

Dockets # 00D-1598 and 00N-1396

Dear Commissioner,

As a consumer I am concerned about the quality of ~~my~~ ^{our} food, and its impact on ⁴²¹² human and environmental health. Therefore I urge you to rethink your position on GM foods to require both pre-market safety testing, labeling of these new foods - so that I may feel confident using my FREEDOM OF CHOICE!

sincerely, Sara Newton Juarez
