### **Hawaii State Ethics Commission Launches New Web Site**

On April 8, 2008, the Hawaii State Ethics Commission (“Commission”) launched a new Web site. The Commission’s new Web site includes a number of improvements to its previous Web site. Some of the new features include: a redesigned layout with right and left menus; an enhanced search engine; information about the Commission’s duties; recent news; filing deadline reminders for financial disclosures, lobbying reports, and gifts disclosures; a direct link to the Commission’s email address; and links to related Web sites. The Commission’s new Web site also provides access to the ethics and lobbying laws administered by the Commission; the Commission’s opinions and decisions; publications and guidelines issued by the Commission; public financial disclosure filings, gifts disclosure filings, and lobbying registrations and reports; and ethics and lobbying disclosure forms and instructions.

Please visit the Commission’s new Web site at [www.hawaii.gov/ethics](http://www.hawaii.gov/ethics).
