### Dave Perry

### South Coast Field Representative (Waldport office) (541) 563-2056

[dave.perry@state.or.us](mailto:dave.perry@state.or.us)

Assists cities and counties south of Newport in Curry, Coos, Douglas, Lane, and Lincoln counties. Provides planning, policy, and technical advice, serves as grants officer for planning and technical assistance grants to local governments. Coordinates with state and federal agencies within the region on land use issues affecting local governments. Serves as the department's point-of-contact for local governments. With DCLD 12+ years; formerly planner in Polk County.

### Laren Woolley North Coast Field Representative (Waldport office) (541) 563-3745

[laren.woolley@state.or.us](mailto:laren.woolley@state.or.us)

Assists cities and counties north of Newport in Clatsop, Tillamook, and Lincoln counties. Provides planning, policy, and technical advice, serves as grants officer for planning and technical assistance grants to local governments. Coordinates with state and federal agencies within the region on land use issues affecting local governments. Serves as the department's point-of-contact for local governments. With DCLD 9+ years; formerly planner in Curry County and city of Gold Beach.

### Steve Williams Coastal Shorelands Specialist (Waldport office) (541) 563-5324

[steve.williams@state.or.us](mailto:steve.williams@state.or.us)

Assists all coastal cities and counties and coastal field representatives with technical advice and information to improve planning for coastal shore processes and geologic hazards. Works with state and federal agency staff and university researchers to plan for and manage coastal development in relation to coastal shore processes and geologic hazards. Serves as contract officer for Section 309 Program Enhancement projects for coastal hazards and for coastal stormwater management grants to local governments. With DCLD 3 years, formerly coastal land use specialist with Oregon Parks and Recreation Department and 6+ years as a planner in Lincoln County.

### Paul Klarin

### Coastal Policy Specialist (Salem office) (503) 373-0050 x 249

[paul.klarin@state.or.us](mailto:paul.klarin@state.or.us)

Serves as principal policy advisor to coastal staff, state and federal agencies, and local governments as needed, especially related to goals 16, Estuarine Resources, 17, Coastal Shorelands, and 18, Beaches and Dunes. Monitors state and federal legislative activities for effects on Oregon coastal policies and programs and provides advice to department director and coastal program manager. Leads program assessments for 309 Program Enhancements. Currently conducts Measure 37 reviews for claims filed in the coastal zone. With DCLD 16+ years; graduate of University of Washington School of Marine Affairs.

**Dale Blanton Federal Consistency Coordinator (Salem office) (503) 373-0050 x 260**

[dale.blanton@state.or.us](mailto:dale.blanton@state.or.us)

Primary point of contact with federal agencies to ensure that federal licenses, permits, or projects affecting land or water use or natural resource of the coastal zone are consistent with Oregon's Coastal Management Program policies. Provides policy advice and technical assistance to applicants, federal and state agencies and local governments. Assists Coastal Program Manager and department director with policy advice for coastal projects requiring federal and state approvals. With DCLD 23 years; former staff in Oregon Dispute Resolution Commission.

**Jay Charland Coastal Permit Reviewer (Salem office) (503) 373-0050 x 253**

[jay.charland@state.or.us](mailto:jay.charland@state.or.us)

Works with local governments, state and federal agencies, and applicants to review state and federal permits, environmental assessments, and other approvals and ensure conformance to state and local policies and requirements. Coordinates with coastal field representatives on approvals affecting local governments. Conducts reviews for Measure 37 claims filed in the coastal zone. With DCLD < 1 year; former Assoteague (MD) Coast Trust Coastkeeper, NOAA OCRM program officer, Tillamook Bay National Estuary Program planner.

**Greg McMurray Marine Affairs Coordinator (Salem office) (503) 373-0050 x 248**

[greg.mcmurray@state.or.us](mailto:greg.mcmurray@state.or.us)

Principal policy advisor on ocean and marine issues for the coastal program, Governor's office, other state and federal agencies. Provide technical and staff assistance to the Ocean Policy Advisory Council. Assists department director and Coastal Program Manager in analyzing legislation, rules, and policy related to marine issues. Administers contracts for Section 309 ocean management projects. With DCLD 3+ years; formerly in Water Quality Division of Dept of Environmental Quality and Dept. of Geology and Mineral Industries.

**Jeff Weber Coastal Conservation Coordinator (Portland office) (971) 673-0964**

[jeff.weber@state.or.us](mailto:jeff.weber@state.or.us)

Administer the 306A small-scale construction and acquisitions grants for coastal cities, counties, and port districts. Coordinates coastal conservation projects in which the OCMP has a program interest, including the Oregon Plan for recovering coastal coho salmon. Coordinates with local, state, and federal agencies on projects and programs to conserve or restore coastal watersheds, estuarine, wetland, and other natural resources. With DCLD 19 years; formerly planner in Tillamook County.

**Amanda Punton Coastal Water Quality Specialist (Portland office) (971) 673-0961**

[amanda.punton@state.or.us](mailto:amanda.punton@state.or.us)

Assists and advises local governments on planning and management measures to reduce non-point source pollution from stormwater runoff. Administers grants to local governments to improve stormwater management. Works with DEQ and EPA on coastal water quality issues. With DCLD 9 years; formerly planner with Water Quality Division of Dept of Environmental Quality.

**Randy Dana**

**Coastal GIS Specialist (Portland office) (971) 673-0960**

[randy.dana@state.or.us](mailto:randy.dana@state.or.us)

Principal technical and program specialist for coastal Geographic Information Systems (GIS). Develops and maintains geo-spatial data for use within the Coastal Management Program and other agency partners. Provides technical assistance and advice to local governments regarding GIS. Assists in providing GIS training for local government staff. GIS liaison to other state and federal agencies with geo-spatial interests in the coastal region.  
With DCLD 11+ years.

**Tanya Haddad**

**Coastal Atlas Administrator (Portland office) (971) 673-0962**

[tanya.haddad@state.or.us](mailto:tanya.haddad@state.or.us)

Develops and maintains the Oregon Coastal Atlas, an on-line data resource for coastal Oregon. Works with technical staff in local, state and federal agencies, and with university researchers to identify, develop, and implement upgrades in content, tools, service interface, hardware, and software. Ensures that on-line GIS tools and data are developed and improved to streamline and simplify use. Liaison with national and international technical teams developing similar web-based information portals.  
With DCLD 7 years; originally as NOAA Fellow to OCMP from Duke University.

**Diana Evans**

**Coastal Grants-Contracts (Salem office) (503) 373-0050 x 263**

[diana.evans@state.or.us](mailto:diana.evans@state.or.us)

Administers OCMP grant funds received from the federal government (NOAA Ocean and Coastal Resource Management and others) and grants or contracts awarded to local coastal jurisdictions or private entities. Assists program manager and department fiscal staff in developing budgets, tracking projects and grants, and monitoring expenditures. Coordinates coastal grant-funded activities with overall department fiscal and accounting staff.  
With DCLD 2+ years; formerly with U of O and OSU Grants Administration

**Lorinda DeHaan Administrative Assistant (Salem office) (503) 373-0050 x 228**

[lorinda.dehaan@state.or.us](mailto:lorinda.dehaan@state.or.us)

Assists the Coastal Program Manager and other coastal staff in a wide range of administrative duties and activities. Maintains grants, permits, and contracts data bases, provides logistic support for meetings, conferences, and travel. Assists Coastal Program Manager in tracking workflow.  
With DCLD 2+ years; formerly with Oregon Commission on Children and Families

**Bob Bailey**

**Division Manager (Salem office) (503) 373-0050 x 281**

[bob.bailey@state.or.us](mailto:bob.bailey@state.or.us)

Oversees all functions of the Oregon Coastal Management Program. Provides program advice to coastal field representatives and other staff. Assists local governments with program or policy issues. Provides a point of contact for the Governor's Office and department director on coastal issues. Serves as liaison between the coastal program, other state and federal agencies or programs, non-governmental organizations, and associations. Serves on the department management team.  
With DCLD 23+ years; planner in Coos County (pre-LCDC!), private practice; former City Commissioner in Oregon City.
