PART IV DISTANCE, TIME AND LOCATION BETWEEN HOME AND WORK SITE

There may be a direct benefit in assigning a state vehicle in instances where the employee's residence is significantly closer to his work site as compared to the central garage where state vehicles are parked. The assignment of a state vehicle will allow the employee to proceed directly to the assigned work site saving both time and wear and tear on the vehicles.

Answer the following questions if they apply to you, by indicating the distance (to the nearest mile), and the time it takes to travel (to the nearest 1/2 hour) between your residence, state parking site, and work site. If there are multiple assigned work sites which vary during the year, take an average of the time and distance traveled. If this section does not apply to you proceed to Part V.

1. Fill in the following information for the route traveled from home to office.

Time Start: _____ Time End: _____ Miles: _____
Home Location: _____
Office Location: _____

2. Fill in the following information for the route traveled from office to work site:

Time Start: _____ Time End: _____ Miles: _____
Work Site Location: _____

3. Fill in the following information for the route traveled from home direct to work site:

Time Start: _____ Time End: _____ Miles: _____

PART V VANDALISM AND / OR THEFT

To ensure the protection of state vehicles and associated equipment, security from vandalism and theft must be evaluated at both the state and private parking sites.

1. At what State facility or location/address is the vehicle parked at during non-working hours and what kind of security is available ?

2. List any incidence of vandalism or theft at this location that you are aware of (include any vehicle affected: DAGS Central Motor Pool Vehicles, other state vehicles, private vehicles, etc).

3. If the assignment of a state vehicle is approved, where will the vehicle be parked and what kind of security will be available (e.g. applicant, guard, enclosed parking area, etc.) ?

PART VI ADDITIONAL COMMENTS AND JUSTIFICATION

If there are any other reasons or justification that you feel should be considered in assigning a state vehicle to you, please indicate these in the space provided below.
