Re: Docket # 98P-~~015~~ 0151 /CPI

I object to the slaughter of disabled animals on the grounds that if they are ~~not~~ ^{not} ~~well~~ ^{well} ~~treated~~ ^{treated} they may pose a health threat and should thus be kept out of the human food chain; 2) they cannot be moved humanely and presently are pushed with hooks or dragged with chains; and 3) comprise a small percentage of slaughtered animals and prohibiting their marketing would cause no undue hardship.

Thank you.
