

To Whom It May Concern,

5-11-

I write today concerning docket number 98P-0151/CP1. Please grant petition 98P-0151/CP1 to prohibit the slaughter<sup>4319</sup> of ~~downed~~ animals. Downed animals are often treated inhumane due to their inability to move as desired by slaughterhouse employees. Additionally, animals too sick or injured to move should not be put in the human food chain. The number of downed animals is low, so there should be no undue economic hardship on the meat industry. Thank you for your time and consideration.

Sincerely,  
Jennifer Allen
