RE: Notification of Nutritional Support Statements

Dear Sir or Madam:

I hereby notify the Food and Drug Administration (FDA) of the use of statements of nutritional support in the labeling of Dibencozide, a dietary supplement. Source Naturals® is the manufacturer of Dibencozide.

Statements being made in the labeling of Dibencozide:

- (1) Dibencozide is a primary active coenzyme form of vitamin B-12. It is required for processing branch chain amino acids through the Krebs cycle for sustained energy production
- (2) Supplementation with dibencozide may support energy production during prolonged exertion.

To the best of my knowledge, and based upon information and belief present at the time of the execution of this notice, I certify that the above information is accurate and complete. Source Naturals possesses substantiation that the statements are truthful and not misleading.
