made in the labeling of Ultra Potassium™:

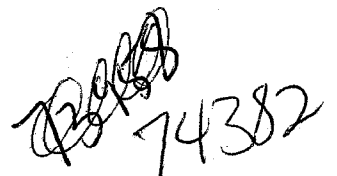

- (1) Maintains muscle and nerve function.
- (2) (Potassium is essential for maintaining nerve impulses, regular heartbeats,) muscle strength, and for general cellular support.
- (3) Source Naturals Ultra Potassium™ utilizes Krebs cycle intermediates for improved bioavailability.
- (4) The compounds generated in the Krebs cycle perform many vital metabolic functions, including serving as amino acid precursors for protein synthesis.
- (5) These compounds also allow for the chemical action in the Krebs cycle to efficiently produce adenosine triphosphate (ATP), the primary energy molecule in the body, used especially by muscle cells.

To the best of my knowledge, and based upon information and belief present at the time of the execution of this notice, I certify that the above information is accurate and complete. Source Naturals possesses substantiation that the statements are truthful and not misleading.
