

Appendix O - Herbicide Labels and Herbicide Risk Assessments

Herbicide Labels and Risk Assessments for all herbicides used within the FC-RONRW may be found at the following web site;

<http://www.fs.fed.us/foresthealth/pesticide/risk.htm>

The product label and risk assessment for Plateau herbicide (imazapic) is attached. Specific copies of herbicide labels and risk assessments discussed in this SEIS may be obtained by contacting;
