RE: Notification of Nutritional Support Statements

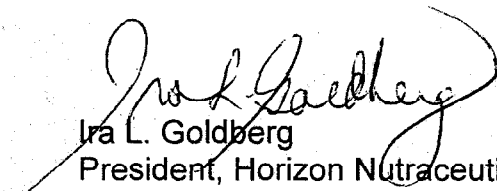

Dear Sir or Madam:

I hereby notify the Food and Drug Administration (FDA) of the use of statements of nutritional support in the labeling of **Elderberry Extract**, a dietary supplement. Horizon® is the manufacturer of **Elderberry Extract**.

Statements being made in the labeling of Elderberry Extract:

(1) Elderberry is the berry of the black elder tree (*Sambucus nigra*). Its extracts contain both bioflavonoids and anthocyanins, compounds widely found in plants, which give vibrant color to berries, fruits and vegetables and play various roles that positively influence cell function.

To the best of my knowledge, and based upon information and belief present at the time of the execution of this notice, I certify that the above information is accurate and complete. Horizon possesses substantiation that the statements are truthful and not misleading.

Ira L. Goldberg
