Re: Teslac (testolactone tablets, USP) Discontinuation

Dear Dr. Sample:

We are writing to you today to inform you of our decision to discontinue the manufacture and sale of Teslac (testolactone tablets, USP), NDC: 0003-0690-50 (50mg bottle of 100 tablets) in the United States. Once current inventories have been depleted, Teslac will no longer be available for purchase in the US market. Please make appropriate plans to transition your patients to another therapy.

If you have any questions related to this announcement, please do not hesitate to call Customer Service at 1-800-631-5244. Thank you for your continued support of Bristol-Myers Squibb products.

Sincerely,

Joel Greengard
Director, Oncology Strategy and Operations
