

## **Regional Disaster Plan for Public and Private Organizations in King County, Washington**

Document Changes as of 5/3/07:

### Overall Changes for all Sections:

- Changed the format, organized some sections differently to reflect changes from the National Response Plan.
- Included Indian tribal references in the document
- Added language for the National Incident Management System
- Corrected grammar and spelling errors
- Changed the name for the King County EOC to King County ECC and made these changes and references to the King County ECC consistent throughout the document

### Basic Plan (approved 10/12/06):

#### *Changes:*

- Added language and a section for the National Incident Management System (pages 2, 3, 8, 11)

*Review Process:* 1<sup>st</sup> Review by RDP Task Force at February 9 and May 11, 2006 meetings; sent to RDP Signatories for review; 2<sup>nd</sup> draft reviewed at RDP Task Force Meeting on June 8, 2006 then sent to RDP Signatories; additional edits inserted from RDP partners at the 8/10/06 meeting and final draft developed in meeting. Final sent to signatory partners on 9/7/06. No edits received. Approved as final in RDP Task Force meeting on 10/12/06.

### Basic Plan, Appendix 1 - Direction & Coordination (approved 10/12/06 and 5/3/07):

#### *Changes:*

- Added language and a section for the National Incident Management System (page 2)
- Added language and a section for a Multi-Agency Coordination System (MACS) (pages 4, 5)
- Added language for resource tracking that signatory partners maintain their own resource lists, preferably categorized and typed as part of the National Incident Management System (NIMS) (page 7)
- NOTE: Additional language was added to this section providing more detail and automatic triggers for activation of the Regional Disaster Plan on 5/3/07.

*Review Process #1:* 1<sup>st</sup> Review in RDP Task Force meeting June 8, 2006; sent to RDP Signatories on 7/21/06; Edits inserted from RDP partners for 8/10/06 meeting and additional edits inserted in the meeting. Final draft sent to signatory partners on 9/7/06. No edits received. Approved as final in RDP Task Force meeting on 10/12/06.

*Review Process #2:* RDP activation clarification and automatic trigger language developed by a RDP Workgroup. Sent to RDP partners on 2/5/07. Edits made to draft. Additional edits made by RDP Task Force on 2/8/07. Sent to RDP partners on 3/9/07 for review. Edits made. Presented to RDP Task Force at meeting on 4/5/07. Additional changes made. Sent to RDP Partners for final review on

4/13/07. Reviewed and approved by Regional Disaster Plan Task Force at May 3, 2007 meeting.

**Omnibus Legal & Financial Agreement (coversheet with address change):**

*Changes:*

Added a cover sheet with the new address for the King County Office of Emergency Management. No other changes made to this legal document.

**Non-Medical Pandemic Influenza Incident Annex (approved 10/12/06):**

*Changes:*

- This is a new annex which describes the non-medical support that King County Office of Emergency Management (KC OEM) will provide to Public Health Seattle King County (PHSKC), King County government, and the Regional Disaster Plan partners
- Purposes of this annex are to support public information dissemination specifically related to Pan Flu, support public education initiatives, and provide specialized logistical support and staffing as needed.
- During a pandemic, RDP partners may use this annex to moderate the impact of illnesses and deaths, minimize social disruption, and minimize economic losses.

*Review Process:* 1<sup>st</sup> discussion in RDP Task Force meeting on June 8, 2006; sent to RDP Signatories on 7/27/06; Edits received and inserted from Signatory partners for 8/10/06 meeting and reviewed at meeting; sent out to Regional Partners for 2<sup>nd</sup> review on 9/13/06. No edits received. Approved as final in RDP Task Force meeting on 10/12/06.

**Emergency Support Function (ESF) 8 – Public Health and Medical Services (approved 12/14/06):**

*Changes:*

- This is a complete rewrite of this emergency support function and was developed in coordination with Public Health-Seattle & King County and the King County Health Care Coalition partners.

*Review Process:* Draft developed by King County Health Care Coalition and Public Health-Seattle & King County; sent to RDP Signatories for draft review on 7/31/06; Edits received and inserted from Signatory partners for the 8/10/06 meeting with additions at meeting; sent to Public Health and American Red Cross to resolve issues. 2<sup>nd</sup> draft sent to Regional Partners 9/13/06. No additional comments received. Reviewed at RDP Task Force meeting 10/12/06. Request made to send out for final review. Sent to RDP signatories and Task Force on 10/19/06. No edits or comments received. Approved as final in RDP Task Force meeting on 12/14/06.

**Emergency Support Function (ESF) 1 – Transportation (approved 2/8/07)**

*Changes:*

- Minor edits made to this ESF.
- Section and language added for Mitigation/Preparedness/Response/Recovery Actions.

*Review Process:* Pre-draft sent to King County Dept of Transportation. First draft sent to Regional Partners for review on 9/29/06. Reviewed in Regional Disaster Plan Task Force Meeting 10/12/06. Second draft sent to RDP Partners and planners on 10/27/06. Edits received and inserted. Final draft presented to RDP Task Force on 12/14/06. No additional comments received. Final sent to RDP partners for final review on 1/29/07. Edits received and inserted. Approved as final in RDP Task Force on 2/8/07.

**Emergency Support Function (ESF) 15 – External Affairs-Public Information**  
**(approved 4/5/07):**

*Changes:*

- This Emergency Support Function (ESF) 15 External Affairs-Public Information is a new ESF created by taking the previously developed ESF 2 Communications-Appendix 2-Public Information and reformatting for ESF 15.
- Changes include updating the Joint Information Center (JIC) and Joint Information System (JIS) information, updating websites, clarifying the scope and JIS levels of operation
- Added mitigation/preparedness/response/recovery actions language.

*Review Process:* Reformatted ESF 2-Appendix 2 into new ESF 15. Made minor edits and sent to Zone Coordinators for review by Public Information Officers (PIOs) for initial input 9/13/06. Sent to RDP Partners 9/29/06 for first draft review. Reviewed and edited by the RPIN Steering Committee on 10/11/06. Reviewed by RDP partners present at RDP meeting 10/12/06. Second draft sent to RDP partners on 10/27/06. Edits received and implemented. Presented to RDP Task Force on 12/14/06. Additional edits input at meeting. Additional language added for Mitigation/Preparedness/Response/Recovery Actions added. Sent to RDP partners on 1/29/07. New changes received and inserted since last RDP meeting 12/14/06. Sent out final edits to Regional Partners on 3/22/07 and no additional edits received. Approved as final in RDP Task Force on 4/5/07.

**Emergency Support Function (ESF) 6 – Mass Care, Housing & Human Services**  
**(approved 5/3/07)**

*Changes:*

- Insertion of language to address animal care and sheltering issues in response to the National Pets Evacuation and Transportation Standards Act of 2006 (H.R. 3858-PETS)
- Additional information inserted for addressing human services
- Section and language added for Mitigation/Preparedness/Response/Recovery Actions.

*Review Process:* Pre-draft sent for review to Red Cross, King County Parks and Animal Services. Edits made. First draft sent to Regional Partners and Humane Society of the US for review on 1/22/06. Edits made. Second draft sent to Red Cross, King County Parks and Animal Services, Humane Society of the US, and CAN for review on 1/30/07. Presented to RDP Task Force on 2/8/07. Edits made by RDP partners and WA Dept of Agriculture and Dept of Fish & Wildlife. Sent

out to RDP partners on 3/22/07 for review. Present at RDP Task Force meeting on 4/5/07. Additional edits. Approved as final in RDP Task Force on 5/3/07.
